An opinionated tour of the past, present, and future of pro basketball, written by ESPN's "Sports Guy" columnist, shares insights on everything from major NBA events and underrated players to how Hall of Famers should be selected.

The Great Mental Models: General Thinking Concepts Hyperion
During his years as a POW in North Korea, "Doc" Boysen endured hardships he never intended to pass along, especially to his family. Men who refused to eat starved; his children would clean their plates. Men who were weak died; his children would develop character. They would also learn to fear their father, the hero. In a memoir at once harrowing and painfully poignant, Catherine Madison tells the stories of two survivors of one man's war: a father who withstood a prison camp's unspeakable inhumanity and a daughter who withstood the residual cruelty that came home with him. Doc Boysen died fifty years after his ordeal, his POW experience concealed to the end in a hidden cache of documents. In *The War Came Home with Him*, Madison pieces together the horrible tale these papers told—of a young captain in the U.S. Army Medical Corps captured in July 1950, beaten and

forced to march without shoes or coat on icy trails through mountains to camps where North Korean and Chinese captors held him for more than three years. As the truth about her father's past unfolds, Madison returns to a childhood troubled by his secret torment to consider, in a new light, the telling moments in their complex relationship. Beginning at her father's deathbed, with all her questions still unspoken, and ending with their final conversation, Madison's dual memoir offers a powerful, intimate perspective on the suppressed grief and thwarted love that forever alter a family when a wounded soldier brings his war home.

THE BOOK OF BASKETBALL

Agate Publishing

"Tribal Leadership gives amazingly insightful perspective on how people interact and succeed. I learned about myself and learned lessons I will carry with me and reflect on for the rest of my life." —John W. Fanning, Founding Chairman and CEO Napster Inc. "An unusually nuanced view of high-performance cultures." —Inc. Within each corporation are anywhere from a few to hundreds of separate tribes. In *Tribal Leadership*, Dave Logan, John King, and Halee Fischer-Wright demonstrate how these tribes develop—and show you how to assess them and lead them to maximize

productivity and growth. A business management book like no other, *Tribal Leadership* is an essential tool to help managers and business leaders take better control of their organizations by utilizing the unique characteristics of the tribes that exist within. *The Inside Story of Michael Jordan and the Chicago Bulls* Random House

"The book is like a dream you want to last forever" (Roberta Silman, *The New York Times Book Review*), now with a gorgeous new cover by the famed designer Peter Mendelsund *The Rings of Saturn*—with its curious archive of photographs—records a walking tour of the eastern coast of England. A few of the things which cross the path and mind of its narrator (who both is and is not Sebald) are lonely eccentrics, Sir Thomas Browne's skull, a matchstick model of the Temple of Jerusalem, recession-hit seaside towns, wooded hills, Joseph Conrad, Rembrandt's "Anatomy Lesson," the natural history of the herring, the massive bombings of WWII, the dowager Empress Tzu Hsi, and the silk industry in Norwich. W.G. Sebald's *The Emigrants* (New Directions, 1996) was hailed by Susan Sontag as an "astonishing masterpiece perfect while being unlike any book one has ever read." It was "one of the great books of the last few years," noted Michael Ondaatje, who now acclaims *The Rings of Saturn* "an even more inventive work than its predecessor, *The Emigrants*."

MIND GAMES

Hachette Books

An inside look at the season that proved to be the final ride of a truly great dynasty—Kobe Bryant, Shaq, and the LA Lakers For the countless basketball fans who were spellbound by the Los

Angeles Lakers' 2003–2004 high-wire act, this book is a rare and phenomenal treat. In *The Last Season*, Lakers coach Phil Jackson draws on his trademark honesty and insight to tell the whole story of the season that proved to be the final ride of a truly great dynasty. From the signing of future Hall-of-Famers Karl Malone and Gary Payton to the Kobe Bryant rape case/media circus, this is a riveting tale of clashing egos, public feuds, contract disputes, and team meltdowns that only a coach, and a writer, of Jackson's candor, experience, and ability could tell. Full of tremendous human drama and offering lessons on coaching and on life, this is a book that no sports fan can possibly pass up.

