"Are you nervous?" Olivia inquired. "It sounds like you are nervous." "Yes," Aaron admitted.

"Hmmm," she purred, pleased with his reaction."Spread your legs a bit farther apart." She pressed the tip of the riding crop against his inner thigh and held it there."Are you nervous now?"He swallowed hard. "Y-yes," he stammered. She laughed, and with a satisfied smile on her face, she slid the riding crop slowly upward. "Now. I believe that I told you that I was going to whip you. Do you recall that?" "Yes, I do." "Right. I assume that when you thought about it, you pictured it in your mind. You imagined it." "Yes, I did." "And so for the past couple of days it has been in your mind." "Yes," he replied, his fear becoming more apparent with every passing moment."And when you were getting ready this evening, to come here? When you were taking a shower, shaving, strapping the harness on, getting dressed, you were thinking about it, weren't you? You were anticipating it." "Yes," he replied."Good. I find anticipation to be quite ... delicious. And I so love the thought of you making yourself as attractive as possible, and coming here just so that you might present yourself to me to be whipped.Olivia is going to enjoy having her way with Aaron, a man who wandered into her life, unsuspecting, and unprepared. She begins by giving him a cute nickname, "dickboy," which is just the start of her process of re-making his entire identity. By the time she is done, he will fully appreciate her authority to do with him as she pleases.

This is a bundle of no less than SIX previously-released stories. They are the first six episodes in the on-going "Femdom Future" series. 1. Rigorous Retraining In a near-future femdom world, being

unemployed and male is a crime, punishable by retraining in special centres staffed by cruel sadistic females. Prime Minister Tessa March is a no-nonsense disciplinarian who has decided that what the country needs is good old-fashioned discipline. Rigorous retraining for anti-social sexists! 2. More Rigorous Retraining In a near-future femdom UK, ruled by Prime Minister Tessa March, a no-nonsense disciplinarian, it has been decided that what the country needs is good old-fashioned discipline. Rigorous retraining for anti-social sexists! Being unemployed and male is now a crime, punishable by retraining in special centres staffed by cruel sadistic females. As time passed, the regime of the camps has become more rigorous. Trainees have become slaves in all but name, and their names replaced by numbers... 3. The Auction The changes wrought by Tessa March's all-female administration have transformed the country. The majority of men have now passed through rigorous retraining; and many of them have entered into servitude as punishment for criminal behaviour! Their names replaced by code-numbers, subject to stern discipline, kept naked and in chastity, modern life is no bed of roses for the male sex! 4. National Domestic Service Although up in London nude males are already bought and sold and serve as slaves in all sorts of ways, including in public as beasts of burden pulling buggies for ladies, the rest of the country is not quite so advanced. Originally male servitude was intended only for criminals and work-shy layabouts; but the demand for male 'servants' (as they are still euphemistically called) has so exceeded the supply that the government has introduced "National Domestic Service". Now, youths of eighteen must do a full year of in service to a householder — that is to say, a woman aged twenty-five or over. Of course, there are strict rules to prevent abuse; but where there's a will, there's a way, as many a hapless youth has already discovered! And now a 'new boy' is going to make that discovery for himself... 5. Punishment Prison This is a look into the future. A future when women have become fully liberated and universally recognised as the Superior Sex. A future where Women command and men obey. It is a Femdom Future. In this, the fifth installment of Miranda Birch's "Femdom Future" series, we see what awaits those recalcitrant males who refuse to submit and obey. In Punishment Prison, they will be broken: it is only a question of time. And meanwhile, the female Overseers are free to indulge their most sadistic whims, their most perverted fantasies... 6. Abuse of Power This is a look into the future. A future when women have become fully liberated and universally recognised as the Superior Sex. A future where women command and men obey. It is a Femdom Future. In "Punishment Prison", we were introduced to the severe regime of Marston House. And how all males sent here are broken by cruel, sadistic females. In this, the sixth installment of the "Femdom Future" series, we see what special treatments are meted out to those inmates unlucky enough to attract the attention of authority. The female overseers have complete control of hem, and are free to indulge their most sadistic whims, their most perverted fantasies...

Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

Winner of the Los Angeles Times Book Prize in History A bold and searing investigation into the role of white women in the American slave economy "Compelling."—Renee Graham, Boston Globe "Stunning."—Rebecca Onion, Slate "Makes a vital contribution to our understanding of our past and present."—Parul Sehgal, New York Times Bridging women's history, the history of the South, and African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South's slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.

## FEMDOM DATING

Miranda Birch

In this introduction to a different, more daring love style, ex-mistress Claudia Varrin celebrates the delightful and unexpected romance and sensuality of D&S (dominance and submission) and offers suggestions on how to add this delicious spice to a bland sexual relationship. From its light-hearted "party games" to its detailed anatomy lesson (imperative for anyone who plans to wield a whip), The Art of Sensual Female Dominance explores many D&S practices in a direct but sensitive way. Varrin communicates how these practices not only are sexually fulfilling but also can bring couples closer emotionally and spiritually. The book suggests ways in which a woman can introduce D&S into a

relationship, gives advice on how to set up one's first D&S scene, and explores the emotions each partner experiences before, during, and after "playtime." There is instruction on the specifics of bondage, foot worship, and discipline, to name just a few of the fabulous fetish and fantasy chapters. Leather one night, lace the next, D&S can provide the techniques and confidence to turn you into a different woman every night, the possibilities limited only by your imagination.
