CHILDREN'S LETTERS TO GOD

Zonderkidz

Are you a saint or a sinner? Or maybelike all of usyoure a little bit of both. Our lives and our journeys

are unique and complex, and rarely does any single one of us fit into a neat little category. So what can we do to make our lives come into focus? How do we let God explain to us how our little puzzle piece fits into his masterpiece? In Letters to Gods Children, author Teri Fahey shares how her own path unfolded, offering an easy-to-read, uplifting message that is packed with powerful spiritual resources. As a child, Teri asked God whether she could make a difference in the world, and God answered her through prayer. Using the spiritual resources that Teri has learned, you, too, can figure out what that difference could mean in your own life. God is preparing you for a unique purpose, and you are an important and necessary part of Gods plan for humankind. Your spiritual

alarm clock will go off sooner than later, and the hope is that you will recognize the light of Gods love within your heart. All things will become one, all things will become new, and our new earth will shine. May Letters to Gods Children help you prepare and find peace and love to fill your heart and home.

Dear Pope Francis Zonderkidz

The Creator sat upon the throne, thinking. Behind him stretched the illimitable continent of heaven, steeped in a glory of light and color; before him rose the black night of Space, like a wall. His mighty bulk towered rugged and mountain-like into the zenith, and His divine head blazed there like a distant sun. At His feet stood three colossal figures, diminished to extinction, almost, by contrast -- archangels -- their heads level with His ankle-bone. When the Creator had finished thinking, He said, "I have thought. Behold!" He lifted His hand, and from it burst a fountain-spray of fire, a million stupendous suns, which clove the blackness and soared, away and away and away, diminishing in magnitude and intensity as they pierced the far frontiers of Space, until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe. At the end of an hour the Grand Council was dismissed. They left the Presence impressed and thoughtful, and retired to a private place, where they might talk with freedom. None of the three seemed to want to begin, though all wanted somebody to do it.

How do children imagine God? Surprisingly, few researchers have asked this question. In crayon drawings, doll-play, letters, and carefully designed interviews, the forty children in David Heller's study reveal a rich array of spiritual imagery. Though Heller does find some differing views attributable to age, gender, and religious background (the children were Jewish, Catholic, Protestant, and Hindu), he discovers to a surprising degree a common vision of God that cuts across ethnic and religious differences. He also considers related issues of school prayer and the psychology of religion.

Children's Letters to God Harper Collins

The Pulitzer Prize- and National Book Award-winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick *Celie* has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, *Celie* is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, *Celie* begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets

Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sofia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all.
