TALKING AS TEAMMATES

Hachette Books

A dual biography of two star players for the Chicago Bulls, describing their separate basketball careers and how they have performed as teammates.

Lance Armstrong, the Tour de France, and the Greatest Sports Conspiracy Ever John Wiley & Sons

From 1996 through 2004, Kobe Bryant and Shaquille O'Neal combined-- and collided-- to help bring the Lakers three straight championships and restore the franchise as a powerhouse. From public sniping and sparring, to physical altercations and the repeated threats of trade, it was warfare. The eight years of infighting and hostility were by turns mediated and encouraged by coach Phil Jackson. Pearlman shows how the Shaq-Kobe duo resulted in one of the most enduring, and ever-evolving, teams in NBA history. -- adapted from jacket

Why We Became Rescue Heroes Cager Haus Publishing
Interviews with Hockey Hall of Famers about the fellow NHLers they thought were great.

TEAMMATES

Morgan James Kids

For Patricia 'Fitz' Fitzpatrick, hockey is her only escape from her controlling husband and the isolation of her suburban life. When the drama on her team threatens that one happiness, Fitz takes matters into her own hands. She convinces three of her teammates-Michelle, Dawn, and Tessa-to join her in building a new team. The Darts. The Darts have the potential to be something fantastic-if they can survive their first season. As Fitz's marriage takes a dark turn, she puts more pressure on the team to succeed. When personal issues with Michelle endanger that success, the Darts begin to crack. Can these four unlikely friends learn to trust and support each other before it all falls apart?

Fast Break Triumph Books

Winning Teammates are the people that make it possible for any group to succeed... the people who others depend on... the

people who others want to work with. Winning Teammates bring more than just technical skills to the table - they have the interpersonal skills that every organization needs to create and maintain a positive and productive culture. Life is a team sport. Winning Teammates are the GLUE that hold teams together... that keep them focused and performing well. These 10 vital lessons will help you to increase your influence... and ultimately will lead to your team enjoying far more success. If you want a winning team, you need to be a Winning Teammate!

All My Teammates and Me Scholastic Paperbacks

Since his mother's death, Jayson, twelve, has focused on basketball and surviving but he is found out and placed with an affluent foster family of a different race, and must learn to accept many changes, including facing his former teammates in a championship game.

Stay Engaged and Connected While Working Anywhere Houghton Mifflin Harcourt

Great teammates don't just impact you today; they impact you for the rest of your life. From the moment Jon Gordon heard about George Boiardi and the Hard Hat he was intrigued and captivated. Over the years he visited George's coaches, attended several "21 Dinners" held in his honor, met his family, talked to his teammates and observed how he inspired all who knew him. The Hard Hat is an unforgettable true story about a selfless, loyal, joyful, hard-working, competitive, and compassionate leader and teammate, the impact he had on his team and program and the lessons we can learn from him. The book features: A True Story about George Boiardi, his Team and their Legacy. 21 Lessons to be a Great Teammate Insights from George's Teammates and

Coaches that Bring the Lessons to Life. 21 Exercises to help you Build a Great Team Infused with practical insights and life changing lessons, The Hard Hat will inspire you to be the best teammate you can be and to build a great team. *100% of author's royalties go to support the Mario St. George Boiardi Foundation

Ghost Simon and Schuster

The experiment was dreamed up by two fathers, one white, one black. What would happen, they wondered, if they mixed white players from an elite Seattle private school - famous for alums such as Microsoft's Bill Gates - and black kids from the inner city on a basketball team? Wouldn't exposure to privilege give the black kids a chance at better opportunities? Wouldn't it open the eyes of the white kids to a different side of life? The 1986 season would be the laboratory. Out in the real world, hip-hop was going mainstream, Larry Bird and Magic Johnson ruled the NBA, and Ronald Reagan was president. In Seattle, the team's season unfolded like a perfectly scripted sports movie: the ragtag group of boys became friends and gelled together to win the league championship. The experiment was deemed a success. But was it? How did crossing lines of class, race, and wealth affect the lives of these ten boys? Two decades later, Doug Merlino, who played on the team, returned to find his teammates. His search ranges from a prison cell to a hedge fund office, street corners to a shack in rural Oregon, a Pentecostal church to the records of a brutal murder. The result is a complex, gripping, and, at times, unsettling story. An instant classic in the vein of Michael Apter's Up series, The Hustle tells the stories of ten teammates set before a background of sweeping social and economic change,

capturing the ways race, money, and opportunity shape our lives. A tale both personal and public, *The Hustle* is the story a disparate group of men finding - or not finding - a place in America

The Teammates John Wiley & Sons

There's More To Life Than The Game Legendary college football coach Tom Osborne, a former NFL player and Nebraska Congressman, shares his life's wisdom in this powerful collection of stories, advice and spiritual insights. Available Fall 2009 2...

