THINGS FALL APART

AK Press

In this book, Russell Evans explores the fire of God — what feeds it, what causes it to spread, and what can quench it in our lives. Through engaging stories and testimonials, Russell shares valuable insights and strategies that will help every Christian to keep their hearts burning strong with spiritual fire, regardless of the season or life circumstances they may be facing. Unlike natural bushfires that destroy, you will learn that the fire of God purifies, strengthens, equips, and empowers us to live a fulfilled and fruitful life focused on His Kingdom and eternal rewards. This is a fire that grows in intensity as we pursue deeper relationship with Jesus and has the potential to explode into an unstoppable firestorm when combined with the fires of other passionate believers! You will be challenged and blessed by this timely

revelation!

The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy Anchor Canada

This diary spans five years, making up an amazing record of spiritual transformation: the agonies, the resistance, the long and frightening bouts with the purifying forces of Kundalini, the perseverance, the movements towards surrender, the longing, and finally, the all-consuming love.

White Hot Truth Canongate Books
"White Fire is a collection of close to 800 sayings encapsulating Mooji's essential spiritual teachings. When fully swallowed these end-of-the-road pointings reveal one's true nature as pure and timeless Being, untouched by the limitations and suffering of the personal ego. This second edition of White Fire, though based on the original (2014), is really a new book in itself. Mooji has reviewed each and every quote with his loving attention--tirelessly and boldly taking the pointers to a higher level. Through this process and in Mooji's renowned fresh and spontaneous style, powerful new

pointers kept emerging and are included here, as well as a series of stand-alone Self-realisation guidances. You will also find many new photographs and brush drawings from Mooji throughout the book." -- Amazon.com.

Being White Liveright Publishing

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Fire Within Yesterday's World Publishing

The Mala of God is a unique spiritual gift, an expression of the surrendered heart filled with prayer, devotion, and gratitude, yet imbued with the unsparing wisdom and power of non-dual self-inquiry. With profound simplicity, Advaita zen master Mooji unveils the intimate, mystical ways of the praying heart, and provides insight for those yearning to discover their true nature. Many of us seek inner peace and happiness, lasting self-realization and awakening, or a felt blissful oneness beyond the mere concept of unity. In our search for truth and enlightenment, we may find ourselves drawn deeply into sincere

introspection or with a deep affinity for prayer as a means of self-discovery and communion with the Supreme. Using language familiar to many spiritual traditions, including Christianity and Sufism, this book bridges the seeming divide between devotion and non-dual self-inquiry. This beautiful collection can be read start to finish or opened to any page for insight into the moment—perfect for both the spiritual seeker with an interest in non-duality or one who is drawn to devotion and the power of prayer. Including over 100 powerful prayers and blessings, complemented by Mooji's drawings and handwritten sayings throughout, *The Mala of God* provides wisdom and inspiration that sets your heart free.

Fahrenheit 451 Shambhala Publications

Before I Am is a selection of dialogues between Mooji, a warm-hearted spiritual master, and seekers of peace, truth and freedom. This second edition expands upon the first with 100 pages of previously unpublished dialogues, fresh quotes, brush drawings and photographs. While Mooji's presence carries a devotional fragrance, the words and drawings that spring from his Being are of the nature of non-duality. At times humorous, at times tender, occasionally sharp and always loving, Mooji responds to questioners as they speak of fear, suffering, confusion, relationships, spiritual practice and how to live their lives in peace. Yet it is Mooji's unsparing pointing to Truth, through the method of self-inquiry, which forms the essence of this book. His words represent unwavering invitations to investigate the nature of the Self and to rest effortlessly as the fullness and emptiness of Beingness. His answers encourage, challenge and never fail to illuminate. Enriched with Mooji's exquisite brush

drawings - which add depth and a power of their own - this book is even more potent than the first. This edition acts like an unsparing sword that chops the mind and leaves you fully naked as your Self.

The Teachings of Don Juan Venture3 Media, Inc

A stirring meditation of being Black and learning to love in a loveless, anti-Black world “Only once in a lifetime do we come across a writer like Danté Stewart, so young and yet so masterful with the pen. This work is a thing to make dungeons shake and hearts thunder.”—Robert Jones, Jr., New York Times bestselling author of *The Prophets In Shoutin’ in the Fire*, Danté Stewart gives breathtaking language to his reckoning with the legacy of white supremacy—both the kind that hangs over our country and the kind that is internalized on a molecular level. Stewart uses his personal experiences as a vehicle to reclaim and reimagine spiritual virtues like rage, resilience, and remembrance—and explores how these virtues might function as a work of love against an unjust, unloving world. In 2016, Stewart was a rising leader at the predominantly white evangelical church he and his family were attending in Augusta, Georgia. Like many young church leaders, Stewart was thrilled at the prospect of growing his voice and influence within the community, and he was excited to break barriers as the church’s first Black preacher. But when Donald Trump began his campaign, so began the unearthing. Stewart started overhearing talk in the pews—comments ranging from microaggressions to outright hostility toward Black Americans. As this violence began to reveal itself en masse, Stewart quickly found himself isolated amid a people

