*The Life of Jane de St. Remy de Valois, Heretofore Countess de La Motte ...* Springer Science & Business Media Both books in the Remy and Lane series for one low price! Contains the stories: Just the Three of Us: Remy McIntosh Remy is looking forward to a holiday vacation at a secluded cabin with his lover, Lane Anders. He's planned the perfect getaway for just the two of them. But when his ex-wife changes her Christmas plans at the last minute, he has to bring along his 8 year old son, Braeden, too. Braeden doesn't know Lane, or even that his father is gay. What will happen to the romantic holiday Remy planned for so long? Hawaiian Wedding: Remy and Lane are back to plan their Christmas wedding! Because their state doesn't allow same-sex marriage, they travel to Hawaii to plan the perfect wedding. But things go wrong from the start. Remy doesn't know whether to laugh at his troubles or cry with frustration. Will they get to say "I do" on an island beach, or should they elope? *Ava & Remy's Nantucket Birthday Adventure* CreateSpace The couple you fell in love with is back and their love for one another is being put to the ultimate test. The loss of Remy Jr. has taken a toll on Remy and Rose`. To the point where they're questioning if it's worth the fight, but they have a love that's too strong for that. A shocking revelation will bring the couple back to that familiar, happy place. They will become a strong united front. Waging war against the person who brought harm and heartache to their family. In this installment of the series, Rose` is stronger than ever before and she's going hard to prove that she is worthy of Remy's love and shows no more weakness. Remy goes above and beyond to assure Rose` that with her is where he wants to be and it's them against the world. Taking on their enemies may prove to be too much for the couple. They will have to ride together and possibly die together. *Real* Simon and Schuster Have you ever wondered exactly who are Cajuns and what is a 24-Carat Cajun? My Cousin Remy by Gary A. Theriot will give the reader insight into the life, trials and tribulations of an outrageous

contemporary Louisiana 24-Carat Cajun. The book is a fictional biography created by Theriot over the last 25 years in response to questions about his Cajun origins by colleagues and friends during his career in the Northeast. Quite often a tale or two about Remy were opening comments by Gary when presenting to colleagues and friends in staff meetings, sales conferences or social gatherings. After much encouragement Theriot began writing about the life and times of his fictional cousin Remy Joseph Theriot. My Cousin Remy takes the reader through Gary and Remy's youthful adventures, high school, and college years. After college the author's focus is entirely on Remy. Gary follows Remy's Army career and return to his hometown Arnaudville, Louisiana. After returning to his roots, Remy's life gets complicated and he has to deal with starting a farming operation, his eventual marriage to the most beautiful woman in South Louisiana, and life's up and downs. My Cousin Remy promises to make the reader laugh and perhaps shed a few tears as Remy's life takes many unexpected turns. As outrageous as this Cajun's life is, Remy understands life is not always fair.... Its lopsided!

**Remy Sneakers and the Lost Treasure** Remy

New York Times bestselling author Katy Evans expands upon the intense love story begun in *Real and Mine*—this time from Remington “Riptide” Tate’s point of view. Underground fighter Remington Tate is a mystery, even to himself. His mind is dark and light, complex and enlightening. At times his actions and moods are carefully measured, and at others, they spin out of control. Through it all, there’s been one constant: wanting, needing, loving, and protecting Brooke Dumas. This is his story; from the first moment he laid eyes on her and knew, without a doubt, she would be the realest thing he’s ever had to fight for.

**Remy And Aurora** Penguin

Never forget / to connect the dots / This book is an attempt to connect a couple. In?Begin by Telling, experimental pop sensation and Polaris nominee Meg Remy spins a web out from her body to myriad corners of American hyper-culture. Through illustrated lyric essays depicting memories from early childhood to present day, Remy paints a stark portrait of a spectacle-driven country. These memories are visceral. As though channel surfing, we catch glimpses of Desert Storm, the Oklahoma City Bombing, random street violence, the petrochemical industry, small town Deadheads, a toilet with uterus lining in it, the county STD clinic, and missionaries at the front

door. Each is shared through language of the body; the sensation of experiencing many of the defining events and moments of a country. These threads nimbly interweave with probing quotes and statistics, demonstrating the importance of personal storytelling, radical empathy and the necessity of both systemic and self-study. Immersive and utterly compelling, ?Begin by Telling?is an artifact of our time; a fascinating perspective on American culture. - Meg Remy

**REMY ELEPHANT SEES THE WORLD, A MAGICAL JOURNEY THE HEART BEHOLDS**

Hunter Publishing, Inc

"Remy Elephant Sees the World, A Magical Journey the Heart Beholds" follows the adventures of a witty baby elephant. With a big heart, sheer determination and a little magic Remy realizes her dream. Cultures - Marathi Hindus, Tuareg, Pan God and Greek Mythology, Arcadian shepherds, Pyramids, Kailash Temple.

