CAMRYN CHARLES

HarperCollins Australia

A new edition of what is commonly seen as the legendary Norwegian writer's masterpiece, this story tells the tale of Siss and Unn, two friends who have only spent one evening in each other's company. But so profound is this evening between them that when Unn inexplicably disappears, Siss's world is shattered. Siss's struggle with her fidelity to the memory of her friend and Unn's fatal exploration of the strange, terrifyingly beautiful frozen waterfall that is the Ice Palace are described in prose of a lyrical economy that ranks among the most memorable achievements of modern literature.

Dead Wind Weinstein Publishing

"Greenland: remote, mysterious, ice-covered rock, population 56,000, in the middle of the North Atlantic. Why do we care so much about it? Because locked within the the vast and frozen "white desert"--the nickname early explorers gave it--that covers eighty percent of the land are some of the most profound secrets of our planet--clues about where we've been, and where we might be headed. And now, with the ice sheet melting at an unprecedented rate, we are able, for the first time, to understand the story that lies within it, and what it can tell us about our future. In *The Ice at the End of the World*, Jon Gertner reconstructs in vivid, thrilling detail the heroic efforts of the scientists and explorers who have visited Greenland over the past 150 years--first on skis, then on sleds, and now, with planes and satellites, utilizing every technological tool available to uncover the secrets in the ice before it's too late. Much as he did with his depiction of solid-state engineers and laser scientists in his bestselling book *The Idea Factory*, Gertner chronicles the amazing advances, almost unfathomable hardships, technological leaps, and scientific achievements of Arctic researchers with a rich, transporting, deeply intelligent style that melds the compelling stories of a small cast of brilliant and eccentric individuals, with a keen, analytical eye toward what this work means for the rest of us"--

Things We Do in the Dark Orenda Books

This remarkable and acclaimed debut novel, by the Newbery-winning author of *When You Reach Me* and the new instant classic *The List of Things That Will Not Change*, introduces readers to a captivating, hidden world below the ice. Peter is thrilled to join his parents on an expedition to Greenland. But when they finally reach the ice cap, he struggles to understand a series of frightening yet enticing visions. Thea has never seen the sun. Her extraordinary people, suspected of witchcraft and nearly driven to extinction, have retreated to a secret world they've built deep inside the arctic ice. As Thea dreams of a path to Earth's surface, Peter's search for answers brings him ever closer to her hidden home in this dazzling tale of mystery, science, and adventure at the top of the world. "A mystic thriller." —*Entertainment Weekly* "Optimistic science fiction that highlights human ingenuity and survival under dire conditions." —*The Wall Street Journal*

The Ice Coven Domain

The new beautifully written and utterly compelling psychological crime thriller from number 1 Swedish bestselling sisters Sometimes reliving the past revives old demons . . . In a Stockholm apartment, five-year-old Tilde watches from under the kitchen table as her mother is brutally kicked to death. Meanwhile, in another part of town, psychotherapist Siri Bergman and her colleague Aina meet their new patients - a group of women, all of whom are victims of domestic violence. From Kattis, who was beaten by her boyfriend and lives under the constant threat of his return, to Malin, the promising young athlete who was attacked by a man she met online, and from Sofi, the teenager abused by her stepfather, to Sirkka, an older woman who had a troubled marriage - each woman takes her turn to share her story in the safety of the sessions. But as the group gets closer, it is not long before the dangers lurking in the women's lives outside invade the peace with shattering consequences. And somehow, the fate of five-year-old Tilde is intertwined with that of Siri and the other women, so that what started out as the search for peace will swiftly turn into a tense hunt for a murderer. Praise for Camilla Grebe and Åsa Träff: 'Grebe and Träff break new ground in the Scandinavian crime literature genre, and they do it brilliantly. Using unique insights and experiences from their own professional backgrounds, they tell a smooth-paced yet utterly intriguing story about man's inability to let go of the past' Kristina Ohlsson, author of *Unwanted*

The Stylist Simon and Schuster

A gripping psychological thriller of love, betrayal and obsession with a twist you won't see coming...