unraveled; this community of faith became the place where he and his family now found themselves most alone. This set Stewart on a journey—first out of the white church and then into a liberating pursuit of faith—by looking to the wisdom of the saints that have come before, including James H. Cone, James Baldwin, and Toni Morrison, and by heeding the paradoxical humility of Jesus himself. This sharply observed journey is an intimate meditation on coming of age in a time of terror. Stewart reveals the profound faith he discovered even after experiencing the violence of the American church: a faith that loves Blackness; speaks truth to pain and trauma; and pursues a truer, realer kind of love than the kind we’re taught, a love that sets us free.

Before I Am Church Publishing, Inc.

“River of Fire is Sister Helen’s story leading up to her acclaimed book *Dead Man Walking*—it is thought-provoking, informative, and inspiring. Read it and it will set your heart ablaze!”—Mark Shriver, author of *Pilgrimage: My Search for the Real Pope Francis* The nation’s foremost leader in efforts to abolish the death penalty shares the story of her growth as a spiritual leader, speaks out about the challenges of the Catholic Church, and shows that joy and religion are not mutually exclusive. Sister Helen Prejean’s work as an activist nun, campaigning to educate Americans about the inhumanity of the death penalty, is known to millions worldwide. Less widely known is the evolution of her spiritual journey from praying for God to solve the world’s problems to engaging full-tilt in working to transform societal injustices. Sister Helen grew up in a well-off Baton Rouge family that still employed black servants. She joined the

Sisters of St. Joseph at the age of eighteen and was in her forties when she had an awakening that her life's work was to immerse herself in the struggle of poor people forced to live on the margins of society. Sister Helen writes about the relationships with friends, fellow nuns, and mentors who have shaped her over the years. In this honest and fiercely open account, she writes about her close friendship with a priest, intent on marrying her, that challenged her vocation in the "new territory of the heart." The final page of *River of Fire* ends with the opening page of *Dead Man Walking*, when she was first invited to correspond with a man on Louisiana's death row. *River of Fire* is a book for anyone interested in journeys of faith and spirituality, doubt and belief, and "catching on fire" to purpose and passion. It is a book, written in accessible, luminous prose, about how to live a spiritual life that is wide awake to the sufferings and creative opportunities of our world. "Prejean chronicles the compelling, sometimes-difficult journey to the heart of her soul and faith with wit, honesty, and intelligence. A refreshingly intimate memoir of a life in faith."—Kirkus Reviews

Emergent Strategy Pacific Press Publishing Association

In this groundbreaking book, Dr. Ariel unveils her breakthrough Self Healing System, 7 Master Keys to Inner Peace, and *TheQuest* Life Mastery Path. She demystifies the psyche like no other work has done and provides tools to quickly resolve issues, heal addictions, restore harmony in relationships, master your psychology, and remove the scars from your painful past. Through years of pioneering work in the psyche, she made many landmark discoveries, uncovered the cause of suffering, and developed a

cure that could change the destiny of the planet. Distilled into seven powerful steps, *TheQuest* is designed to accelerate a personal and planetary transformation that could help end suffering on Earth.

Shoutin' in the Fire Univ of California Press

Eighteen-year-old Daunis

Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

The Mala of God New Harbinger Publications

This book contains sayings for meditative contemplation. It is especially geared towards those with a fervour for deeper spiritual truths, awakening and enlightenment. Humanity's basic assumptions are being challenged. First and foremost among them is the 'I am the body' idea, which is the cause of suffering for mankind. What is special about these words presented here is that they tackle the truth from both vantage points: the absolute plane of existence and the practical aspect of daily living in

this world.