**A Hood Love Story** JMS Books LLC

Between 1996 and 2000 the renowned architects Herzog & de Meuron built a new research centre together with a library, auditorium and cafeteria for the pharmaceutical company Roche in Basle. Situated on the outskirts of the town on the edge of the industrial area, the building was to include a closed section for laboratories yet should also be publicly accessible: the ideal starting point for an interdisciplinary solution. Artist Rémy Zaugg worked together with the architects developing the colours used. In particular he created a dramatic blue wall which separates public and restricted areas. This publication documents the entire project from its genesis to the completed construction, using texts, sketches, plans and photographs. More than a mere monograph, this book provides a fascinating glimpse into the creative collaboration occurring between architects

and artists.

*Book 15 of the Maggie Newberry Mysteries* Gizmo Media

COLOR VERSION. She's worked for two of Brazil's former presidents; powerful politicians of the 1950s and 60's and some of the most prominent families of that era. RemySimon and Schuster

*Corey and Remy Eat Their Broccoli* Elena Tudor

Ian Sullivan is being chased by a mobster and has to come up with \$5,000 he doesn't have. His only hope is an estimate for a large house. Little does he know that the house belongs to a loup garou who just happens to be his mate. Ian's father and brother died because his brother gambled and owed money to a mobster. Now Sal Ferrara want to collect from him and, if he doesn't, he'll take Ian as his boy toy instead. Ian's only hope is getting a job from an estimate his father had outstanding for an 7,800 sq. ft. house. Little does Ian know that the house belongs to a Remy Clavier, a loup garou who meets Ian and knows he's found his mate. Now all Remy has to do is take care of Sal Ferrara and convince Ian, a human, to accept both him and his wolf.

## RMY ZAUGG

Penguin

Remy Chandler ?is a character I can't wait to see again.?( Christopher Golden, bestselling author of The Lost Ones) Still mourning the loss of his wife, fallen angel Remy Chandler has immersed himself in investigating dangerous supernatural cases. His latest: the theft of a cache of ancient weaponry stolen from a collector who deals in antiquities of a dark and dubious nature. The weapons, Remy knows, were forged eons ago and imbued with unimaginable power. And if they fall into the wrong hands, they could be used to destroy not only Heaven but also Earth.

*Remy* Disney Electronic Content

New York Times bestselling author Katy Evans expands upon the intense love story begun in Real and Mine—this time from Remington “Riptide” Tate’s point of view. Underground fighter Remington Tate is a mystery, even to himself. His mind is dark and light, complex and enlightening. At times his actions and moods are carefully measured, and at others, they spin out of control. Through it all, there’s been one constant: wanting, needing, loving, and protecting Brooke Dumas. This is his story; from the first moment he laid eyes on her and knew, without a doubt, she would be the realest thing he’s ever had to fight for.

## RUN, REMY, RUN!

Simon and Schuster

Once he was known as the angel Remiel, but generations ago Boston PI Remy Chandler chose to renounce Heaven and live on Earth, where he found a secure place among us ordinary humans... As an Angel, Remy Chandler possesses powers and skills he puts to good use in his chosen profession—but only if the situation calls for it. And the sudden reappearance of the Garden of Eden is definitely one such situation, since the seemingly benevolent Sons of Adam want him to find the Key to the Gates of Eden. But there are those who want the Gates to stay shut, for there is something terrible and dangerous buried in the Garden... Caught between two warring factions of immortals, Remy must decide how to proceed: find the Key, or not? Desperate for help, he turns to a very old acquaintance—a fallen angel who is sometimes friend, sometimes foe, and always deadly.

