resources than ever before.

AMERICAN ENGLISH FILE

Oxford University

The Headway series and its award-winning authors, Liz and John Soars, have helped around 100

million students in over 127 countries learn English. Teachers around the world have told us that

Headway helps students succeed in and beyond the classroom. Read their stories at

www.oup.com/elt/provensuccess. AmericanHeadway third edition supports students to succeed

beyond the classroom more than ever before.Students can:Accelerate their progress in speaking

and prepare for high-stake tests with moreconversation.Manage their own learning with new digital

resources.The Oxford Online Skills Program allows students to improve their reading, writing,

listening and speaking skills independently. iChecker Online Self-Assessment prepares students for

exam success with a variety of exam-style testpreparation exercises.American Headway also supports teachers to prepare successful lessons. In our American Headway global teacher survey (Oxford University Press, 2014), 89% of teachers reported that they are more creative and willing to try new activities after using American Headway. 71% saidthey are more passionate in their teaching.With the third edition, teachers can now:Download 100% new assessment material from the Testing Program.Bring the Student Book, Workbook, and all media together in one place and create a dynamic classroom environment with iTools classroom presentation software.

perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning

resources than ever before.

American Headway 3 Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist

comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice!

There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a

workplace-advice columnist have taught her that people avoid awkward conversations in the office

because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful

book, she tackles the tough discussions you may need to have during your career. You'll learn

what to say when • coworkers push their work on you—then take credit for it • you accidentally

trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being

managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your

cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils

down to the idea that you should be professional (even when others are not) and that

communicating in a straightforward manner with candor and kindness will get you far, no matter

where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a

pleasure to read, and her advice can be widely applied to relationships in all areas of readers'

lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve

their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a

Manager column. This book is even better. It teaches us how to deal with many of the most vexing

big and little problems in our workplaces—and to do so with grace, confidence, and a sense of

humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole

Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in

a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your

Financial Life Together

Oxford University

The 2nd edition of Oxford Discover builds on its tried and tested methodology, developing 21st Century Skills in critical thinking, communication, collaboration and creativity to prepare students for future success at primary school and beyond. How are seasons different? Which animals live in the wild? Who makes you happy? Oxford Discover uses "Big Questions" like these to tap into children's natural curiosity and enable them to ask their own questions, find their own answers, and explore the world around them. The course is underpinned by four major 21st Century Skills: critical thinking, communication, collaboration, and creativity ensuring Oxford Discover lays the foundations for success in the 21st Century. Use with Show and Tell 2nd edition to teach an inquiry-

based course from Kindergarten through Primary.

OUP Oxford

A foundation course in basic American English for absolute beginners.

Your Brain on Porn Oxford University Press, USA

The course that gets students talking.

New Headway Advanced Student's Book OXFORD

Building on the Headway Advanced grammar syllabus, this book focuses on features of spoken language and develops learners' language awareness. It also includes a study of lexis, with a focus on synonyms, collocation, and idiom. It contains listening material from a range of sources that exposes students to a variety of language.
