**Michael's Eulogy** Saltyard Books

"A beautifully written, page-turning novel packed with emotion." - #1 New York Times bestselling author Barbara Freethy Zoe Rutherford wasn't sure what she was expecting when she returned to Sullivan's Island. The house on Sullivan's hadn't represented home to her in decades. It was the place where she endured her father's cruelty. It was the place where her mother closed herself off from the world. It was the place where her sister disappeared. But now that her parents are gone, Zoe needs to return to the house, to close it down and prepare it for sale. She intends to get this done as quickly as possible and get on with her life, even though that life seems clouded by her past, both distant and recent. But what she discovers when she gets there is far beyond her imagining and will change her in profound ways. THE GIRL WHO STAYED is a remarkable exploration of the soul by a writer with a rare talent for reaching into the hearts of her characters and her readers, a novel of transformation that will leave you moved and breathless. "THE GIRL WHO STAYED is a deeply moving story. I am fascinated by the concept and by Tanya Crosby's stunning storytelling." - Stella Cameron, New York Times bestselling author "THE GIRL WHO STAYED defies type. Crosby's tale is honest and sensitive, eerie and tragic. It's a homecoming tale of a past ever with us and irrevocably lost forever. A haunting vision of that chasm between life and death we call 'missing.'" - Pamela Morsi, bestselling author of SIMPLE JESS "An intense, mesmerizing Southern drama about a young woman who returns to her coastal home to put to rest the haunting ghost of her sister's tragic past. Told in the rich, lyrical style of Siddons and Conroy, THE GIRL WHO STAYED is a woman's story of discovery and acceptance, redefined by Tanya Anne Crosby's dramatic storytelling, sharp characters, and well-defined plot. A must read for any woman who believes she can never go back home. Fabulous, rich and evocative!" - New York Times bestselling author Jill Barnett "Crosby tugs heartstrings in a spellbinding story of a woman trying to move beyond her past." - New York Times bestselling author Susan Andersen

ELLEgirl, the international style bible for girls who dare to be different, is published by Hachette Filipacchi Media U.S., Inc., and is accessible on the web at [ellegirl.elle.com/](http://ellegirl.elle.com/). ELLEgirl provides young women with insider information on fashion, beauty, service and pop culture in a voice that, while maintaining authority on the subject, includes and amuses them.

*The Test* Yearling

#1 International bestselling author, Cathy Kelly, returns with a heartwarming novel Meet the women of Delaney Gardens, a bustling suburban village in the outer reaches of Dublin. There's Cassie, who's spent her married life doing everything right for her children, husband, and mother-in-law, yet feels so exhausted that "wine o'clock" comes a little earlier each afternoon. There's her sister Coco, who runs a vintage dress shop, but has avoided the complications of romantic commitment. Watching over them is their grandmother Pearl, who, despite caring deeply for her family, is contending with a long-buried secret. And then there's Elsa, the polished face of daytime TV, who's triumphed over demons before, but is now facing her toughest battle yet. At every crossroad these women face, readers are taken deeper into the heart of what it means to be a family.

### ONE GIRL LEADER'S GUIDE

University of Toronto Press

The true story of a man, a company, a sport, and a nation. In 1921, Converse hired 20-year-old Chuck Taylor as a salesman, sparking a nearly 50-year career that defined the Converse All Star basketball shoe. Although his name is on the label of the legendary All Stars, which have been worn by hundreds of millions, little is known about the man behind the name. For this biography, Abe Aamidor went on a three-year quest to learn the true story of Chuck Taylor. The search took him across the country, tracking down leads, separating fact from fiction, and discovering that the truth—warts

and all—was much more interesting than the myth. Chuck Taylor was a basketball player who also served as a wartime coach with the US Army Air Forces and organized thousands of high school and college basketball clinics. He was a true “ambassador of basketball” in Europe and South America as well as all over the United States. And he was, to be sure, a consummate marketing genius who was inducted into the Sporting Goods Hall of Fame and the Naismith Memorial Basketball Hall of Fame. “A fascinating study on a pioneer . . . and an instructive look at the roots of a billion-dollar industry.” —*American Way* magazine

**A Mother’s Memoir of Runaway Daughters and Reclaimed Love** Indiana University Press

In this highly readable book, Linda Duits investigates girl culture in the Dutch multicultural society. Her ethnographic account provides a thick description of life at school, still the most prominent setting for today’s youth. She followed young girls of diverse ethnic backgrounds in their transition from primary to secondary school, focusing on the ways they use the body, clothing and media in their “performance” of identity. Countering several media hypes, including the internet generation, the headscarf debate and the sexualisation of society, Duits shows how contemporary girl culture is a mundane culture that is reflexively negotiated in an everyday setting.