**Remy (BBW Bear Shifter Romance)** Simon and Schuster

UNESCO lists The Historic Center of Avignon as a World Heritage Site. The award recognizes the 13th- and 14th-century papal palaces and cathedrals massed inside Avignon''s remarkably intact 14th-century walls. But visitors have always loved Avignon. In fact, this small city, set above a lazy bend in the Rh ne, has attracted appreciation since the Stone Age. Maybe the first Neolithic

settlers chose the heights of The Rocher des Doms to be safely above the Rh ne''s fertile flood plain; we''re romantic enough to hope they also liked the view. Today, the Rocher des Doms is a scented formal garden overlooking the Pont St. B n zet, with extensive vistas of the surrounding country, reaching as far as the Alpilles, Mt. Ventoux and the Dentelles de Montmirail. This is a genuinely seductive place. And since many of its narrow, winding streets are for pedestrians only, it manages to be peaceful yet lively and entertaining at the same time. The hardest part of beginning a tour of Provence in Avignon is deciding when to leave. In a region saturated with Roman monuments and the echoes of Roman culture, N mes is the most Roman of cities. The well maintained state of its ancient monuments and public buildings is due to the fact that several of them have been in virtually continual use since Roman times. The Amphitheater, built by the Romans in about 40 or 50 BC, is still the main venue for all kinds of festivals and spectacles. The classical, colonnaded Maison Carr e, once a Roman temple, has been the town hall, a private home, a stable, a monastery, and a church before its current incarnation as a museum. For years, Ferne Arfin has been playing in Provence, a place where Van Gogh spent his most prolific years painting. She draws from her experience to tell you about the people, their culture and the way of life. Covering every town, village and city in the region, this book takes you sightseeing in Avignon, Nimes and beyond, shopping, to the best beaches. Comprehensive background information - history, culture, geography and climate - gives you a solid knowledge of each destination and its people, with details on the museums, historic sites and local attractions. Places to stay and eat; transportation to, from and around your destination; practical concerns; tourism contacts - it''s all here! Detailed regional and town maps feature walking and driving tours. This guide is extracted from our full Adventure Guide to Provence & the Cote d''Azur, though with additional details.

Following are some reviews of the complete guide: "The guide offers plenty of practical information for the visitor who wants to explore the region. It includes info on places to stay and eat, but that isn''t its strongest point. Its best features are the adventure tips it provides for each area (boating, biking, walking, kayaking, windsurfing, you name it!) and the pertinent background information that adds depth to a visit: for example, a note about French author Antoine de St Exup ry when covering Agay, a word on Winter on the Mont Ventoux. These fall outside of the classic insights on these locations. As a frequent and long-time visitor to the region, I find the information in the guide right on the mark and recommend it highly." -- Florence Chatzagianis. "I''ve just returned from a trip to Antibes and Nice and I used this book as my guide. The recommendations were spot on; really terrific. This is a rare thing, a guide book that inspires and tempts you without making your head spin. All the detail you need is there but this book is so much more!" -- Annie Smith. "What a great hands-on book. This is the best guide to Provence and the Riviera I''ve come across. Her section on St. Remy and Eygalieres is perfect. "Le Petit Bru" may have been the best meal I had...and a good value. This is the one to get before you leave." -- Chuck E. "Not being the type to jump off bridges or hang glide over the treetops, I was a little worried about "Adventure Guide" in the book title, but it turns out that this guidebook features just the kind of soft adventures I enjoy: hiking, touring and poking into the interesting recesses of a country, followed by an evening of good food and wine. The author''s biography says she''s been visiting Provence for 20 years and it shows in her writing, which includes all the little insider tips that you''d expect from someone with her experience. With the practical information I''ve found here, it may take me the next 20 years to enjoy everything this book brings to light." -- Betsy Malloy. "There are a lot of tour books for this region, but this new one is really fun. There is lots of information on "out of the way" places and interesting festivals, all sorts of things which you won''t find anywhere else. I love Provence, and this book will definitely come with me the next time I go. The information is presented clearly and is well written, so it''s easy to use. Lots of nice pictures, too. I like this guide a lot, and I hope to see more French guides from this writer." -- J. Kingan. "If you are interested in experiencing the gorgeous Cote D''Azur and Provence areas and not just enjoying the scenery from a tour bus or car, this is the book for you. Filled with tips on out-of-the-way places, great hikes and bike rides." -- L. Lotz

*Remy Velasquez Mystery* Simon and Schuster

Six year-old Zoe York has been taken and her mother has come to Remy for help. She shows him crude, childlike drawings that she claims are Zoe's visions of the future, everything leading up to her abduction, and some beyond. Like the picture of a man with wings who would come and save her-a man who is an angel. Zoe's preternatural gifts have made her a target for those who wish to

exploit her power to their own destructive ends. The search will take Remy to dark places he would rather avoid. But to save an innocent, Remy will ally himself with a variety of lesser evils-and his soul may pay the price...