FROM GOOD TO GREAT TO UNSTOPPABLE

Simon and Schuster

In 1980, there were exactly four professional bike racers in America. Six years later, an American cycling team would wear the coveted yellow jersey of the Tour de France. And that same team would go on to win Italy's greatest race--the Giro d'Italia--only two years later. *Team 7-Eleven* is the extraordinary story of how two Olympic speed skaters, Jim Ochowicz and Eric Heiden, pulled together a small group of amateur cyclists and turned them into one of the greatest cycling teams the sport has known. From humble beginnings in a barn in Pennsylvania to soaring victories in the French Alps, *Team 7-Eleven* is the complete history that has never been fully told--until now. *The 7-Eleven Cycling Team--Team 7-Eleven* for short--launched the careers of American cycling superstars Andy Hampsten, Davis Phinney, Bob Roll, Ron Kiefel, and many more. It also changed the cycling world, creating a new team structure based on multiple stars,

unified goals, and personal sacrifice for the greater good. And yet at the time it was formed, the number of American cyclists with world-class experience could be counted--literally--on one hand. And the number of American teams that competed in Europe's biggest races was exactly zero. Team 7-Eleven is the amazing story of how two cycling fans found one exceptional sponsor and created the greatest American cycling team of its era. Written with the enthusiastic cooperation of the team members, Team 7-Eleven will impress cycling fans with behind-the-scenes stories of the team's founding, its growing pains, and its lasting success as the team that established America as a powerhouse in the world of professional cycling.

Secrets to Pure Performance VeloPress

For fans of the hit Netflix docuseries *The Last Dance*. During his storied career as head coach of the Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, from a place of deep values. Jackson was tagged as the 'Zen master' half in jest by sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players' nature, not their egos, fear, or greed. This is the story of a preacher's kid from North Dakota who grew up to be one of the most innovative leaders of our time. In his quest to reinvent himself, Jackson explored everything from humanistic psychology and Native American philosophy to Zen meditation. In the process, he developed a new approach to leadership based on freedom, authenticity, and selfless teamwork that turned the

hyper-competitive world of professional sports on its head. In *Eleven Rings*, Jackson candidly describes how he: - Learned the secrets of mindfulness and team chemistry while playing for the champion New York Knicks in the 1970s - Managed Michael Jordan, the greatest player in the world, and got him to embrace selflessness, even if it meant losing a scoring title - Forged successful teams out of players of varying abilities by getting them to trust one another and perform in sync - Inspired Dennis Rodman and other 'uncoachable' personalities to devote themselves to something larger than themselves - Transformed Kobe Bryant from a rebellious teenager into a mature leader of a championship team. Eleven times, Jackson led his teams to the ultimate goal: the NBA championship six times with the Chicago Bulls and five times with the Los Angeles Lakers. We all know the legendary stars on those teams, or think we do. What *Eleven Rings* shows us, however, is that when it comes to the most important lessons, we don't know very much at all. This book is full of revelations: about fascinating personalities and their drive to win; about the wellsprings of motivation and competition at the highest levels; and about what it takes to bring out the best in ourselves and others.

The Soul of Success Parallax Press

The Mamba Mentality: How I Play is Kobe Bryant's personal perspective of his life and career on the basketball court and his exceptional, insightful style of playing the game—a fitting legacy from the late Los Angeles Laker superstar. In the wake of his retirement from professional basketball, Kobe “The Black Mamba” Bryant decided to share his vast knowledge and understanding of the game to take readers on an unprecedented

