Do Less Better teaches leaders how to recognize the complexity and inefficiencies within their businesses and reveals how they can simplify and streamline through specialization and sacrifice. According to Bell, a company's willingness to focus on a particular vision or identity ensures viability and strengthens its competitive edge.

His Music, His Persona, and His Artistic Afterlife Polity

A random poem, written on a birthday years before, finds a new life when a series of interrelated profiles come together in a most unexpected way. This is what constitutes A Walk in the City, writer/poet Thomas Porky McDonald's New York City travelogue. A compilation of pieces written originally for an internal website at his workplace in New York City transit, this volume shares brief, yet effective vignettes on a number of various sites in the city--some famous, and others hardly on the radar. It is dedicated to the average tourist and/or the lifetime New Yorker. McDonald's love of the place he's called home for his entire life comes across most vibrantly. Though the outer boroughs are touched upon transiently, this collection of go-to sketches and reminisces is centered mainly in Manhattan, which--as any New Yorker knows--is the place that all those who live in Brooklyn, Queens, the Bronx, and Staten Island call "The City." From the world famous sites, like the Empire State Building and Times Square to hidden jewels like the New York City Transit Museum, the Theodore Roosevelt Birthplace, or the New York City Fire Museum, A Walk in the City provides something for anyone seeking interesting pit stops in New York, whether planned ahead or merely in the course of a day already begun. The book is subtitled An Incomplete Tour since it is McDonald's contention that no one could truly put every point of interest in the city into a single volume. Here, an unencumbered collection of articles attempts to send the reader out in search of something that cannot be explained without actually having the experience of being there. In any case, this is a city wanderers' bonanza, one that should be considered by anyone who aspires to explore the diverse venues located in the greatest city in the world.

A Story from Life and Career through Death e-artnow sro

Relive the incredible history of the King of Pop - in reverse - with Michael Jackson: Rewind. By the time Michael Jackson passed away in 2009, he had sold an estimated 750 million records worldwide over his career; He had won 26 American Music awards and 13 Grammy awards as well as the Grammy Lifetime Achievement Award, and was ranked number three, after The Beatles and Elvis Presley, of best-selling music artists. Five years after his death, the net worth of his estate is more than 600 million dollars. He is, without a doubt, one of the most popular - and controversial - artists of all time. Now, for the first time ever,

author Daryl Easlea will explore the life and history of Michael Jackson...in reverse. Starting with his tragic death and rewinding to his early hits with the Jackson 5 and life in Gary, Indiana, this is a complete illustrated history of the King of Pop: his genius, his life, and his demons. Loaded with over 300 images, a timeline of his life, a complete discography, and more, this is the must-have book for any Michael Jackson fan.

Black celebrities in America have always walked a precarious line between their perceived status as spokespersons for their race and their own individual success--and between being "not black enough" for the black community or "too black" to appeal to a broader audience. Few know this tightrope walk better than Kanye West, who transformed hip-hop, pop and gospel music, redefined fashion, married the world's biggest reality TV star and ran for president, all while becoming one of only a handful of black billionaires worldwide. Despite these accomplishments, his polarizing behavior, controversial alliances and bouts with mental illness have made him a caricature in the media and a disappointment among much of his fanbase. This book examines West's story and what it reveals about black celebrity and identity and the American dream.

An Unprecedented Investigation into the Michael Jackson Cover-Up ABC-CLIO

Discover the unique, profound, and unlikely yet enduring friendship between two of the most prominent and beloved celebrities of all time—Elizabeth Taylor and Michael Jackson—in this “exhaustively researched...consistently absorbing” (Kirkus Reviews, starred review) biography. From the moment Elizabeth Taylor and Michael Jackson met, they were fascinated by one another. He peered into her violet eyes and was transfixed; she, in turn, was dazzled by his talent, intrigued by his sweet-tempered childlike personality, and moved by the stories she had already heard about his troubled early life. Soon a deep friendship blossomed, unlike anything either had ever experienced. Through their various emotional upheavals, the peaks and valleys of their careers, their personal traumas and heartaches, their countless health issues and extreme physical pain, and the glare of the often merciless public spotlight, their love for each other endured. Award-winning biographer Donald Bogle skillfully re-creates the moving narrative of “these two forces of nature, and digs into the extraordinary histories that made them uniquely suited to understanding each other” (Alan Light, author of Let’s Go Crazy). Through the recollections of friends and acquaintances of the two stars, as well as credited and anonymous sources, Elizabeth and Michael emerges as a tender, intimate look at this famous “odd couple”—and a treasure to their millions of fans.

