Write TIME for Kids: Level K Narrative Fiction Teacher's Guide Teacher Created Materials

The Teaching Success Guide for the Advanced Placement Classroom series helps teachers motivate students above and beyond the norm by introducing investigative, hands-on activities, including debates, role-plays, experiments, projects, and more, all based on Advanced Placement and college-level standards for learning. Julius Caesar allows teachers to take a fresh approach to one of Shakespeare's most famous plays by moving beyond basic history and memorization of quotes. Students will engage in performance approaches to the text, recreate the story's events in a news show format, participate in collaborative literature workshop activities, and debate whether Caesar could have prevented his assassination. The author also provides easy-to-use discussions of Shakespeare's language and how Julius Caesar can be studied from different critical perspectives. Grades 7-12
