Consider Phlebas on Apple Books Consider Phlebas A Culture Novel
The first book in Iain M. Banks's seminal science fiction series, *The Culture*. Consider Phlebas introduces readers to the utopian conglomeration of human and alien races that explores the nature of war, morality, and the limitless bounds of mankind's imagination. The war raged across the galaxy. Billions had died, billions more were doomed.

Consider Phlebas. Its protagonist Bora Horza Gobuchul is an enemy of the Culture. Consider Phlebas is Banks's first published science fiction novel and takes its title from a line

in T. S. Eliot 's poem *The Waste Land*. A subsequent Culture novel, *Look to Windward* (2000), whose title comes from the previous line of the same poem, can be considered a loose follow-up.
