ALEENA WIGGINS

OTHER GOOSE

Knopf Books for Young Readers

In *The Children of Willow Farm*, just like the previous book, we go through the seasons from spring to winter, learning along with the children. The book teaches the reader all about British farming as it was in the 1940s (or at least as it might have been without the war!) Blyton paints an idyllic picture of farm life, where the animals are part of the family.

Owlbop

When a little boy begins banging on pots and pans in his front yard, other children soon join him, until the entire city is moving to the beat.

Ladder to the Moon Chronicle Books

Moo, moo, brown cow! Have you any milk? "Yes, sir, yes, sir," smooth as silk. Does milk make me sleepy before I go to bed? "Yes, sir, yes, sir," the brown cow said. There's something about this well-known and well-loved nursery rhyme! Clever new verses not found in the original offer charming new critters and gently teach young readers a little something along the way. In verses that mimic the original Baa Baa Black Sheep cadence, a plucky young boy asks each of the farm friends he encounters about the gifts they give us, all in preparation for a bedtime snack and a dream-filled sleep. And as the sun begins to set and the animals prepare to "dream the whole night through of flowers to sip, grass to chew," the little boy asks the animals one last question. Whether read aloud or sung, this picture book can be a rollicking tale or a perfect lulling bedtime story. Author Phillis Gershator and illustrator Giselle Potter weave together melodic rhyme and folksy illustrations to transport children to a place of discovery and cozy contentment in this delectable read-aloud.

Who's in Love with Arthur? Dragonfly Books
Web-feet sheep, sea-cows, water pigs, and aquatic version of other farm animals live on an underwater farm tended by mermaids amidst seaweed, oysters, and a swinging octopus musician.

ON THE FARM

Chronicle Books

D.W. is nervous about having her first school fire drill so Arthur helps her to practise for it. He shows her all the things to do in an emergency and, in turn, D.W. shows the whole family - even in the middle of the night.

Underwater Farmyard John Wiley & Sons

Veterinarian Brad Brown never knew what to expect when he was called. Whether he was trying to geld a spooked stallion in a blizzard or found himself in the middle of an all-out fracas involving a monkey's abscessed tooth and a shotgun, he took it in stride, with great affection for both his four-legged patients and his two-legged clients.

Silly Scientists Take a Tiptoe with the Tadpoles! Random House Books for Young Readers

Undocumented migration is a global and yet elusive phenomenon. Despite contemporary efforts to patrol national borders and mass deportation programs, it remains firmly placed at the top of the political agenda in many countries where it receives hostile media coverage and generates fierce debate. However, as this much-needed book makes clear, unauthorized movement should not be confused or crudely assimilated with the social reality of growing numbers of large, settled populations lacking full citizenship and experiencing precarious lives. From the journeys migrants take to the lives they seek on arrival and beyond, *Undocumented Migration* provides a comparative view of

how this phenomenon plays out, looking in particular at the United States and Europe. Drawing on their extensive expertise, the authors breathe life into the various issues and debates surrounding migration, including the experiences and voices of migrants themselves, to offer a critical analysis of a hidden and too often misrepresented population.

Farmyard Beat Wildside Press LLC

Arthur and D.W. don't know what's wrong with Baby Kate when they take her to the neighborhood fair--but Pal the puppy does. Full color. of word stickers.

BETTY BUNNY LOVES CHOCOLATE CAKE

Who's in Love with Arthur? Dragonfly Books

Web-feet sheep, sea-cows, water pigs, and aquatic version of other farm animals live on an underwater farm tended by mermaids amidst seaweed, oysters, and a swinging octopus musician.

Dancing Feet! Random House Books for Young Readers

In Wally Raccoon's Barnyard Olympics Athletics Day, Wally Raccoon's persistence is his virtue. Many young children, or "little creatures" like Wally, might listen to someone like Big Uncle Moe, the horse, when they're told that they can't do something. Uncle Moe is right. Running hurdles with the big horses is a lofty goal for Wally. Rooster Gus is equally discouraging, but Scamp the Squirrel reassures Wally that they only need to ask someone else for help. It is easy to cry and fall victim to your woes, but Wally rallies to the occasion and consults with Beaver Bob, who finds a place for Wally to compete. Share the value of friendship and support with your child when you read Wally Raccoon's Barnyard Olympics Athletics Day. As you read, pause for a moment to let your child try to guess the next rhyme. This is a great way to start children on the path to becoming readers.

Try! Try! Try! Sleeping Bear Press

This major new book offers a much-needed introduction to the work of Siegfried Kracauer, one of the main intellectual figures in the orbit of the Frankfurt School of Critical Theory. It is part of a timely revival and reappraisal of his unique contribution to our critical understanding of modernity, the interrogation of mass culture, and the recognition of both the dynamism and diminution of human experience in the hustle and bustle of the contemporary metropolis. In stressing the extraordinary variety of Kracauer's writings (from scholarly philosophical treatises to journalistic fragments, from comic novels to classified reports) and the dazzling diversity of his themes (from science and urban architectural visions to slapstick and dancing girls), this insightful book reveals his fundamental and formative influence upon Critical Theory and argues for his vital relevance for cultural analysis today. Kracauer's work is distinguished by an acute sensitivity to the 'surface manifestations' of popular culture and a witty, eminently readable literary style. In exploring and making accessible the work of this remarkable thinker, this book will be indispensable for scholars and students working in many disciplines and interdisciplinary fields: sociology and social theory; film, media and cultural studies; urban studies, cultural geography and architectural theory; philosophy and Critical Theory.

Gender and Social Movements Farmyard Beat

When a jazz-loving rooster sets his sights on winning a barnyard talent show, he realizes he can't do it as a solo act. He's up against the talents of Mules Davis's cool duo and Ella Finchgerald's singing group. Acoustic Rooster calls on friends like pianist Duck Ellington, singer Bee Holiday, and percussionist piggy Pepe Ernesto Cruz. Together, the foursome makes beautiful music as they rock the barnyard. And while they may not win first prize, Acoustic Rooster realizes he has the world's best jazz band and that's all that matters. Colorful artwork from artist Tim Bowers (*Memoirs of a Goldfish*) ensures this story doesn't miss a beat. A glossary of musical terms and instruments rounds out this perfect introduction to jazz for young readers. Kwame Alexander is a poet, publisher, and an award-winning producer of literary programs. He has written for television, the stage, and authored 13 books. He conducts writing/publishing workshops at schools and conferences throughout the country. Kwame lives in the Washington, D.C. area. Tim Bowers has illustrated more than 25 children's books, garnering such awards as the Chicago Public Library's "Best of the Best" list. His work for *Sleeping Bear* includes *First Dog* and *First Dog's White House Christmas*. Tim lives in Granville, Ohio.

Acoustic Rooster and His Barnyard Band Chronicle Books Press the buttons and listen to the sounds of the farm! With 10 cool sound buttons, fun facts, full-color pictures and much more, this Discovery sound-and-reference book is a unique way for kids to learn about life on the farm! Kids will love matching the sounds to the animals in this vibrant and interactive book.
