BURCH ANTWAN

Freedom by the Sword
Strelbytskyy Multimedia
Publishing
Frederick Law Olmsted,
the northerner who wrote
comprehensively about

his travels in the South,
had no southern
counterpart. But there
were thousands of
southerners -- planters,
merchants, bankers,
students, housewives,
writers, and politicians --
who traveled extensively
in the North and who
recorded their

impressions in letters to
their families, in articles
for the local press, and in
the few books they wrote.
In *A Southern Odyssey* the
distinguished historian
John Hope Franklin
canvasses the entire field
of southern travel and
analyzes the travelers and
their accounts of what

they saw in the North. Many went out of sheer curiosity. Others went on business, to get an education, to make purchases for the store and home, to attend religious or political conventions, or to instruct northerners about the superior qualities of the southern way of life and warn them of the dangers of unbridled abolitionist attacks. The more they went, the more they doubted the wisdom of spending money among their enemies. But they continued to go, even

against their own advice to fellow southerners, and some tarried until the attack on Fort Sumter. Concentrating as it does on the human side of North-South relations during the antebellum years, *A Southern Odyssey* represents a fresh and imaginative approach to a long overlooked chapter in southern history. It is also a handsome book, with twenty illustrations that comprise "An Album of Southern Travel." *A Novel* Rourke Publishing Group

The classic work of American history by the renowned author of *From Slavery to Freedom*, with a new introduction by historian Eric Foner. First published in 1961, John Hope Franklin's revelatory study of the Reconstruction Era is a landmark work of history, exploring the role of former slaves and dispelling longstanding popular myths about corruption and Radical rule. Looking past dubious scholarship that had previously dominated the narrative, Franklin

combines astute insight and careful research to provide an accurate, comprehensive portrait of the era. Franklin's arguments concerning the brevity of the North's occupation, the limited power wielded by former slaves, the influence of moderate southerners, the flawed constitutions of the radical state governments, and the downfall of Reconstruction remain compelling today. This new edition of Reconstruction after the Civil War also includes a foreword by Eric Foner

and a perceptive essay by Michael W. Fitzgerald.

From Slavery to Freedom University Press of Kentucky

Introduces the Underground Railroad, a group of people and places through which runaway slaves escaped to freedom before the Civil War.

An Illustrated Biography of the Nineteenth Century's Most Photographed American
Random House

Crime . . . Poverty . . . Racism. George rose above it all. His journey

through Foster Care was at times difficult, at times touching and at times very funny. His story will inspire anyone working with young people.

Especially those in Foster and Adoptive Care, from Foster Parents to Youth, Social Workers and Foster Care Agencies. While his story begin with crime, poverty and racism, it ends with love, belonging and hope. Love . . . Belonging . . . Hope
Legacies of slavery
ReadHowYouWant.com
African American history is the part of American

history that looks at the past of African Americans or Black Americans. Of the 10.7 million Africans who were brought to the Americas until the 1860s, 450 thousand were shipped to what is now the United States. Most African Americans are descended from Africans who were brought directly from Africa to America and became slaves. The future slaves were originally captured in African wars or raids and transported in the Atlantic slave trade. Our collection includes the following

works: Narrative Of The Life by Frederick Douglass. The impassioned abolitionist and eloquent orator provides graphic descriptions of his childhood and horrifying experiences as a slave as well as a harrowing record of his dramatic escape to the North and eventual freedom. Incidents In The Life Of A Slave Girl by Harriet Jacobs. Powerful by portrayal of the brutality of slave life through the inspiring tale of one woman's dauntless spirit and faith. Up From

Slavery by Booker T. Washington. Washington rose to become the most influential spokesman for African Americans of his day. He describes events in a remarkable life that began in slavery and culminated in worldwide recognition. The Souls of Black Folk by W. E. B. Du Bois. W. E. B. Du Bois was an American sociologist, socialist, historian, civil rights activist, Pan-Africanist, author, writer and editor. Contents: 1. Frederick Douglass: Narrative Of The Life 2. Harriet Ann Jacobs:

Incidents in the Life of a Slave Girl 3. Booker T. Washington: Up From Slavery 4. W. E. B. Du Bois: The Souls of Black Folk

In Search of the Promised Land McGraw-Hill Education University Press returns with another short and captivating book - a brief history of The 1619 Project. In August of 1619, a pirate ship sailed its way through the still-warm waters of The Atlantic Ocean, heading north along the coast of North America, a

continent that was then known to most Europeans as the New World. The ship arrived at Jamestown in the British colony of Virginia, carrying an expensive cargo that the pirates hoped to sell to the colonists - Africans. The ship's crew had stolen the 20 or 30 Africans from a Portuguese slave ship. And that slave ship had captured the men and women from an area of west Africa that would one day be Angola. Thus began a 250-year history of slavery in a land that would later become the

