Honey bees are among the most remarkable creatures on earth! They are regularly seen scouring the blossoms of flowers in the spring and summer months. And yet, ask most adults how honey bees produce honey and the answers will be as varied as the flowers. The fact is, each honey bee lives in a very structured and organized home, called a colony. There is nothing random about a beehive. Every bee has a specific assignment to further the work of the hive to produce the honey we all love. This story, with its award winning illustrations by internationally recognized Italian illustrator Yuribelle, takes the reader on a fascinating journey into the hive and explores the highly organized life of a honey bee. Readers from 1 to 100 will be amazed at the fun, and yet factual, illustrations. Additionally, each page provides simple yet entertaining and engaging insight into the life of the honey bee. Adult readers will find additional factual information on each page to provide further insight. Lizzie is the busiest, buzziest bee in Hivetown! David Shannon's vivid artwork and Lizzie's endearing efforts to "do it all" will make children laugh aloud at her frantic antics as she juggles school, multiple sports, dance, violin, and art. With charm and determination, she longs to impress the Queen by winning a spelling contest, but she studies to the point of exhaustion. When she dozes off in the middle of the competition, the only solution is rest -- and her refreshing visit to the local Garden finally teaches Lizzie to stop and smell the flowers, "which . . . is exactly what bees are supposed to do." Shannon's exuberant new book is funny and fresh, approaching the subject of over scheduled children (and adults) with breezy good humor and delivered with his signature fun and heart.

When LGBT+ loved ones come out, parents can experience shock. Fear and grief can disable their initial reaction. Emotions erupt. Hurtful words spill. Trust is damaged. Relationships become disconnected. Meanwhile, in the church, LGBT+ people often hear impossible hurdles and suspicion about their faith. One courageous disclosure can be met with a response that communicates, "I don't understand you" or "You are not welcome here." Guiding Families offers a relationally honoring, biblically sound path forward. It is being called "the single best resource" for parents and pastors when LGBT+ people come out. Author Bill Henson's heart for Guiding Families flows from over a decade of experience training church leaders and caring for LGBT+ people and their families. He is creator of Posture Shift, the leading training and consulting resource on LGBT+ inclusion and relational care in the conservative church.
