DESIRING GOD

Chalice Press

"The Word is for the engrafting; the Sacraments are for the confirming of faith. The Word brings us to Christ; the Sacrament builds us up in Him. The Word is the font where we are baptized with the Holy Ghost; the Sacrament is the table where we are fed and cherished. The Lord condescends to our weakness. Were we made up all of spirit, there would be no need of bread and wine. But we are compounded creatures. Therefore God, to help our faith, not only gives us an audible word but a visible sign. Things taken in by the eye work more upon us than things taken in by the ear. So, when we see

Christ broken in the bread and, as it were, crucified before us, this more affects our hearts than the bare preaching of the Word."

Easton's Bible Dictionary Langham Publishing

Lord's Supper. Eucharist. Communion. Sacrament. Ordinance. While it's the meal that should unite us as followers of Christ, it sometimes appears we can't even agree on what to call it, let alone how we might share a common theological view of its significance. Even if we cannot reach full agreement, how can we better understand one another and this central observance of the Christian faith? Gordon Smith has invited five representatives of differing views within Christian tradition. Each holds his or her views with conviction and makes the case for that tradition. Each responds to the other views with charity, highlighting significant areas of agreement and disagreement. The views and

contributors include The Roman Catholic View--Brother Jeffrey Gros, F.S.C., Professor of Church History, Memphis Theological Seminary, Memphis, Tennessee The Lutheran View--John R. Stephenson, Professor of Historical Theology, Concordia Lutheran Theological Seminary, St. Catherines, Ontario The Reformed View--Leanne Van Dyk, Academic Dean and Professor of Reformed Theology, Western Theological Seminary, Holland, Michigan The Baptist View--Roger E. Olson, Professor of Theology, George W. Truett Theological Seminary, Waco, Texas The Pentecostal View--Veli-Matti Kärkkäinen, Professor of Systematic Theology, Fuller Theological Seminary, Pasadena, California Here's a book that offers more light than heat on an important topic.

The Lord's Supper Museum Tusculanum Press

Why did Jesus give the church a meal to

eat together? The Lord's Supper isn't just something churches do together, it's something that binds us together, making many into one. This accessible work biblically explains what the Lord's Supper is, how it relates to a local church's life together, who should celebrate the Lord's Supper, and how we should approach it. [The Disciples at the Lord's Table](#) Soli Deo Gloria Publications

"When he had given thanks, he broke it, and said, 'This is my body, which is for you. Do this in remembrance of me.'" —1 Corinthians 11:24 The Lord's Supper is more than a church tradition or a complex doctrinal controversy—it has practical importance to our daily lives. When Jesus instituted the Supper, it was meant to strengthen the faith of his followers by reminding them of his promises. God has always made promises to his people through covenants, and along with them given signs and meals to point to and confirm his blessings. Looking at the unity of the covenants throughout the Bible, this book will help Christians recover the practical importance of the Lord's Supper as both a sign and a meal of the new covenant blessings God has bestowed on believers in Christ.

Recovering the Sacraments for Evangelical Worship Reformation Trust Publishing

Legendary Bible teacher Dr. E. W. Kenyon unveils the meaning and miracles available to every Christian through a complete understanding of The Blood Covenant. The Bible is composed of two covenants, or agreements. The old covenant, between God and Abraham, was sealed by circumcision. The new covenant, between God and every believer, is sealed with the blood of Jesus Christ. As you understand your rights as a Christian stemming from this covenant, you will experience an incredible boost to your walk of faith as you lay hold of amazing blessings. The Blood Covenant brings all the power, victory, and miracles of God into the everyday life of the believer.

Leonard J. Vander Zee makes a compelling connection between Baptism and the Lord's Supper and the continuing ministry of Jesus Christ, the incarnate Word of God.

ENDING THE EUCHARISTIC FAMINE

Reformation Trust Publishing

"This is my body," said Jesus at the Last

Supper. What did he mean? Throughout church history, there have been various interpretations of his words. These differences have caused denominational ruptures that have yet to heal. In *A Holy Meal*, Gordon T. Smith shows that we cannot appreciate the Lord's Supper until we understand it. In light of the renewed attention given to the sacraments by all branches of the church, he examines the historic interpretations and seeks common ground among believers. In the process, he shows how the Lord's Supper can infuse new meaning into the church as it confronts the forces of postmodernism and secularism. *A Holy Meal* is essential reading for Christians who want to ponder the Lord's Supper again--perhaps truly for the first time.