journey to the core of the legendary “Mamba mentality.” Citing an obligation and an opportunity to teach young players, hardcore fans, and devoted students of the game how to play it “the right way,” *The Mamba Mentality* takes us inside the mind of one of the most intelligent, analytical, and creative basketball players ever. In his own words, Bryant reveals his famously detailed approach and the steps he took to prepare mentally and physically to not just succeed at the game, but to excel. Readers will learn how Bryant studied an opponent, how he channeled his passion for the game, how he played through injuries. They’ll also get fascinating granular detail as he breaks down specific plays and match-ups from throughout his career. Bryant’s detailed accounts are paired with stunning photographs by the Hall of Fame photographer Andrew D. Bernstein. Bernstein, long the Lakers and NBA official photographer, captured Bryant’s very first NBA photo in 1996 and his last in 2016—and hundreds of thousands in between, the record of a unique, twenty-year relationship between one athlete and one photographer. The combination of Bryant’s narrative and Bernstein’s photos make *The Mamba Mentality* an unprecedented look behind the curtain at the career of one of the world’s most celebrated and fascinating athletes.

Spiritual Lessons of a Hardwood Warrior Penguin

More than a Game covers the years that follow the one featured in the ESPN documentary series “The Last Dance.” After leaving the Bulls at the end of the 1997-1998 season—the year featured in the new ESPN documentary series “The Last Dance”—Phil Jackson had one year off and started to write this book—together with his old friend, fellow player and coach, the basketball

novelist Charley Rosen. Then Phil took the LA Lakers coaching job, Rosen followed him there, and by the time they finished writing this book it was 2000 and Phil had won yet another NBA championship, the first of five he would win with his new team. In *More than a Game*, Jackson and Rosen look backward to their origins as players and coaches, forward to the future of the game of basketball, and linger in the moving target of the present—lavishing page after page on the Triangle Offense and all the ways it reveals the essence of the game of basketball they both love so much. This is Jackson in his prime, transitioning from the Bulls to the Lakers, a master of the art of winning, who would go on to claim more NBA championships, eleven, than any other coach in NBA history. As he writes in *More than a Game* of his newest championship team: “We won because our fundamentals were sound, because Shaq was so dominant and Kobe was so creative, but we also won because we developed a certain confidence in our ability to win.”

Buck Up, Suck Up . . . and Come Back When You Foul Up Eleven Rings The Soul of Success

A collection of insider accounts describing the organizational impact of COVID-19 In *The Great Lockdown: Lessons Learned During the Pandemic* from Organizations Around the Globe, expert strategists Shivaji Das, Aroop Zutshi , and Janesh Janardhanan deliver an insightful exploration of this once-in-a-lifetime event to unearth invaluable learnings for the future. people, processes, and technology. Revealing case studies contributed by the CXOs of companies spanning multiple geographies - from the USA to Iran, Uganda to Hong Kong, and multiple sectors - social media, technology, aviation, luxury retail, healthcare, etc. Incisive analyses of the techniques and strategies that worked—or didn't—for organizations during the COVID-19 pandemic, covering the role and evolution of leadership, organizational culture, innovation and digitization Practical guidance for business leaders to apply to their own firms in times of great economic upheaval: the next pandemic, climate disasters, cyber-attacks The leaders contributing their organization's survival and revival stories include those from Julius Baer, SAP, Terumo, IndiGrid, Tapsi, Fonterra, Hornet Networks, Globalization Partners, beCuriou, GoGoX, Abacus Pharma, Real Wear Inc, SOS Children's Villages, Bangalore International Airport, and A Lange & Sohne. Perfect for executives, managers, and other business leaders, *The Great Lockdown* is an invaluable addition to the libraries of anyone interested in case studies of corporate resilience and endurance in the face of unprecedented economic challenges.

A year-round system for athlete development and program success Penguin Books

Eleven Rings: The Soul of Success Penguin

Michael Jordan Diversion Books

****The Instant National Bestseller**** The standout memoir from NBA powerhouse Andre Iguodala, the indomitable sixth man of the Golden State Warriors. Andre Iguodala is one of the most admired players in the NBA. And fresh off the Warriors' fifth Finals appearance in five years, his game has never been stronger. Off