**Max Remy Superspy 4: The Hollywood Mission** Annabeth Penelope Gambrell

When Corey and Remy come inside to eat, they're excited to hear what's for dinner. But their mom doesn't tell them everything. They soon make a thrilling discovery forcing the siblings to take every last bite.

## MY COUSIN REMY

Henry Holt and Company BYR Paperbacks

Could this be Max Remy's most dangerous Spyforce mission yet? Life's a drag for Max Remy. Her mum is getting married to her sop of a boyfriend, Aiden. Her dad wants Max to visit him in Hollywood, but she's not allowed to fly there on her own. And her arch-enemy, Toby Jennings, is acting strangely at school. A weekend at Mindawarra with her friend Linden soon cheers her up, especially when she discovers that Ben, Eleanor and Francis have finished their improvements to the Time and Space Machine and are taking it to America. Now Max has someone to travel with! But Max soon discovers that Hollywood isn't all glitz and glamour. First Toby Jennings turns up unexpectedly to crash her holiday. Then Max can't seem to do anything right on the set of her father's latest blockbuster. And Spyforce uncovers a fiendish plot within the movie industry to program hidden secrets into Hollywood films bound for worldwide distribution. Can Max and Linden find Dr Biggus Fartie, the world-renowed encoding expert, before it's too late? Why does Max's father stop paying any attention to her? And what is the mysterious Raychik really up to in the editing suite? This may turn out to be Max Remy's most dangerous Spyforce mission yet ...

## REMY AND ROSE' 2

Penguin

Could this be Max Remy's most dangerous Spyforce mission yet? Hidden on a secret island deep within a medieval fortress, the Annual Spy Awards Night is about to begin. But when Mr Blue intercepts Spyforce intelligence and discovers the location of the top secret ceremony, he brings to life a dormant volcano that leaves Max and Linden only hours to save the spy agencies of the world from a terrible and explosive demise.

## REMY

Simon and Schuster

The world is coming to an end. That’s what Remy Delemme believes, anyways. While double-checking his lifelong to-do list to ensure he has led a rich life, he realizes he hasn’t come close to completing his goals. Panicked and short on time, Remy embarks on a chaotic road trip to complete the most important item on his bucket list – finding the answer to man’s greatest question. There’s just one problem. Detective Tobias Gray, the most respected criminal profiler in the Toronto Police Department, thinks Remy is a serial killer; and he’s not the only one who has come to that conclusion. Armed with a green crayon, smiley-faced stamp and a pack of cigarettes in a race against time, Remy carves a path of hilarious destruction, baffling and infuriating the police, his government and every other person he encounters.

## AN EROTIC FAIRY TALE

Susan Kiernan-Lewis

Murder with a meat cleaver. A mysterious mansion .Designer drugs made in Belize. A \$500,000 windfall. "Can you find my son?" Stella Henderson asks Remy Velasquez. "He's been missing three months." Remy Velasquez shrugs. He just wanted to have a few days off, maybe a few months, relaxing in this favorite watering hole, the Shoulder Bar, in Ft. Lauderdale. After all, Remy took early retirement in paradise to get away from...well, everything. Turns out Remy can't say no. He's pretty good, very good, too good for his own good, at finding missing people, mostly runaways. And people know it. Remy finds the missing son, but not before he discovers a drug dealer with a meat cleaver stuck in his chest. Did the son do it? Or is the murderer a runaway Remy once found, come back to Ft. Lauderdale? And what's going on at the mysterious mansion out in the swamplands? Along the way Remy helps the Scarlet Avenger get back some money from on0line scammers up in Daytona Beach, but Remy doesn't get to drive a car in the sand.