THE LORD'S SUPPER IN THE LIFE OF THE CHURCH

Barnabas for Children

Easton's Bible Dictionary is a classic book of definitions which serves to explain and clarify the meaning of the names, places, and words found in the Bible. Many Christians and scholars who read the Bible often remain unawares of the meanings or significance of the Holy Book's vocabulary. Such words are often derived from Ancient Hebrew or other old scripts, which makes it even more difficult for readers who only speak English to understand. Location names, in the context of ancient geography, are likewise hard to scrutinize - yet Easton's Dictionary not only explains what these places are, but their size and overall impact across the entire Bible. First published in 1893, this dictionary uses the authoritative King James Bible as its source. As well as containing definitions and accounts of the many terms found throughout the Old and New Testaments, Easton's Bible Dictionary points out the significance of certain things and exactly where mentions of such phenomena appear in the Bible. The presence and significance of iron, for example, is noted in the Books of Genesis, Chronicles, Ezekiel, Deuteronomy, Isaiah, Job, Joshua, Kings and in the Psalms. Individuals in the Bible are also given biographical definitions. Through Easton's referencing of the names, we can discover the exact Bible passages where such figures are mentioned. Likewise we hear of terms relevant to the life of the ancient peoples; the term 'Levy' for instance is shown to equate to a form of involuntary recruitment which kings ordered. Words in frequent use today, such as 'Schism', are also shown to originate from the Bible. Other words we use today - such as 'Teeth', are shown to have been informal

terms: 'cleanness of teeth' in Amos 4:6 denotes an outbreak of famine, for example. Many of the parables and tales of the Bible are retold in abbreviated form in Easton's Bible Dictionary. These retold anecdotes reference other relevant passages, further evidencing how the various portions of the Bible are interconnected and related to one another. Such a style also gives this unconventional dictionary a flowing quality, making it easier for the reader to enjoy large tracts of this text without pause. The ancient world of the Biblical canon is given life and color by Easton's descriptions. Primarily however, Easton's masterwork is designed for reference. Yet it not only defines the individual entries, but places these entries in their proper context throughout both the Old and New Testaments. Owing to this wealth of information, the reader may perceive that Easton's Dictionary is not merely a book of definitions, but an authoritative and significant work of classic Christian literature.

ON THE DYNAMICS BETWEEN IMAGE AND ALTAR IN THE MIDDLE AGES

Focus Publishing (MN)

As Jesus was celebrating His final Passover meal, He made some bold statements. First, He took the bread and said, This is my body. Then He took the cup, saying, This is my blood. Next, He commanded the disciples to eat and drink in remembrance of Him. What did Jesus mean? Do the bread and wine literally become His body and blood? What happens when Christians take the Lord's Supper? In *The Lord's Supper: Answers to Common Questions*, Dr. Keith A. Mathison walks through these questions and several others to help us better understand this sacrament. Far from being an empty ritual, the Lord's Supper is a means of grace, a source of spiritual nourishment, and true communion with Christ and His church.

Revisoning the Lord's Supper Baker Books

- . . . The Lord's Supper should be celebrated frequently in the church, and there is good reason for doing so on each Lord's Day. - The Lord's Supper today should be open to all who wish to feed on Christ and profess faith in him. - The New Testament envisages the use of one loaf and a common cup. It would be good to maintain this symbolism today. These are but three of several provocative conclusions reached by the distinguished theologian I. Howard Marshall in this easy-to-understand and comprehensive survey of the New Testament accounts of the Lord's supper. This book explores the

nature of other sacred meals in the ancient world, principally Jewish; the relationship to one or other of the biblical accounts themselves; the nature of the meal celebrated by the early church; the significance of the Last Supper as demonstrated by Jesus; and then as demonstrated by the early church. Understanding the supper as a Passover meal, Marshall shows the meal's orientation towards the death, resurrection and second coming of Jesus and its centrality to the life of the church. In doing so, he draws out a number of principles important for the Christian community today. I. Howard Marshall is Professor of New Testament and the University of Aberdeen. He has written numerous books including *Biblical Inspiration* and *I Believe in the Historical Jesus*.