LITTLE TEAMMATE

Simon and Schuster

What does it mean to “go to work” when you don't actually leave the house? This is the ultimate guide for remote workers who want to stay engaged as team members, maintain robust work relationships, and keep an eye on their long-term career goals. Even before the coronavirus hit, remote work was growing at nearly 30 percent per year, and now it's just a fact of life. There are many millions of people who once worked at a central location every day who now find themselves facing an entirely new way of working. Written by the founders of the Remote Leadership Institute, this book is the most authoritative single resource for helping remote workers get work done effectively, build relationships that are both productive and satisfying, and maintain a career trajectory when they are not in constant close contact with their leader, coworkers, or the organization in general. The Long-Distance Teammate tackles three important issues: navigating the personal and interpersonal, growing the skills to be productive, and communicating effectively—all from a

distance. In short, there is a big difference between working at home and being an effective member of a team. This practical guide describes that difference and allows you to be a great remote teammate.

Jetlaunch

Aspiring to be the fastest sprinter on his elite middle school's track team, gifted runner Ghost finds his goal challenged by a tragic past with a violent father.

Wheelmen Penguin

An epic account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter “Meticulously assembled and brilliantly written . . . [a] remarkable and engrossing book.”—The New York Times By official accounts, the Navy SEALs of Alpha platoon returned as heroes after their 2017 deployment to Mosul, following a vicious, bloody, and successful campaign to drive ISIS from the city. But within the platoon a different war raged. Even as Alpha's chief, Eddie Gallagher, was being honored by the Navy for his leadership, several of his men were preparing to report him for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. Many young SEALs regarded Gallagher as the ideal special operations commando. Trained as a sniper, a medic, and an explosives expert, he was considered a battle-tested leader. But in the heat of combat, some in his platoon saw a darker figure—a man who appeared to

be coming unhinged after multiple deployments in America's forever wars. Their excitement to work with a tough, experienced chief soon gave way to a grim suspicion that his thirst for blood seemed to know no bounds and a belief that his unpredictability was as dangerous as the enemy. In riveting detail, Pulitzer Prize-winning New York Times correspondent David Philipps reveals the story of a group of special operators caught in a moral crucible—should they uphold their oath and turn in their chief, or honor the SEALs' unwritten code of silence? It is also a larger story of how the SEAL Teams drifted off course after 9/11, and of the “pirate” subculture that festered within their ranks—a secret brotherhood that, in a time of endless war with few clear victories, made the act of killing itself the paramount goal. The investigation and trial following Alpha's deployment—and Gallagher's ultimate acquittal on the most serious charges—would pit SEAL against SEAL, set the Navy brass on a collision course with President Donald Trump, and turn Gallagher into a political litmus test in a hotly polarized America. A page-turning tale of battle, honor, and betrayal, Alpha is a remarkable exposé of the fault lines fracturing a country that has been at war for a generation and counting.

THREE-RING CIRCUS

Createspace Independent Publishing Platform

How we communicate with one another matters, especially in a marriage. Even if we aren't actively trying to cut down our spouses with our words, we can create friction and misunderstandings that hinder our unity and mutual growth. The Bible gives us countless principles to help us to communicate in

ways that give life, not pain, to our spouses. In thirty-one daily devotional readings, biblical counselor Steve Hoppe paints a picture of whole new way of communicating, starting with the heart before moving into the practical dos and don'ts. Whether your home is a verbal war zone or you'd simply like to do a little better, this book is written for you. As you read through it with your spouse, meditating on Scripture, praying, and using the practical questions and action steps, you will learn to communicate with Christlike love, grow in holiness, and glorify God with your words.

The Teammates Tell Their Exciting Stories Simon and Schuster

More than 6 years after his death David Halberstam remains one of this country's most respected journalists and revered authorities on American life and history in the years since WWII. A Pulitzer Prize-winner for his ground-breaking reporting on the Vietnam War, Halberstam wrote more than 20 books, almost all of them bestsellers. His work has stood the test of time and has become the standard by which all journalists measure themselves. The Teammates is the profoundly moving story of four great baseball players who have made the passage from sports icons--when they were young and seemingly indestructible--to men dealing with the vulnerabilities of growing older. At the core of the book is the friendship of these four very different men--Boston Red Sox teammates Bobby Doerr, Dominic DiMaggio, Johnny Pesky, and Ted Williams--who remained close for more than sixty years. The book starts out in early October 2001, when Dominic DiMaggio and Johnny Pesky begin a 1,300-mile trip by car to visit their beloved friend Ted Williams, whom

they know is dying. Bobby Doerr, the fourth member of this close group--"my guys," Williams used to call them--is unable to join them. This is a book--filled with historical details and first-hand accounts--about baseball and about something more: the richness of friendship.

UNGUARDED

First Second

What does it mean to be a good teammate? Not long ago, Lance Loya set out on a journey to discover an answer to that question. The journey began with the publication of his children's book *Be a Good Teammate*, and it continued with his adult nonfiction title *Building Good Teammates: The Story of My Mount Rushmore, a Coaching Euphany, and That Nun*. His journey eventually led to the launch of a successful weekly blog, where he shared what he discovered--his musings--about the art of being a good teammate every Tuesday morning. This book is a compilation of the entire first year of that blog. In *Teammate Tuesdays*, you'll gain invaluable insight into the good teammate mindset. It will inspire you to want to be a better teammate and equip you to help individuals on your team do the same. Everybody is part of a team in some capacity, so why not make the effort to be a good teammate?