the court, Iguodala has earned respect, too—for his successful tech investments, his philanthropy, and increasingly for his contributions to the conversation about race in America. It is no surprise, then, that in his first book, *Andre*, with his cowriter Carvell Wallace, has pushed himself to go further than he ever has before about his life, not only as an athlete but about what makes him who he is at his core. *The Sixth Man* traces Andre's journey from childhood in his Illinois hometown to his Bay Area home court today. Basketball has always been there. But this is the story, too, of his experience of the conflict and racial tension always at hand in a professional league made up largely of African American men; of whether and why the athlete owes the total sacrifice of his body; of the relationship between competition and brotherhood among the players of one of history's most glorious championship teams. And of what motivates an athlete to keep striving for more once they've already achieved the highest level of play they could have dreamed. On drive, on leadership, on pain, on accomplishment, on the shame of being given a role, and the glory of taking a role on: This is a powerful memoir of life and basketball that reveals new depths to the superstar athlete, and offers tremendous insight into most urgent stories being told in American society today.

The Life Ballantine Books

"Through candor and comprehensiveness, Jackson writes a convincing revisionist take, in which he emerges as an excellent coach . . . highly readable . . . reflects Jackson's polymathy."
—The New York Times Book Review "Part sports memoir, part New Age spirit quest, part pseudo-management tract . . . But the

primary thing with Jackson—as with all the old bards, who were also known for repeating themselves—is the voice." —Sam Anderson, *The New York Times Magazine* A New York Times Bestseller The inside story of one of basketball's most legendary and game-changing figures During his storied career as head coach of the Chicago Bulls and Los Angeles Lakers, Phil Jackson won more championships than any coach in the history of professional sports. Even more important, he succeeded in never wavering from coaching his way, from a place of deep values. Jackson was tagged as the “Zen master” half in jest by sportswriters, but the nickname speaks to an important truth: this is a coach who inspired, not goaded; who led by awakening and challenging the better angels of his players’ nature, not their egos, fear, or greed. MORE THAN A GAME

W. W. Norton & Company

A profound remembrance of a life of greatness cut short In 20 seasons in a Los Angeles Lakers uniform, Kobe Bryant ascended from teenaged rookie to 18-time all-star and five-time NBA champion. The superstar known as The Black Mamba left his mark on basketball and popular culture as a fierce competitor who inspired those around him and never settled for less than the best. These moments and memories are collected in *Kobe Bryant: A Tribute to the Basketball Legend*, a fully illustrated commemorative book celebrating Bryant's life and career. Featuring more than 100 photographs and written coverage from the pages of *Sports Illustrated*, this new volume provides readers a complete portrait of the international basketball superstar who transcended his sport to become a cultural icon. Relive every moment including the 1997 NBA Slam Dunk Contest in 1997,

consecutive NBA Finals MVP awards in 2009 and 2010, the unforgettable 60-point farewell game, and the poignant tributes that followed Bryant's shocking death alongside his 13-year-old daughter Gianna and seven others in a 2020 helicopter crash. This commemorative book features Sports Illustrated's best written coverage of Kobe Bryant, including pieces by Phil Taylor, Jack McCallum, Lee Jenkins, and more.

The Great Lockdown John Wiley & Sons

The never-before-told story of the Buss family and of one woman's rise to the top in a man's world, *Laker Girl* is an unprecedented glimpse into the glamorous world of the Los Angeles Lakers. It is also a behind-the-scenes journal of the 2009–10 Lakers season, a year in which the franchise captured its 16th world championship. By the time Jeanie was 19, she was already a high-ranking executive with World Team Tennis. Today, she is the Lakers' executive vice president of business operations and one of the most influential women in professional sports. Along the way, she's rubbed elbows with everyone from Michael Jordan, John McEnroe, and Shaquille O'Neal to Ryan Seacrest, Khloe Kardashian, Hugh Hefner, and Jack Nicholson. And she's done it all in her own unique, inimitable style. In this updated edition, Buss discusses her recent engagement to Phil Jackson and looks back on the Lakers' eventful past three seasons—an era that has included multiple coaching changes, changes in the front office, a new TV deal, and much more.

SACRED HOOPS

Penguin

An award-winning trainer draws on experience with such top

athletes as Michael Jordan, Kobe Bryant and Ken Griffey, Jr. to explain how to tap dark competitive reflexes in order to succeed regardless of circumstances, explaining the importance of finding internal resources and harnessing the power of personal fears and instincts.