Eternal Word in Broken Bread Regent College Pub

The Disciples at Table! The Christian Church (Disciples of Christ) is about to enter its third century of worship, evangelism and Christian worship. This book is a snapshot of their Table practice: its origins, forms, prayers, and ecumenical development. Single-minded pioneers and advocates of Eucharistic Table fellowship each Sunday, the Disciples forged a unique experience of worship within the restorationist paradigm. What did this worship look like? A free tradition, explicitly "non-liturgical," these Christian communities were open to the directives of the Scriptures and the inspiration of the Spirit. There were no official texts. Yet there was a plethora of worship books and aids, in effect unofficial texts, operating to guide, inform and develop the Disciples' understanding of the Lord's Table and their worship. For the first time these devotional books have been uncovered and studied, revealing something of the deeper influences behind Disciples practice, the common lines of thought and ritual that unknowingly bind the communities, and the difficulties that have emerged in light of ongoing ecumenical worship and research.

CHILDREN AT THE LORD'S TABLE?

Mentor

Focusing on the imagery of the Last Supper, *The Lord's Table* is a provocative study of Jewish-Gentile relations through

their symbolic rituals in the first century A.D. The author argues that the Last Supper, representing the crucifixion and resurrection of Jesus, was a reinterpretation of many different kinds of covenant meals, in scripture and in practice, that focused primarily on the Passover. By following the overall pattern of the Passover, yet inverting every critical element, the early church transformed the meaning of the meal and the sacrifice on which it was based into something quite different. Through anthropological and literary analysis, *The Lord's Table* brings to light how a ritual so intrinsic to modern Christian life was once so controversial and revolutionary.

THE BLOOD COVENANT

Focus Publishing (MN)

A growing trend among Reformed churches is the practice of admitting young children to the Lords Supper. In *Children at the Lords Table?*, Cornelis P. Venema provides an insightful analysis of the theoretical arguments used by advocates of this recent trend. After clarifying terms and explaining arguments often made in favor of paedocommunion, he considers the history of the church's confessions, teaching, and practice regarding the proper recipients of the Lords Supper. Presenting a historical, exegetical, and systematic treatment of the subject, Venema demonstrates the validity and value of having covenant children partake of first communion subsequent to their personal profession of faith. This is an invaluable resource for every pastor within the Reformed tradition.

Understanding The Lord's Supper
ReadHowYouWant.com

On the night He was betrayed, Jesus shared a final meal with His disciples. What was so significant about this meal, and what is its ongoing importance in the life of the church? In this booklet, Dr. R.C. Sproul explains the origins of what we now call the Lord's Supper and the meaning behind the bread and wine. Dr. Sproul reminds Christians not to take this meal

lightly but to prepare their hearts before receiving the Lord's Supper. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

A biblical, historical and theological study of the Lords Supper in Christian tradition *Prayers Over Bread and Cup across 150 Years of Christian Church (Disciples of Christ) Worship* B&H Publishing Group
"Celebrating the Lord's Supper," says award-winning author and theologian J. Todd Billings, "can change lives." In this book Billings shows how a renewed theology and practice of the Lord's Supper can lead Christians to rediscover the full richness and depth of the gospel. With an eye for helping congregations move beyond common reductions of the gospel, he develops a vibrant, biblical, and distinctly Reformed sacramental theology and explores how it might apply within a variety of church contexts, from Baptist to Presbyterian, nondenominational to Anglican. At once strikingly new and deeply traditional, Remembrance, Communion, and Hope will surprise and challenge readers, inspiring them to a new understanding of—and appreciation for—the embodied, Christ-disclosing drama of the Lord's Supper.

The Lord's Supper Leafwood Publishers
In what way can we consider the Lord's Supper more than just a memorial service but a means of grace? In this impressive new study, Richard Barcellos shows that the Lord's Supper is a means of grace because of what the Holy Spirit does in the souls of believers when local churches partake of it.

CELEBRATING THE LORD'S SUPPER

Crossway

Every page in this book has been designed to help you mark a very important journey. Step by step it will help you to learn all about belonging to God's family. So it's about you and God. You can fill in the pages by yourself, or with the help of a grown-up. If you are using this activity book as part of your church's Welcome to the Lord's Table programme you will have the opportunity to offer it at your first Holy Communion as a sign that you belong to God and are part of his family.