Teammates Berrett-Koehler Publishers

INSTANT NEW YORK TIMES BESTSELLER This unflinching "master class" (The New York Times) of a memoir from two-time Olympic gold medalist and NBA Hall of Famer reveals how Scottie Pippen, the youngest of twelve, overcame two family tragedies and universal disregard by college scouts to become an essential

component of the greatest basketball dynasty of the last fifty years. Scottie Pippen has been called one of the greatest NBA players for good reason. Simply put, without Pippen, there are no championship banners—let alone six—hanging from the United Center rafters. There's no *Last Dance* documentary. There's no "Michael Jordan" as we know him. The 1990s Chicago Bulls teams would not exist as we know them. So how did the youngest of twelve go from growing up poor in the small town of Hamburg, Arkansas, enduring two family tragedies along the way, to become a revered NBA legend? How did the scrawny teen, overlooked by every major collegiate basketball program, go on to become the fifth overall pick in the 1987 NBA Draft? And, perhaps most compelling, how did Pippen set aside his ego (and his own limitless professional ceiling) in order for the Bulls to become the most dominant basketball dynasty of the last half century? In *Unguarded*, the six-time champion and two-time Olympic gold medalist finally opens up to offer pointed and transparent takes on Michael Jordan, Phil Jackson, and Dennis Rodman, among others. Pippen details how he cringed at being labeled Jordan's sidekick, and discusses how he could have (and should have) received more respect from the Bulls' management and the media. Pippen reveals never-before-told stories about some of the most famous games in league history, including the 1994 playoff game against the New York Knicks when he took himself out with 1.8 seconds to go. He discusses what it was like dealing with Jordan on a day-to-day basis, while serving as the facilitator for the offense and the anchor for the defense. Pippen is finally giving millions of adoring basketball fans what they crave; an unvarnished, "closely observed, and uncommonly

modest" (Kirkus Reviews) look into his life and role within one of the greatest, most popular teams of all time.

One Team and Ten Lives in Black and White Hyperion

An opinionated tour of the past, present, and future of pro basketball, written by ESPN's "Sports Guy" columnist, shares insights on everything from major NBA events and underrated players to how Hall of Famers should be selected.

My Life in the Game Penguin

You Are the Team is a book that will easily and dramatically improve the way your team works together by literally changing the heart and mind of every member of your team. It's a book for you, your team and entire organization. Many leaders struggle with getting members of their team to help and assist each other; to be direct, candid and respectful in their communication; to actively participate in meetings-providing ideas and passionately discussing important topics; to trust each other; to stop engaging in negative talk and even gossip; and to take accountability for their job and performance... to name just a few. You Are the Team combats the "Teammate Me Culture," which is when members of the team care more about their own needs than the team's needs. It inspires teammates to: *Serve each other *Put others and the team first *Tell the truth and be transparent *Keep commitments *Be direct and honest in discussions *Take accountability *Learn from mistakes *Seek honest feedback from teammates *Improve personal gratitude *Refrain from negativity and gossip *Compliment teammates more frequently *Celebrate teammates successes *Extend more kindness *Seek to understand teammates first before reacting *Demonstrate greater empathy towards teammates *Get it done and then some

*Improve personal focus on goals *Bring solutions, not problems *Invest in personal development *Inspire and lead Would you agree that the above actions improve teamwork? Could your team improve by teammates implementing even just a couple of these concepts? You Are the Team is both engaging and practical. Author Michael Rogers uses a variety of entertaining stories to highlight the concepts in the book. Introspective questions are at the end of each section to help teammates reflect on how they are currently applying each of the important team concepts. The end of the book includes an assessment with 27 questions to gauge the overall effectiveness of teammates. Becoming a successful team begins with teammates who want to provide more value than they receive. You Are the Team was written to help members of teams understand the value they bring. Order a copy for you, for your team, for your entire organization. Michael has over 20 years of experience working with teams in business, sports, and a variety of volunteer organizations. One common theme in his consulting work has been that the best teams are made up of teammates who are committed to and invested in their team and its outcomes. He has found, without exception, that teams consisting of teammates who regularly practice his 6 B's of selflessness, trustworthiness, humbleness, positivity, respectfulness, and greatness achieve extraordinary teamwork. When Michael sat down to write You Are the Team, he wanted to write a book that could be easily understood by anyone reading it, a book that was inspiring-even life changing, a book that was engaging and a book that could be quickly applied by every member of the team. Many are finding that he did just that. Are you a leader who

wishes you could get your team to work together better? Are you a leader who needs to boost results? Are you a leader who wishes your team cared more about their work and the outcomes of the team? You Are the Team is that one book that will change your team and organization long term.

THE TEAMMATES

Cager Haus Publishing