THE ICE BENEATH HER

Crooked Lane Books

The second novel in the thrilling and epic new fantasy series from the international bestselling author of *Red Sister* and *Prince of Thorns*. On the planet Abeth there is only the ice. And the Black Rock. For generations the priests of the Black Rock have reached out from their mountain to steer

the fate of the ice tribes. With their Hidden God, their magic and their iron, the priests' rule has never been questioned. But when ice triber Yaz challenged their authority, she was torn away from the only life she had ever known, and forced to find a new path for herself. Yaz has lost her friends and found her enemies. She has a mountain to climb, and even if she can break the Hidden God's power, her dream of a green world lies impossibly far to the south, across a vast emptiness of ice. Before the journey can even start, she has to find out what happened to the ones she loves and save those that can be saved. Abeth holds its secrets close, but the stars shine brighter for Yaz and she means to unlock the truth.

The Twelve Tribes of Hattie (Oprah's Book Club 2.0 Digital Edition) Penguin

A riveting true adventure of a year in Antarctica, from the first woman to lead an Antarctic research station. Antarctica is windy and achingly cold, incredibly isolated and inhospitable - yet its overwhelming stark white beauty speaks to our imagination. Bright and passionate, Diana Patterson was searching for her path in life when she was bitten by the Antarctic bug in her late twenties. She nursed her secret ambition and with dogged determination set her sights on becoming station leader at the Australian base Mawson—a lofty aspiration, considering this was most definitely a bloke's world. Being knocked back four times didn't deter her—she never gave up her dream, and at the age of 38 became the first woman in charge of this small, mostly male community of glaciologists, physicists, biologists and tradies, in each other's pockets 24/7, thousands of miles from the comforts of home.THE ICE BENEATH MY FEET is an intimate and riveting account of Diana's year at Mawson. the day-to-day reality of life in this frozen environment and the adventures of the delightful, vital characters we meet along the way (men, huskies, penguins!) are utterly captivating, and a must-read for anyone who harbours their own Antarctic dream.

The Girl in the Ice The Ice Beneath Her

The truth always surfaces. When a small bush plane smashes through the ice at Falls Lake Lodge, it's a chilling reminder of everything Megan Metzler has lost. Three years ago, Meg's pilot husband died in a similar crash, a tragedy Meg and her young son, Chip, have struggled to move on from. Still, Meg does everything she can to assist when Commander Bryce Saylor arrives to investigate, even as working alongside the handsome pilot stirs up painful memories—and an attraction that catches them both off guard. Bryce knows time is of the essence as he plunges into the frigid water in search of clues. But when vital evidence is destroyed, it soon becomes clear this downed plane was no accident. With someone tracking them from the woods, Meg and Bryce must race to unravel a mystery as indomitable as the Alaskan wilderness, or they might be the next victims to crash and burn...

The newest Oprah's Book Club 2.0 selection: this special eBook edition of *The Twelve Tribes of Hattie* by Ayana Mathis features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. The arrival of a major new voice in contemporary fiction. A debut of extraordinary distinction: Ayana Mathis tells the story of the children of the Great Migration through the trials of one unforgettable family. In 1923, fifteen-year-old Hattie Shepherd flees Georgia and settles in Philadelphia, hoping for a chance at a better life. Instead, she marries a man who will bring her nothing but disappointment and watches helplessly as her firstborn twins succumb to an illness a few pennies could have prevented. Hattie gives birth to nine more children whom she raises with grit and mettle and not an ounce of the tenderness they crave. She vows to prepare them for the calamitous difficulty they are sure to face in their later lives, to meet a world that will not love them, a world that will not be kind. Captured here in twelve luminous narrative threads, their lives tell the story of a mother's monumental courage and the journey of a nation. Beautiful and devastating, Ayana Mathis's *The Twelve Tribes of Hattie* is wondrous from first to last—glorious, harrowing, unexpectedly uplifting, and blazing with life. An emotionally transfixing page-turner, a searing portrait of striving in the face of insurmountable adversity, an indelible encounter with the resilience of the human spirit and the driving force of the American dream.