An Invitation to Freedom Virtuonica
Most of us are eventually compelled to search for meaning and fulfillment amidst the increasing busyness, isolation, and uncertainty of daily life. When our outer pursuits have failed to bring lasting contentment, it is our great fortune that we are inspired to turn inward. If you have found yourself on the quest for true Self-discovery and realization, the wisdom and power of White Fire will illumine your way and help you see clearly, thereby ending suffering and unveiling the happiness and everlasting peace that is our natural and effortless state. White Fire is 800 gleaming sparks of wisdom from world-renowned Advaita Zen master Mooji's essential spiritual teachings. Mooji's approach is direct and immediate, combining deep spiritual wisdom with revealing self-inquiry. Each one of the quotes and sayings in this brilliant collection has the power to ignite a burning flame within your heart, clear away confusion and doubt, and reveal your true nature as perfect and timeless Being. Divided into five sections, and replete with color photos and Mooji's mystical ink drawings, White Fire is an unsparing light for complete Self-realization. In Mooji's own words, "Only when the ego is slain by the white fire of pure seeing will the light be set free—the light that illumines the whole world." Vaster Than Sky, Greater Than Space
The Golden Sufi Center
White Fire New Harbinger Publications
On Fire Schocken
NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy
At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers

stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

White Fire (2ND EDITION) New Harbinger Publications

In the tradition of Octavia Butler, here is radical self-help, society-help, and planet-help to shape the futures we want. Change is constant. The world, our bodies, and our minds are in a constant state of flux. They are a stream of ever-mutating, emergent patterns. Rather than steel ourselves against such change, Emergent Strategy teaches us to map and assess the swirling structures and to read them as they happen, all the better to shape that which ultimately shapes us, personally and politically. A resolutely materialist spirituality based equally on science and science fiction: a wild feminist and afro-futurist ride! adrienne maree brown, co-editor of Octavia's Brood: Science Fiction from Social Justice Movements, is a social justice facilitator, healer, and doula living in Detroit.

Kill 'Em and Leave Ignatius Press

"You won't leave this hypnotic book without feeling that James Brown is still out there, howling."—The Boston Globe From the New York Times bestselling author of *The Good Lord Bird*, winner of the 2013 National Book Award for Fiction, *Deacon King Kong*, and *Five-Carat Soul* *Kill 'Em and Leave* is more

than a book about James Brown. Brown embodied the contradictions of American life: He was an unsettling symbol of the tensions between North and South, black and white, rich and poor. After receiving a tip that promises to uncover the man behind the myth, James McBride goes in search of the "real" James Brown. McBride's travels take him to forgotten corners of Brown's never-before-revealed history, illuminating not only our understanding of the immensely troubled, misunderstood, and complicated Godfather of Soul, but the ways in which our cultural heritage has been shaped by Brown's enduring legacy. Praise for *Kill 'Em and Leave* "A tour de force of cultural reportage."—The Seattle Times "Thoughtful and probing."—The New York Times Book Review "Masterly . . . powerful."—Los Angeles Review of Books "McBride provides something lacking in most of the books about James Brown: an intimate feeling for the musician, a veracious if inchoate sense of what it was like to be touched by him. . . . It may be as close [to 'the real James Brown'] as we'll ever get."—David Hajdu, *The Nation* "A feat of intrepid journalistic fortitude."—USA Today "[McBride is] the biographer of James Brown we've all been waiting for. . . . McBride's true subject is race and poverty in a country that doesn't want to hear about it, unless compelled by a voice that demands to be heard."—Boris Kachka, *New York* "Illuminating . . . engaging."—The Washington Post "A gorgeously written piece of reportage that gives us glimpses of Brown's genius and contradictions."—O: The Oprah Magazine
Simon and Schuster
Has your self-help become self-criticism? A wise and often hilarious exploration of

the conflicts between spiritual aspiration and the compulsion to improve, from Oprah Super Soul 100 member, Danielle LaPorte. Like a wise girlfriend you can totally relate to, Danielle cheerleads you to own your wisdom and self-worth by having a good laugh (and maybe a good cry) at the ways you've been trying to improve on your self-improvement. Rooted in compassion, feminism, and spiritual activism *White Hot Truth* is an intimate and (hilariously) relatable account of self-help tales gone wrong, and very right. If you love Brene Brown and Liz Gilbert's authenticity, and Marianne Williamson's strong spirit, you'll adore how Danielle lays bare "Boundaries for spiritual people"; the "Discipleshit" that happens when we give our power away; a "Soul-perspective" on suffering; "over tolerance" and "foolish compassion" in relationships, sneaky self-loathing; spiritual glamour. And in her poetic and brazen way, she brings it home with the hottest truth of all: You are your own guru.

Breath of the Absolute New World Library

It was born a scant ninety-five years ago in a rundown warehouse on Azusa Street in Los Angeles. For days the religious-revival service there went on and on and within a week the Los Angeles Times was reporting on a "weird babble" coming from the building. Believers were "speaking in tongues," the way they did at the first Pentecost recorded in the Bible? and a pentecostal movement was

created that would, by the start of the twenty-first century, attract over 400 million followers worldwide. Harvey Cox has traveled the globe to visit and worship with pentecostal congregations on four continents, and he has written a dynamic, provocative history of this explosion of spirituality? a movement that represents no less than a tidal change in what religion is and what it means to people.

Writing on Water White Fire THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.