### **AN ETHNOGRAPHY OF DOING IDENTITY**

Simon and Schuster

Editorial Reviews “Fresh, fun, and unbelievably hot, Audrey Carlan’s *Calendar Girl* series will have you falling in love over and over again and craving the next installment.” –Meredith Wild, #1 NYT Bestselling Author “Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia’s journey.” –Katy Evans, NYT Bestselling Author “A sexy, fast-paced, and downright addictive read. I devoured every word of Mia’s journey.” –Meghan March, USA Today Bestselling Author “This was a KILLER start to Ms. Carlan’s monthly series!” –Give Me Books “Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books. –Hooks & Books Blog “This story was exciting, quick; but well paced and full of loveable characters. I haven’t met a character in this series that I haven’t liked yet!” –Nice and Nau Synopsis Mia Saunders’ journey continues in the third wicked hot anthology of the *Calendar Girl* Series! In the next three months, Mia heads to Miami, Texas, and her hometown, Las Vegas. In July, she serves as the seductress in a music video to platinum selling hip hop artist Anton Santiago. Still dealing with the trauma from June, our girl opens her heart and finds that taking risks in life and love could give her all that she ever needed and more. In August, Mia heads to Texas to put on her acting hat and pretend to be the long lost sister of oil tycoon and big business man Maxwell Cunningham. The job should have been a snap, only secrets are revealed from her past that change everything she knew to be true. In September, Mia dashes home to sin city where the world around her seems to implode. The people she loves are fighting battles she isn’t prepared for, but desperate to solve before she loses it all.

He is shy. Unassuming. Inexperienced. She is Subway Girl. Cool. Unattainable. From the moment he sees her on a Hong Kong subway, Simon is intrigued by Amy, but he doesn’t have the nerve to talk to her. When he finally works up the courage, he realizes he can’t. Because Amy doesn’t speak Chinese, and Simon is failing English. But somehow, Amy and Simon connect, and they find that they understand each other. Enough for Simon to admit that he is dropping out of school. Enough for Amy to confess that she is pregnant with her ex-boyfriend’s baby. Amy and Simon feel lost in a world so much bigger than they are, and yet they still have each other. In this brilliant debut by P. J. Converse, two unlikely teenagers discover that love has a language all its own.

**En Brogue: Love Fashion. Love Shoes. Hate Heels** Robinson

‘Absolutely brilliant. By far one of the best books of this year.’ Goodreads Reviewer Four months ago, Rebecca Pendle’s husband disappeared. So did 14-year-old Kayleigh Jackson. Just a coincidence? Rebecca wants to believe so... But as the police start to draw parallels between Chris and Kayleigh, it’s getting harder for her to trust his innocence. Faced with an angry town that believes Chris has abducted the teenager, Rebecca tries to discover the truth. But what she finds shocks her more than she ever thought. How well does she really know the man she loves? A completely gripping, suspenseful thriller, with a shocking twist. Fans of Louise Jensen, K.L Slater and *The Girl on the Train* will be hooked until the very last page. Read what everyone is saying about *Reported Missing*: ‘A chilling, page-turning thriller that will have you racing through the pages until the shocking end.’ Goodreads reviewer, 5 stars ‘A book that had me on tenterhooks. Packed with tension and twists, this is an amazing, unputdownable page turner. Loved it.’ Renita D’Silva, 5 stars ‘A super tense ride... a really well written and thought-provoking story.’ Novel Deelights ‘A well written thriller with some intense danger moments.’ Nicki’s Life of Crime ‘A fascinating debut novel.’ Book Garden ‘Excellent writing and a real page turner. Loved the story and the twists and turns and never expected the ending.’ Consumer reviewer

### **ELLE GIRL**

Simon and Schuster

Told from the perspective of three seemingly unconnected teenagers, *Called Upon* steers the adolescent reader through a series of twists and turns that merge together with jaw-dropping results. Kaitlin, the social pariah of her high school, is so relieved to have made friends at Camp Overlook that she is willing to look past the camp’s anomalies: creepy counselors, 24-hour video surveillance, and campers disappearing quietly into the night. Dr. Forsythe, the mastermind behind the Overlook experiment, explains that Kaitlin has a genetic gift—one which laid dormant until her stay at summer camp. Having never considered herself normal, let alone special, Kaitlin is dazzled to have an ability with world-changing implications. After a terrifying warning from Dr. Forsythe’s embittered son and then discovering a dead body in the doctor’s walk-in freezer, Kaitlin must decide whether to embrace her new gift and follow Dr. Forsythe or use her gift to defeat the very system from which it was created. By the end, readers come away from *Called Upon* feeling surprised and exhilarated, they will also, like Kaitlin, leave with a new understanding of their own intrinsic worth and limitless potential.

