Ten Days that Shook the World Royal Classics

Flamboyant and controversial, Oscar Wilde was a dazzling personality, a master of wit, and a dramatic genius whose sparkling comedies contain some of the most brilliant dialogue ever written for the English stage. Here in one volume are his immensely popular novel, *The Picture of Dorian Gray*; his last literary work, "The Ballad of Reading Gaol," a product of his own prison experience; and four complete plays: *Lady Windermere's Fan*, his first dramatic success, *An Ideal Husband*, which pokes fun at conventional morality, *The Importance of Being Earnest*, his finest comedy, and *Salomé*, a portrait of uncontrollable love originally written in French and faithfully translated by Richard Ellmann. Every selection appears in its entirety—a marvelous collection of outstanding works by the incomparable Oscar Wilde, who's been aptly called "a lord of language" by Max Beerbohm.

The Brothers Karamazov BookRix

The best-known novellas and stories of one of the seminal writers

of the twentieth century. Included are "The Judgment," "A Country Doctor," and "A Hunger Artist." New Foreword by Anne Rice.

Before I Saw You Turtleback Books

Few 20th century novelists can have been subjected to quite as much dissection and analysis as Franz Kafka. Nor can many have bestowed such a powerful and pervasive version of reality through their writing; so much so that the term Kafkaesque is now commonly used to describe situations or environments in modern society. Being a Czech Jew trapped approximately between Stalin's Russia and Hitler's Germany (both temporally and geographically) it is perhaps not surprising he was obsessed with state control and persecution of individuals. All three of his novels, *The Trial*, *The Castle* and *Amerika* reflect this and, perhaps, foreshadow what was about to happen in a world that became even more nightmarish than even Kafka's universe. The novella *Metamorphosis*, arguably his most famous work, looks at a more microcosmic example of alienation and rejection. All of Kafka's writings are hugely allegorical devising elaborate metaphors for authority, society and the human condition. In

Metamorphosis the metaphor is for illness and difference when the story's protagonist awakes one morning to find himself transformed into a giant insect. How his life and relationships change and how people react to him over a period of time is a parable of human callousness and indifference and could be seen as a chilling precursor to the Holocaust and Stalin's terror. Being a Jew himself Kafka would already have known something of anti-Semitism and discrimination, even hatred. The Russians had been persecuting the Jews with their pogroms for centuries; the German attempt at genocide was about to start and, perhaps Kafka had a foreboding of the way the world was heading and the tragic and pivotal role that Jews would, unwillingly, play. Metamorphosis stands as a fascinating exploration of difference, cruelty and, ultimately, inertia. Nazi Germany gave it an unlooked for and terrible manifestation in the real world where the stuff of horror and twisted fantasy became sickening reality for many, while others denied or passed by on the other side of the street.

The Metamorphosis Schocken

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the

author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.

Metamorphosis Diamond Pocket Books Pvt Ltd

From its gripping first sentence onward, this novel exemplifies the term "Kafkaesque." Its darkly humorous narrative recounts a bank clerk's entrapment in a bureaucratic maze, based on an undisclosed charge.

The Metamorphosis (Legend Classics) Oxford University Press, USA

A windfall for every reader: a trove of marvelous impossible-to-find Kafka stories in a masterful new translation by Michael Hofmann Selected by the preeminent Kafka biographer and scholar Reiner Stach and newly translated by the peerless Michael Hofmann, the seventy-four pieces gathered here have been lost to sight for decades and two of them have never been translated into English before. Some stories are several pages long; some run about a page; a handful are only a few lines long: all are marvels. Even the most fragmentary texts are revelations. These pieces were drawn from two large volumes of the S. Fischer Verlag edition *Nachgelassene Schriften und Fragmente*

(totaling some 1100 pages). “Franz Kafka is the master of the literary fragment,” as Stach comments in his afterword: “In no other European author does the proportion of completed and published works loom quite so...small in the overall mass of his papers, which consist largely of broken-off beginnings.” In fact, as Hofmann recently added: “‘Finished’ seems to me, in the context of Kafka, a dubious or ironic condition, anyway. The more finished, the less finished. The less finished, the more finished. Gregor Samsa’s sister Grete getting up to stretch in the streetcar. What kind of an ending is that?! There’s perhaps some distinction to be made between ‘finished’ and ‘ended.’ Everything continues to vibrate or unsettle, anyway. Reiner Stach points out that none of the three novels were ‘completed.’ Some pieces break off, or are concluded, or stop—it doesn’t matter!—after two hundred pages, some after two lines. The gusto, the friendliness, the wit with which Kafka launches himself into these things is astonishing.”