The Jordan Rules MCD

A New York Times Notable Book Here is the story of an all-Jewish basketball team traveling in a hearse through Depression-era America in search of redemption and big money. A hilarious road novel, *The House of Moses All-Stars* is also a passionate portrayal of a young Jewish man struggling to realize his dreams in a country struggling to recover its ideals. Charley Rosen gives us basketball as a metaphor for life. Aaron Steiner, the protagonist of *The House of Moses All-Stars*, is a man very close to the edge. The former college basketball star has watched his dreams of being a successful player fall apart, his marriage disintegrate, and his baby die. In desperation he accepts his friend's offer to join a Jewish professional basketball team—*The House of Moses All-Stars*—which is traveling on a cross-country tour in a renovated hearse. Aaron's teammates—a Communist, a Zionist, a former bank robber, and a red-headed Irishman who passes for a Jew—are, like Aaron, trying to escape their own troubled pasts. As the members of this motley crew travel west to California through an anti-Semitic land that disdains and rebuffs them, they discover a nation grappling with social and economic collapse and fear of foreigners, in conflict with its own democratic ideals of tolerance and opportunity. Told with a rueful eye, *The House of Moses All-Stars* looks critically and lovingly at what it means to be an outsider in America.

The Return of the King Harper Collins

With a new introduction, Phil Jackson's modern classic of motivation, teamwork, and Zen insight is updated for a whole new readership "Not only is there more to life than basketball, there's a lot more to basketball than basketball." --Phil Jackson
Eleven years ago, when Phil Jackson first wrote these words in Sacred Hoops, he was the triumphant head coach of the Chicago Bulls, known for his Zen approach to the game. He hadn't yet moved to the Los Angeles Lakers, with whom he would bring his total to an astounding nine NBA titles. In his thought-provoking memoir, he revealed how he directs his players to act with a clear mind -- not thinking, just doing; to respect the enemy and be aggressive without anger or violence; to live in the moment and stay calmly focused in the midst of chaos; to put the "me" in service of the "we" -- all lessons applicable to any person's life, not just a professional basketball player's. This inspiring book went on to sell more than 400,000 copies. In his new introduction, Jackson explains how the concepts in Sacred Hoops are relevant to the issues facing his current team -- and today's reader.

TRIBAL LEADERSHIP

U of Minnesota Press

Famous entrepreneur Scott Olivet (Oakley, Mervin Manufacturing, Da Kine and more) said "90% of business books should be pamphlets or workbooks." We agree ... we hope that you will write in the space provided here, in the margins, everywhere ... In order to support your leadership journey and growth, we

recommend focusing on ONE Paper Napkin Wisdom per week. There are takeaways, and five questions at the end that we all Firestarters, designed to ignite your leadership transformation. The Firestarters are short questions that will allow you to focus, align, and act. Each week, as you grow your leadership in simple steps, you will focus on building one aspect of your leadership muscle. In order to really be impactful, you will need to focus on the task at hand and on completing the steps and answering the five questions in the Firestarter. Reading the chapter and answering the questions should take no more than 10 to 15 minutes a week. Then align yourself with people who can help you. Join in the conversation on the PaperNapkin Wisdom community on Facebook. Surround yourself with team members, peers, and mentors who can help you with your journey. We challenge you to be transparent about the transformation you plan to make. Do not underestimate what you can accomplish in a year. Finally, act. Execute what you have said you will do in the Fire- Starter and ignite your leadership journey. You can also go to PaperNapkinWisdom.com and listen to the entire interview with each of our Paper Napkin Wisdom guests. Just search for their name and go. This is especially useful if the message in the week's lesson is causing you to stall.

LORD OF THE RINGS

Seven Stories Press

Documents the story of the Olympic squad that won the gold at the 1992 Barcelona Games, assessing the achievements and legacy of some of the NBA's greatest players, including Magic Johnson, Michael Jordan, and Charles Barkley.