Hi my name is Anna Maria Iagulli. I am nineyears old. My favorite color is blue. My birthday isDecember 20th. I have braces, brown hair andbrown eyes. I have a brother named Luigi. I love nail polish and Converse shoes. I like to spend a lot of time with my family and friends. My favorite sport is soccer. I love chocolate. My favorite thing to eat is Sushi.

**American Physical Education Review** Black Inc.

‘The art of the story is mostly about the journey, and the economy of means with which the writers here carry us a great distance is at times breathtaking.’ – Amanda Lohrey In *The Best Australian Stories 2014*, Patrick White Award-winning author Amanda Lohrey selects the outstanding short fiction of the year. Sometimes fantastical, sometimes raw, and always a ‘shot of adrenaline to the mind and heart’, this collection features exciting new voices alongside the established and admired. The edges of reality blur in a corporate lawyer’s tale of working in a 1200-storey glass tower. A prized coffee table becomes the focus of a father’s anxieties and frustrations. Tense and fractured lines of communication shape the life of an interpreter on Christmas Island. Imaginative, remarkable, intimate – this unmissable anthology celebrates the art of consummate storytelling. **Between Sisters, Secrets of a Happy Marriage and The Family Gift** Dog Ear Publishing

She’s All That meets What If It’s Us in this swoon-worthy hate-to-love YA romantic comedy from #1 New York Times bestselling coauthor of *Five Feet Apart* Rachael Lippincott and debut writer Alyson Derrick. Alex Blackwood is a little bit headstrong, with a dash of chaos and a whole lot of flirt. She knows how to get the girl. Keeping her on the other hand...not so much. Molly Parker has everything in her life totally in control, except for her complete awkwardness with just about anyone besides her mom. She knows she’s in love with the impossibly cool Cora Myers. She just...hasn’t actually talked to her yet. Alex and Molly don’t belong on the same planet, let alone the same college campus. But when Alex, fresh off a bad (but hopefully not permanent) breakup, discovers Molly’s hidden crush as their paths cross the night before classes start, they realize they might have a common interest after all. Because maybe if Alex volunteers to help Molly learn how to get her dream girl to fall for her, she can prove to her ex that she’s not a selfish flirt. That she’s ready for an actual commitment. And while Alex is the last person Molly would ever think she could trust, she can’t deny Alex knows what she’s doing with girls, unlike her. As the two embark on their five-step plans to get their girls to fall for them, though, they both begin to wonder if maybe they’re the ones falling...for each other.

**Boot and Shoe Recorder** Canadian Scholars Press

An “achingly beautiful” memoir about a mother’s mission to rescue her two teenage daughters from the streets and bring them back home (Kirkus Reviews, starred review). After a miserably failed marriage, Debra Gwartney moves with her four young daughters to Eugene, Oregon, for a new job and what she hopes will be a new life for herself and her family. But the two oldest, fourteen-year-old Amanda and thirteen-year-old Stephanie, blame their mother for what happened, and one day the two run off together—to the streets of their own city, then San Francisco, then nowhere to be found. The harrowing subculture of the American runaway, with its random violence, its dangerous street drugs, and its patchwork of hidden shelters, is captured with brilliant intensity in *Live Through This* as this panicked mother sets out to find her girls—examining her own mistakes and hoping against hope to bring them home and become a family again, united by forgiveness and love. “For all the raw power of this true story and the fearless honesty of the voice telling it, what sticks out for me is the literary craft that shapes every sentence. Debra Gwartney has seen clear to the bottom of her experience, purged it of self-righteousness, and emerged with a stunningly humane and humbled awareness of life’s troubles” —Phillip Lopate

**A Turn of the Paige** Oliver-Heber books

Dom Joly sets off round the world, but this time he's not looking to holiday in a danger zone - he's monster hunting. Ever since he was given a copy of Arthur C. Clarke's *Mysterious World* for his ninth birthday Dom has been obsessed with the world of cryptozoology - monster hunting - and in *Scary Monsters and Super Creeps* he heads to six completely different destinations to investigate local monster sightings. He explores the Redwood Curtain in northern California in search of Sasquatch; in Canada he visits Lake Okanagan hoping to catch a glimpse of a thirty-foot snake-like creature called Ogotopog; and near Lake Tele in Congo he risks his life tracking the vegetarian sauropod Mokele-mbembe. Naturally he heads to Loch Ness - but for this hunt he has his family in tow; he treks across the Khumbu Valley in Nepal looking for Yeti; and in the hills above Hiroshima in Japan he enlists the help of a local man to find the Hibagon, a terribly smelly 'caveman ape'. Are the monsters all the product of fevered minds, or is there a sliver of truth somewhere in the madness? Either way, the search gives Dom an excuse to dive into six fascinating destinations on a gloriously nutty adventure. In typically hilarious and irreverent fashion, Dom explores the cultures that gave rise to these monster myths and ends up in some pretty hairy situations with people even stranger than the monsters they are hunting.