"I'm not a businessman-I'm a business, man." --Jay-Z

Some people think Jay-Z is just another rapper. Others see him as just another celebrity/mega-star. The reality is, no matter what you think Jay-Z is, he first and foremost a business. And as much as Martha Stewart or Oprah, he has turned himself into a lifestyle. You can wake up to the local radio station playing Jay-Z's latest hit, spritz yourself with his 9IX cologne, slip on a pair of his Rocawear jeans, lace up your Reebok S. Carter sneakers, catch a Nets basketball game in the afternoon, and grab dinner at The Spotted Pig before heading to an evening performance of the Jay-Z-backed Broadway musical Fela! and a nightcap at his 40/40 Club. He'll profit at every turn of your day. But despite Jay-Z's success, there are still many Americans whose impressions of him are foggy, outdated, or downright incorrect. Surprisingly to many, he honed his business philosophy not at a fancy B school, but on the streets of Brooklyn, New York and beyond as a drug dealer in the 1980s. Empire State of Mind tells the story behind Jay-Z's rise to the top as told by the people who lived it with him- from classmates at Brooklyn's George Westinghouse High School; to the childhood friend who got him into the drug trade; to the DJ who convinced him to stop dealing and focus on music. This book explains just how Jay-Z propelled himself from the bleak streets of Brooklyn to the heights of the business world. Zack O'Malley Greenburg draws on his one-on-one interviews with hip-hop luminaries such as DJ Clark Kent, Questlove of The Roots, Damon Dash, Fred "Fab 5 Freddy" Brathwaite, MC Serch; NBA stars Jamal Crawford and Sebastian Telfair; and recording industry executives including Craig Kallman, CEO of Atlantic Records. He also includes new information on Jay-Z's various business dealings, such as: *The feature movie about Jay-Z and his first basketball team that was filmed by Fab 5 Freddy in 2003 but never released. *The Jay-Z branded Jeep that was scrapped just before going into production. *The real story behind his association with Armand de Brignac champagne. *The financial ramifications of his marriage to Beyonce. Jay-Z's tale is compelling not just because of his celebrity, but because it embodies the rags-to-riches American dream and is a model for any entrepreneur looking to build a commercial empire.

A Journey From Hip Replacement Surgery to Athletic Victory

Simon and Schuster

The investigative biography of Michael Jackson's final years: "A tale of family, fame, lost childhood, and startling accusations never heard before" (ABC Nightline). When Michael Jackson died on June 25, 2009, millions of fans around the world were shocked. But the outpouring of emotion that followed his loss was bittersweet. Dogged by scandal for years and undone by financial mismanagement, Jackson had become untouchable in many quarters. Untouchable pulls back the curtain Jackson's public person to introduce a man who, despite his immense fame, spent his entire life utterly alone; who, in the wake of a criminal trial that left him briefly hospitalized, abandoned Neverland to wander the globe before making one final—and fatal—attempt to recover his wealth and reputation. The Jackson that emerges in these pages is both naïve and cunning, a devoted father whose parenting became an international scandal, a shrewd businessman whose failures nearly brought down a megacorporation, and an inveterate narcissist who craved a quiet, normal life. Randall Sullivan delivers never-before-reported information about Jackson's business dealings, his relationship with his family, and the pedophilia allegations that derailed his life and mar his legacy today, as well as the suspicious nature of his death. Based on exclusive access to Jackson's inner circle, Untouchable is an intimate, unflinching portrait of the man who continues to reign as the King of Pop. "A dishy Michael Jackson biography that makes the exhaustively covered King of Pop fascinating all over again." —People
Unleashing the Power of Creativity in Your Life and Work ABC-CLIO

How was American culture disseminated into Britain? Why did many British citizens embrace American customs? And what picture did they form of American society and politics? This engaging and wide-ranging history explores these and other questions about the U.S.'s cultural and political influence on British society in the post-World War II period.

The pictures and illustrations are actual images taken while I toured with Cirque Du Soleil, doing the Michael Jackson Immortal World Tour. I hope it inspires children to dream, and grow up to live their biggest dreams. This book shows that dreams do come true! If you can Dream it! You can Do it! - I dedicate to book to Cirque du Soleil for the opportunity to be a part of such a great project, and go once again around the world. - I dedicate this to Michael Jackson Estate for their support in my global vision of uplifting youth, through Education and Performing Arts, being true to your God Given Gifts. - I also dedicate this book to my Mom and Dad, for always teaching me to believe in myself, and never be afraid of my calling, no matter how unique my path, thank you for supporting me whether I am being a great Performing Artist or in the classroom, always teach others to DREAM, REACH FOR THE STARS!! and most of all TEACH PEOPLE TO LOVE! Love and Light, Dream it! Do it! Danigir!