United States of America. In August of 2019, on the 400-year anniversary of the introduction of African slavery to America, The New York Times Magazine released a 100-page spread called The 1619 Project, a collection of essays and profiles that discusses the history and legacy of slavery in America and, in the words of its authors, "aims to reframe the country's history by placing the consequences of slavery and the contributions of Black Americans at the very center of the United

States' national narrative." But this bold reframing of America's history has attracted withering criticism, generated intense controversy, and stimulated a fierce national debate. This short book peels back the veil and provides a clear-eyed glimpse into the explosive history of The 1619 Project - a glimpse that you can read in about an hour.

The Autobiography of Nelson Mandela

National Geographic Books

Follows five generations of an African-American family, from the capture and enslavement of the first ancestor, through the Civil War and the end of segregation, to a troubled cousin's reunion with his family. An ALA Best Book for Young Adults. Reissue. *Stolen into Slavery* Oxford University Press
Essays address the issue of freedom as it applies to slaves in American history, discussing how African Americans resisted slavery and what their response was to freedom during and after

the Civil War.

JUBILEE

Macmillan
The transatlantic slave trade forced millions of Africans into bondage. Until the early nineteenth century, African slaves came to the Americas in greater numbers than Europeans. In the Shadow of Slavery provides a startling new assessment

of the Atlantic slave trade and upends conventional wisdom by shifting attention from the crops slaves were forced to produce to the foods they planted for their own nourishment. Many familiar foods—millet, sorghum, coffee, okra, watermelon, and the "Asian" long bean, for example—are native to Africa, while commercial products such as Coca Cola, Worcestershire Sauce, and Palmolive Soap rely on African plants that were brought to the Americas on slave

ships as provisions, medicines, cordage, and bedding. In this exciting, original, and groundbreaking book, Judith A. Carney and Richard Nicholas Rosomoff draw on archaeological records, oral histories, and the accounts of slave ship captains to show how slaves' food plots—"botanical gardens of the dispossessed"—became the incubators of African survival in the Americas and Africanized the foodways of plantation

societies.

The U.S. Colored Troops, 1862-1867 CreateSpace Compiles information and interpretations on the past 500 years of African American history, containing essays on historical research aids, bibliographies, resources for womens' issues, and an accompanying CD-ROM providing bibliographical entries. *The True Story of Solomon Northup, Free Black Man* Oxford University Press on Demand An eminent African-American scholar recalls a

century of memories as an advocate for civil rights, from urging the Roosevelt administration to respond to the Cordie Creek lynching through his involvement in the Civil Rights movement.

The Keys to the Colors
Macmillan

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by

rumors of an “underground railroad” that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she’d left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman

delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this “well-written and moving life of the ‘Moses of her people’” (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the

abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

CONJURE WOMEN

Routledge
Deals partly with the establishment of the Tuskegee Normal and Industrial Institute.
From Slavery to Segregation, 1760-1891
Independently Published

During the course of the struggle of African people against European racism, brutality and domination, many innovative thinkers have risen from our ranks . The greatest and most courageous scholars have devoted their lives to the pursuit of an explanation for the virtually inherent animosity most white people appear to have toward people of color / Unlike her predecessors, Dr. Frances cress welsing, a brilliant, Washington, DC psychiatrist has rejected conventional notions about the origin

and perpetuation of racism .

THE ATLAS OF AFRICAN-AMERICAN HISTORY AND POLITICS: FROM THE SLAVE TRADE TO MODERN TIMES

McGraw-Hill Humanities
Social
Running from Bondage
tells the compelling
stories of enslaved
women, who comprised
one-third of all runaways,
and the ways in which
they fled or attempted to
flee bondage during and

after the Revolutionary War. Karen Cook Bell's enlightening and original contribution to the study of slave resistance in eighteenth-century America explores the individual and collective lives of these women and girls of diverse circumstances, while also providing details about what led them to escape. She demonstrates that there were in fact two wars being waged during the Revolutionary Era: a

political revolution for independence from Great Britain and a social revolution for emancipation and equality in which Black women played an active role. Running from Bondage broadens and complicates how we study and teach this momentous event, one that emphasizes the chances taken by these 'Black founding mothers' and the important contributions they made to the cause of liberty.

My Journey Through Foster Care University of Chicago Press
"Thirty Years a Slave" by Louis Hughes. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read.
