THE BRIEF MCGRAW-HILL READER

Anchor

This rhetorically organized reader, maintains the best features of the earlier editions: lively reading selections supported by helpful apparatus to integrate reading and writing in college composition and reading courses. In working through the text, the student progresses from key aspects of the writing and reading processes to chapters on the essential patterns of writing and then to more rigorous forms of analysis and argument. Each chapter provides diverse and lively prose models suited for discussion, analysis, and imitation.

THIRTEEN MOONS

Minotaur Books

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To

Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

The Norton Reader McGraw-Hill Companies

Recounts the adventures of Mibs Beaumont, whose thirteenth birthday has revealed her "savvy"--a magical power unique to each member of her family--just as her father is injured in a terrible accident.

The McGraw-Hill Reader Jonghap

Featuring 19 new essays, this reader includes a discussion of the considerations important for good writing and active reading. Five types of questions following each reading focus on vocabulary, the writer's technique and ideas, guided writing ideas and evaluating the essay. Summing Up questions and writing assignments at the end of each chapter encourage critical thinking and provide innovative writing projects.

THE PROSE READER

McGraw-Hill Humanities/Social Sciences/Languages

A new edition of a classic 1982 American Book Award nominee follows James Chelni, an infantryman in Vietnam, who, while stationed in an area controlled by enemy forces, changes from having pacifist leanings to being a raging war lover. Reprint.

Barack Obama, Language, and Race in the U.S. The Short Prose Reader

This rhetorical reader is designed to help individuals improve their abilities to think, read, and write on progressively more sophisticated levels. It features a collection of 56 provocative, interesting, rhetorically organized essays accompanied by clear, well-developed rhetorical introductions, sample essays, and carefully sequenced prereading and prewriting questions, comprehension questions, and writing projects. Contains essays representing the four main purposes of writing — description, narration, exposition, persuasion. Organizes essays to reflect progressively more sophisticated levels of thinking, reading, and writing. The essays cover a broad range of contemporary topics and portray the universality of human experience as expressed through the viewpoints of men and women, many different ethnic and racial groups, and a variety of ages and social classes. Presents biographical information about the authors — explaining the real experiences from which the essay emerged poses provocative prereading questions that help readers focus on the purpose, audience, and subject of the essay. Provides complete sample essays illustrating each rhetorical pattern, accompanied by the writer's own thorough analysis of the writing experience — explaining the most enjoyable, exasperating, or noteworthy aspects of writing that particular essay. For anyone interested in refining their basic composition skills.

The Diary of a Young Girl Copper Canyon Press

NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Los Angeles Times • The Boston Globe • The Seattle Times • The Independent In such acclaimed novels as Let the Great World Spin and TransAtlantic, National Book Award-winning author Colum McCann has transfixed readers with his precision, tenderness, and authority. Now, in his first collection of short fiction in more than a decade, McCann charts the territory of chance, and the profound and intimate consequences of even our smallest moments. "As it was, it was like being set down in the best of poems, carried into a cold landscape, blindfolded, turned around, unblindfolded, forced, then, to invent new ways of seeing." In the exuberant title novella, a retired judge reflects on his life's work, unaware as he

sweeping story of Juneteenth's integral importance to American history, as told by a Pulitzer Prize-winning historian and Texas native. Weaving together American history, dramatic family chronicle, and searing episodes of memoir, Annette Gordon-Reed's *On Juneteenth* provides a historian's view of the country's long road to Juneteenth, recounting both its origins in Texas and the enormous hardships that African-Americans have endured in the century since, from Reconstruction through Jim Crow and beyond. All too aware of the stories of cowboys, ranchers, and oilmen that have long dominated the lore of the Lone Star State, Gordon-Reed—herself a

Texas native and the descendant of enslaved people brought to Texas as early as the 1820s—forges a new and profoundly truthful narrative of her home state, with implications for us all. Combining personal anecdotes with poignant facts gleaned from the annals of American history, Gordon-Reed shows how, from the earliest presence of Black people in Texas to the day in Galveston on June 19, 1865, when Major General Gordon Granger announced the end of legalized slavery in the state, African-Americans played an integral role in the Texas story. Reworking the

traditional "Alamo" framework, she powerfully demonstrates, among other things, that the slave- and race-based economy not only defined the fractious era of Texas independence but precipitated the Mexican-American War and, indeed, the Civil War itself. In its concision, eloquence, and clear presentation of history, *On Juneteenth* vitally revises conventional renderings of Texas and national history. As our nation verges on recognizing June 19 as a national holiday, *On Juneteenth* is both an essential account and a stark reminder that the fight for equality is exigent and ongoing.
