Houghton Mifflin Harcourt Journeys, Grade 4

José was a boy with a song in his heart and a dance in his step. Born in Mexico in 1908, he came into the world kicking like a steer, and grew up to love to draw, play the piano, and dream. José's dreaming took him to faraway places. He dreamed of bullfighters and the sounds of the cancan dancers that he saw with his father. Dance lit a fire in José's soul. With his heart to guide him, José left his family and went to New York to dance. He learned to flow and float and fly through space with steps like a Mexican breeze. When José danced, his spirit soared. From New York to lands afar, José Limón became known as the man who gave the world his own kind of dance. ¡OLÉ! ¡OLÉ! ¡OLÉ! Susanna Reich's lyrical text and Raúl Colón's shimmering artwork tell the story of a boy who was determined to make a difference in the world, and did. José! Born to Dance will inspire picture book readers to follow their hearts and live their dreams.

### Life on the Ice Scholastic

"Robinson Crusoe is a novel by Daniel Defoe, first published on 25 April 1719. The first edition credited the work's protagonist Robinson Crusoe as its author, leading many readers to believe he was a real person and the book a travelogue of true incidents. Epistolary, confessional, and didactic in form, the book is presented as an autobiography of the title character (whose birth name is Robinson Kreutznaer)-a castaway who spends 28 years on a remote tropical desert island near Trinidad, encountering cannibals, captives, and mutineers, before ultimately being rescued. The story has been thought to be based on the life of Alexander Selkirk, a Scottish castaway who lived for four years on a Pacific island called "Más a Tierra", now part of Chile, which was renamed Robinson Crusoe Island in 1966"