[After She's Gone](#) National Geographic Books

Black Swan meets Paranormal Activity in this compelling ghost story about a former dancer whose grip on reality slips when she begins to think a dark entity is stalking her. Something is wrong with Marianne. It's not just that her parents have finally split up. Or that life hasn't been the same since she quit dancing. Or even that her mother has checked herself into the hospital. She's losing time. Doing things she would never do. And objects around her seem to break whenever she comes close. Something is after her. And the only one who seems to believe her is the daughter of a local psychic. But their first attempt at an exorcism calls down the full force of the thing's rage. It demands Marianne give back what she stole. Whatever is haunting her, it wants everything she has—everything it's convinced she stole. Marianne must uncover the truth that lies beneath it all before the nightmare can take what it thinks it's owed, leaving Marianne trapped in the darkness of the other side.

The Ice Beneath Her Minotaur Books

Acclaimed Swedish author Camilla Grebe makes her solo American debut with a psychological thriller as cunning in its twists as it is captivating in its storytelling—for fans of the celebrated crime fiction of Camilla Läckberg, Jo Nesbø, Ruth Ware, and Fiona Barton. Winter's chill has descended on Stockholm as police arrive at the scene of a shocking murder. An unidentified woman lies beheaded in a posh suburban home—a brutal crime made all the more disturbing by its uncanny resemblance to an unsolved killing ten years earlier. But this time there's a suspect: the charismatic and controversial chain-store CEO Jesper Orre, who owns the home but is nowhere to be found. To homicide detectives Peter Lindgren and Manfred Olsson, nothing about the suave, high-profile businessman—including a playboy reputation and rumors of financial misdeeds—suggests he conceals the dark heart and twisted mind of a cold-blooded killer. In search of a motive, Lindgren and Olsson turn to the brilliant criminal profiler Hanne Lagerlind-Schön. Once a valued police asset, now marooned in unhappy retirement and a crumbling marriage, she's eager to exercise her keen skills again—and offer the detectives a window into the secret soul of Jesper Orre. But they're not the only ones searching. Two months before, Emma Bohman, a young clerk at Orre's company, chanced to meet the charming chief executive, and romance swiftly bloomed. Almost as quickly as the passionate affair ignited, it was over when Orre inexplicably disappeared. One staggering misfortune after another followed, leaving Emma certain that her runaway lover was to blame and transforming her confusion and heartbreak into anger. Now, pursuing the same mysterious man for different reasons, Emma and the police are destined to cross paths in a chilling dance of obsession, vengeance, madness, and love gone hellishly wrong. Praise for *The Ice Beneath Her* "Exceptional."—Publishers Weekly (starred review) "Impressive . . . a tour de force that lifts its author to the front rank among the increasingly crowded field of Nordic noir."—Kirkus Reviews (starred review) "The *Ice Beneath Her* deserves to be called a page-turner—I read it in one sitting! The narrative is fast-paced and the twists superb."—Cecilia Ekbäck, bestselling author of *Wolf Winter*

The Ice Beneath My Feet Penguin

From award-winning author Meg Gardiner, co-author of Michael Mann's *Heat 2*—In this exhilarating thriller inspired by real-life serial killer Ted Bundy, FBI profiler Caitlin Hendrix faces off against a charming, merciless serial killer. In southern Texas, on Saturday nights, women are disappearing. One vanishes from a movie theater. Another, from her car at a stoplight. A mother is ripped from her home while checking on her baby. Rookie FBI agent Caitlin Hendrix, newly assigned to the FBI's elite Behavioral Analysis Unit, fears that a serial killer is roaming the dark roads outside Austin. Caitlin's unit discovers the first victim's body in the woods, laid out in a bloodstained white baby-doll nightgown. A second victim in a white nightie lies deeper in the forest's darkness. Around the bodies, Polaroid photos are stuck in the earth like headstones, picturing other women with their wrists slashed. The women in the woods are not the killer's first victims, nor are they likely to be his last. To track the UNSUB, Caitlin must get inside his mind; he is a confident, meticulous killer, capable of charming his victims until their guard is down, snatching them in plain sight. He then plays out a twisted fantasy—turning them into dolls for him to possess, control, and ultimately destroy. Caitlin's profile leads the FBI to focus on one man: a charismatic, successful professional who easily gains people's trust. But can they apprehend him before it's too late? As Saturday night approaches, Caitlin and the FBI enter a desperate game of cat and mouse, racing to capture the cunning predator before he claims his next victim.