Michael Jackson McGill-Queen's Press - MQUP

An Inside View into the Dark Side of a Music Icon He was the King of Pop, a superstar without equal, the idol of millions of young people around the world. But was Michael Jackson also a sexual predator without equal, someone who preyed on the very fans who adored him? Bad is the revelatory untold true story of the strange and larger-than-life career of Michael Jackson, the King of Pop. In the wake of the controversial two-part documentary Leaving Neverland, which told the stories of two young boys who were befriended by the singer and have claimed they suffered years of agonizing abuse, Dylan Howard set out to investigate Jackson's life and death in unprecedented depth, to determine—as one lawyer suggested—that the pop star ran “the most sophisticated child sexual abuse procurement and facilitation operation the world has known.” After all the highly publicized trials and unfounded accusations, stunning new information has finally come to light: irrefutable evidence that one of the best-known, best-loved figures in the world was a monster behind closed doors—a foul-mouthed, abusive, drug-sodden freak whose deeds and the reasons for those deeds are revealed now for the first time. A dramatic narrative account based on dozens of interviews, Howard shares Jackson's own riveting personal journal—obtained exclusively for this book—interviews with family members, multiple first-person sources—some of whom have asked to remain anonymous—as well as thousands of pages of court documents. What he uncovers is a man who was both naïve and Machiavellian, unorthodox, a devoted father, shrewd businessman, and drug addict whose life was cut short but whose sound and style have influenced artists of various genres and generations. Remarkably though, in death, there remains two portraits of Michael Jackson: the reigning King of Pop, and a pedophile whose pattern of abuse ruined his reputation. Fans and individuals alike will forever be asking if the insidious claims being made about MJ are true. This is the new narrative and the sad legacy of one of the best-selling music artists of all time. Here is his life story, told for the first time with stories and testimony that will leave you shaken.

Who Said I'd Never Dance Again? is a story of determination and resiliency that inspires and gives hope to anyone who might be facing joint-replacement surgery. Facing hip replacement surgery can be frightening and depressing for anyone—especially a competitive athlete enjoying success—and picking up a book about what lies ahead can be downright daunting. There are countless stories of athletes who have had career-ending injuries and surgeries. Until recently, no one watching competition dancers imagined that someone with an artificial hip could move so deftly on the dance floor. Many viewers don't have the physical ability, flexibility, or stamina to dance with their own joints, let alone an implanted one. Who Said I'd Never Dance Again? is the first book about ballroom dancing to address a painful, yet victorious comeback after joint replacement surgery, and the rigorous physical and mental strength required to make it happen. Ballroom dancer, Darla Davies shares her story as the only competitive athlete and ballroom dancer to claim the United States Pro Am American Smooth Championship title, succumb to hip replacement surgery, and then fight back to regain the national championship in less than three years. Who Said I'd Never Dance Again? teaches readers the warning signs for hip replacement, how to alleviate the fear of facing surgery, dos and don'ts after surgery, how to restore joy, passion, and fire after an enormous physical setback, and more! Darla's quest for athletic victory gives readers a glimpse of the less glamorous side of ballroom dance competitions and shows all athletes that it's never too late and that no one is ever too old to pursue their dream.

Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

The Dangerous Philosophies of Michael Jackson: His Music, His Persona, and His Artistic Afterlife

Springer

With a billion-dollar industry centred in Montreal, the province of Quebec has established itself as a major hub for contemporary circus. Cirque du Soleil has a global presence, and troupes such as Cirque Éloize and 7 doigts de la main are state-of-the-art innovators. The National Circus School of Montreal - the only state-funded elite training facility in North America - is an influential leader in artistry and technique. Montreal-based Cirque du Soleil's Cirque du Monde supports arts for social change on many continents and is renowned for its social-circus training and research. Cirque Global is the first book-length study of this new variety of circus and its international impact. The contributors offer critical perspectives on this rapidly developing art form and its aesthetics, ethics, business practices, pedagogical implications, and discursive significations. Essays explore creative, entrepreneurial, and cultural forces that are shaping Quebec's dynamic nouveau cirque. Lavishly illustrated with photographs from circus performances, the volume showcases Quebec circus's hybrid forms, which have merged the ethos and aesthetics of European circuses with American commercial and industrial creativity. Cirque Global is the definitive study of the phenomenon of Quebec circus and is an important model for future research on contemporary circus.