*A Child Actor Stops Pretending and Finally Grows Up* Beaufort Books

Hello, my name is Luke. Honestly, I never thought of writing a book. At school I wasn’t a nerd and some Italian was not my favorite subject. At that time I had many other things on my mind, as I think a bit ‘all the boys and girls attending high school. However, over time I’ve heard instilled in me the need to express what was inside. The result is a book that I think is original in its kind. The initial question (“How would the relationship between guys and girls change if there were no sex?”) is a provocation to which I have tried to answer through the story told below. What happens to the protagonist Luke and his friends is far from obvious, as you have the opportunity to read. I wrote this book because I want the experiences narrated in the story can actually materialize in my life. In the end it would be nice if you could put on paper what you want and after a short time, get it? Not satisfied with their relational situation with girls, the guys form a high school lead by Luke decide to start an audacious Test inside their high school in order to answer the question: “If there was now sex, how would the relationship between guys and girls change?” For the entire period of 30 days, all guys from the high school will radically change their attitude creating the craziest experiment ever seen before in a high school! Trough difficulties, pleasure, fun moments and personal growth, Luke and his friends will finally discover the taste of payback. Started as a pure provocation and action of bravery, the Test pushes the guys to face their own fears and their deep desires, making them realize that their real potential lies inside themselves, waiting to boom. The process becomes a source of pure inspiration and pleasure, offering new life to the main character Luke and to his

fellows after having their lives consciously in their hands. Teens of the guys is not only superficial but also a journey heading to a new self consciousness and new way of life where the word limit becomes senseless. At this point girls become an inspiration for Luke to fuel his personal change which he needed for so long. Each day turns out as a rich search of breath-taking adventures before it's too late and regret prevails. The end will be another shocking starting point that will challenge the main character Luke over again. For more info visit: [www.LucaGrisendiArt.com](http://www.LucaGrisendiArt.com)

[Death of the Mad Hatter](#) iUniverse

A psychological analysis of young female aggression notes the pervasiveness of negative women stereotypes in fairy tales and pop culture, examining the ways in which society reinforces and nurtures mean behavior in girls through misogynistic practices, the establishment of unrealistic expectations, and the oppression of emotional expression. Reprint.

**Adolescent Magazines and Their Readers** Orion

I'm the selfish one. I suppose that's the nicest thing people say about me. I've heard the other things, too. "Paige Owens is a pretty girl with nothing else to offer. She's just a good time at a party. She's stupid, heartless, cold and useless. All she cares about is getting a guy to look at her. Why would anyone want to be her friend?" Some of those things are true. Others were true. They're all hurtful. None of it matters. I'm ready to make the hard

choices. I'm ready to face the consequences. I'm ready to be the girl I was before, and I'm done being the one who lost her way. I'm ready to become the girl Houston Orr sees when he looks at me. Houston isn't a star athlete. He doesn't play in a band. He's never going to be president, and his life is so far away from simple and easy it isn't even funny. He wasn't part of my plan. But I'm starting to think plans are overrated, and maybe our stories are what we make them. And mine depends entirely on me, and the choices I make...starting now. Houston is my fairytale. He's perfectly imperfect. He's poetry and life. He's truth and heartbreak, all rolled up in a tall body with dark hair, broad shoulders and green eyes that lull me into submission. He's nothing I ever thought I wanted, but the very thing I need. He's the only guy I've ever really loved, and he thinks I'm a princess. I fell into him, and now I'm holding on. But sometimes life takes away our ability to choose. Sometimes...things aren't in your control. Sometimes, it hurts to be selfless. My only hope is that when it comes time to choose, I get it right. Welcome to my once upon a time and wish for happily ever after.

*The Girl I Was Before* Harper Collins

Jace has it all—money, cars and status. What he doesn't have is a happy home life. Forced to protect his brother from an abusive father and a neglectful mother, Jace lives a double life on the wrong side of the tracks, learning to box and trying to survive on his own merits while plotting to expose his father as the monster he is. Working reluctantly with two girls who have their own thoughts of vengeance, Jace finds that he is not as alone as he thought and that there are people he can trust. Part of RETRIBUTION—a high-interest trilogy that can be read in any order.