Under the Ice Peter Owen Publishers

A blockbuster international bestseller, this gripping literary crime novel tells the story of a young, recently widowed psychologist who is irrationally afraid of the dark and whose past comes to haunt her as she tries to solve a series of crimes, beginning with the brutal murder of one of her patients. It seems so idyllic. But something is out of place. In the neatly raked gravel parking area is a dazzlingly clean black Jeep. The paint of the Jeep reflects a clematis with large pure white blossoms climbing up a knotted old apple tree. Someone is lying under the low trunk and crooked branches of the tree. A young woman, a girl. . . . Siri Bergman is a thirty-four-year-old psychologist who works in central Stockholm and lives alone in an isolated cottage out of the city. She has a troublesome secret in her past and has been trying to move on with her life. Terrified of the dark, she leaves all the lights on when she goes to bed—having a few glasses of wine each night to calm her nerves—but she can't shake the feeling that someone is watching her through the blackened windows at night. When the lifeless body of Sara Matteus—a young patient of Siri's with a history of drug addiction and sexual abuse—is found floating in the water near the cottage, Siri can no longer deny that someone is out there, watching her and waiting. When her beloved cat goes missing and she receives a photo of herself from a stalker, it becomes clear that Siri is next. Luckily, she can rely on Markus, the young policeman investigating Sara's death; Vijay, an old friend and psychology professor; and Aina, her best friend. Together, they set about profiling Siri's aspiring murderer, hoping to catch him before he kills again. But as their investigation unfolds, Siri's past and present start to merge and disintegrate so that virtually everyone in her inner circle becomes a potential suspect. With the suspense building toward a dramatic conclusion as surprising as it is horrifying, Siri is forced to relive and reexamine her anguished past, and finally to achieve some kind of peace.

Ice Song Bonnier Zaffre Ltd.

A gripping psychological thriller of love, betrayal and obsession with a twist you won't see coming.

The Ice at the End of the World Entangled: Teen

"Propulsive and chilling." --People Magazine "An intoxicating thrill ride. Hillier jams her foot on the accelerator and never lets up." --New York Times Book Review *Things We Do in the Dark* is a brilliant new thriller from Jennifer Hillier, the award-winning author of the breakout novels *Little Secrets* and

Jar of Hearts. Paris Peralta is suspected of killing her celebrity husband, and her long-hidden past now threatens to destroy her future. When Paris Peralta is arrested in her own bathroom—covered in blood, holding a straight razor, her celebrity husband dead in the bathtub behind her—she knows she'll be charged with murder. But as bad as this looks, it's not what worries her the most. With the unwanted media attention now surrounding her, it's only a matter of time before someone from her long hidden past recognizes her and destroys the new life she's worked so hard to build, along with any chance of a future. Twenty-five years earlier, Ruby Reyes, known as the Ice Queen, was convicted of a similar murder in a trial that riveted Canada in the early nineties. Reyes knows who Paris really is, and when she's unexpectedly released from prison, she threatens to expose all of Paris's secrets. Left with no other choice, Paris must finally confront the dark past she escaped, once and for all. Because the only thing worse than a murder charge are two murder charges.

UNDER THE ALASKAN ICE

Bonnier Publishing Fiction Ltd.

She thinks more highly of snow and ice than she does of love. She lives in a world of numbers, science and memories—a dark, exotic stranger in a strange land. And now Smilla Jaspersen is convinced she has uncovered a shattering crime... It happened in the Copenhagen snow. A six-year-old boy, a Greenlander like Smilla, fell to his death from the top of his apartment building. While the boy's body is still warm, the police pronounce his death an accident. But Smilla knows her young neighbor didn't fall from the roof on his own. Soon she is following a path of clues as clear to her as footsteps in the snow. For her dead neighbor, and for herself, she must embark on a harrowing journey of lies, revelation and violence that will take her back to the world of ice and snow from which she comes, where an explosive secret waits beneath the ice...