METAMORPHOSIS

W. W. Norton & Company

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. 'The Strange Case of Dr. Jekyll and Mr.

Hyde' is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl, disappears into a door on the street, and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

NOTES FROM UNDERGROUND AND THE DOUBLE

New York : Harper

John Reed, an American journalist and revolutionary writer and a close friend of Lenin and was an eyewitness to the 1917 revolution in Russia. Ten Days That Shook the World is Reed's extraordinary record of that event. Writing in the first flush of revolutionary enthusiasm, he gives a gripping account of the

events in Petrograd in November 1917, when Lenin and the Bolsheviks finally seized power. Containing verbatim reports both of speeches by leaders and of the chance comments of bystanders, and set against an idealized backdrop of soldiers, sailors, peasants, and the proletariat uniting to throw off oppression, Reed's account is the product of passionate involvement and remains an unsurpassed classic of reporting. 'Ten Days That Shook the World' is a must read for those interested in the socialistic movement and how it shaped Russian history.

The Taming of the Shrew, A Midsummer Night's Dream, The Merchant of Venice, Twelfth Night MIT Press

A collection of short stories by Herman Melville.

Three Theatre Adaptations from Franz Kafka The Metamorphosis

For the 125th anniversary of Kafka's birth comes an astonishing new translation of his best-known stories, in a spectacular graphic package.

THE METAMORPHOSIS

Simon and Schuster

The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans

through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

DEATH IN VENICE AND OTHER STORIES

Legend Press

The starring character of the novel is an inquisitive street cleaner. He lives in a society where people have lost their knowledge of individualism, to the extreme that people do not know words like 'I' or 'mine'. All the people live and work for their livelihood in collective groups, along with the people with power, namely the 'Councils'. There are many types of councils namely the Council of Vocations, Council of Scholars etc. The society is where all the terminology of individualism is completely restrained. They emphasize the principle that all are equal and should remain that way. Equality had a thirst for knowledge that he secretly satisfy by sneaking into a tunnel every evening, where he was alone. He

used the time to write, think and to perform some scientific experiments. Soon he falls in love with a woman named Liberty 5-3000. Equality was an outstanding student during childhood and was very interested in learning. He wanted to become a scholar in the Council, but for his thought, he was punished by the Council which is responsible for assigning jobs to each individual. They punished him by assigning him the job of street sweeper

The Citizen's Constitution Bantam Classics

Unique and beautiful, Beowulf brings to life a society of violence and honor, fierce warriors and bloody battles, deadly monsters and famous swords. Written by an unknown poet in about the eighth century, this masterpiece of Anglo-Saxon literature transforms legends, myth, history, and ancient songs into the richly colored tale of the hero Beowulf, the loathsome man-eater

Grendel, his vengeful water-hag mother, and a treasure-hoarding dragon. The earliest surviving epic poem in any modern European language. Beowulf is a stirring portrait of a heroic world—somber, vast, and magnificent.

THE EVOLUTION OF MAN: TECHNOLOGY TAKES OVER

GENERAL PRESS

Written by Kafka between 1909 and 1924, these letters offer a unique insight into the workings of the Kafka family, their relationship with the Prague Jewish community, and Kafka's own feelings about his parents and siblings. A gracious but shy woman, and a silent rebel against the bourgeois society in which she lived, Ottla Kafka was the sibling to whom Kafka felt closest. He had a special affection for her simplicity, her integrity, her ability to listen, and her pride in his work. Ottla was deported to Theresienstadt during World War II, and volunteered to accompany a transport of children to Auschwitz in 1943. She did not survive the war, but her husband and daughters did, and preserved her brother's letters to her. They were published in the original German in 1974, and in English in 1982. "Kafka's touching letters to his sister, when she was a child and as a young married woman, are beautifully simple, tender, and fresh. In them one sees the side of his nature that was not estranged. It is lucky they have been preserved." —V. S. Pritchett, *The New York Review of Books*

Heart of Darkness and the Secret Sharer Simon and Schuster

Metamorphosis - Franz Kafka - Translated by David Wyllie - Brand New Copy - The Complete Kafka Novella - Classics - The

Metamorphosis is a novella by Franz Kafka, first published in 1915. It has been cited as one of the seminal works of fiction of the 20th century and is studied in colleges and universities across the Western world. The story begins with a traveling salesman, Gregor Samsa, waking to find himself transformed into a monstrous vermin. It is never explained in the story why Samsa transforms, nor did Kafka ever give an explanation.