Wolf Winter Soho Press

A gripping, twisty new thriller from the bestselling author of *The Ice Beneath Her*, perfect for fans of Will Dean's *Dark Pines*. A case as cold as the season. A profiler who can't remember. A killer ready to strike again. Psychological profiler Hanne Lagerlind-Schön and her partner, investigator Peter Lindgren are invited to the small, sleepy industrial town of Ormberg to investigate a cold case: ten years earlier a five-year-old girl's remains were found in a cairn near the town. But when a recurring memory problem resurfaces, Hanne struggles to keep track of the case. She begins keeping a diary, noting down everything she is likely to forget to keep up appearances so she doesn't lose her job. When the body of a woman is found at the cairn and one of Hanne's shoes is found nearby covered in the victim's blood, can Hanne's diary hold the key to what happened? How does this new murder connect to their old one? How can you put together what happened when the pieces keep fading away?

Five Days Missing Penguin

"Reminiscent of Ursula Le Guin's paradigm-shattering *The Left Hand of Darkness*, this piercingly moving story belongs in most fantasy collections."—Library Journal There are secrets beneath her skin. Sorykah Minuit is a scholar, an engineer, and the sole woman aboard an ice-drilling submarine in the frozen land of the Sigue. What no one knows is that she is also a Trader: one who can switch genders suddenly, a rare corporeal deviance universally met with fascination and superstition and all too often punished by harassment or death. Sorykah's infant twins, Leander and Ayeda, have inherited their mother's Trader genes. When a wealthy, reclusive madman known as the Collector abducts the babies to use in his dreadful experiments, Sorykah and her male alter-ego, Soryk, must cross icy wastes and a primeval forest to get them back. Complicating the dangerous journey is the fact that Sorykah and Soryk do not share memories: Each disorienting transformation is like awakening with a jolt from a deep and dreamless sleep. The world through which the alternating lives of Sorykah and Soryk travel is both familiar and surreal. Environmental degradation and genetic mutation run amok; humans have been distorted into animals and animal bodies cloak a wild humanity. But it is also a world of unexpected beauty and wonder, where kindness and love endure amid the ruins. Alluring, intense, and gorgeously rendered, *Ice Song* is a remarkable debut by a fiercely original new writer. Praise for *Ice Song* "A stunning debut fantasy about love and the ties of blood."—Armchair Interviews "Kasai's debut is a boldly adventurous tale depicting a richly detailed world. The aspect of Traders shifting gender brings Ursula K. LeGuin's *The Left Hand of Darkness* to mind, while the activities on Chen's island are more reminiscent of Laurell K. Hamilton's *Meredith Gentry* novels."—Booklist "Ice Song is definitely a compelling read, largely due to the fact that Sorykah is such a well-developed character. She has an equally intense and complex sense of love and resentment for her children. And the fact that she exists between the world of humans and the mutants is also a source of conflict for her character. . . . *Ice Song* is a near-perfect combination of fantasy, great storytelling and social commentary."—Philadelphia Gay News

The Ice House Vintage

A young London socialite is brutally murdered by a notorious serial killer in this "compelling" page-turner of dark secrets and deadly investigations (NYT bestselling author Jeffrey Deaver). Her eyes are wide open. Her lips parted as if to speak. Her dead body frozen in the ice . . . she is not the only one. When a young boy discovers the body of a woman beneath a thick sheet of ice in a South London park's pond, Detective Erika Foster is called in to lead the murder investigation. The victim appeared to have the perfect life -- what dark secrets is the girl in the ice hiding? When Erika begins to dig deeper, she starts to connect the dots between the murder and the killings of three prostitutes. All were found strangled, hands bound and dumped in water around London. As she inches closer to uncovering the truth, the killer is closing in. With her failing career hanging by a thread, Erika must now battle her own personal demons as well as a killer more deadly than any she's faced before. But will she get to him before he strikes again?
