THE REVOLUTIONARY SALES PROCESS THAT IS CHANGING THE WAY PEOPLE SELL

Karen Clark
Three young children, Mal, Ari and Martha, have been "touched" and are in possession of enormous talents, bestowed on them by a chance encounter with the Young Master. Now Ari, Mal and Martha

find themselves in the wrong place and time because Ari has done the unthinkable, resulting in a perpetual red dawn. But that is the least of their worries! Ari is on the run, while Mal and Martha attempt to keep their enemy at bay. The Strange Man is back and he's got even more sinister tricks up his sleeve ...

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of

bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. Acclaimed business leaders Mitch Little and Hendre Coetzee share their decades of expertise in this innovative guidebook focused on helping you succeed in the

sales force. The ways we do business and engage with customers are constantly changing in our high-tech, global world. Sales professionals must also change their methods to reach clients. In their book, Mitch and Hendre show how to achieve the mind-set shift you need first in order to have the capacity to change your methodologies. Mitch's expertise comes from leading sales and marketing teams at Microchip Technology, which reached its one-hundredth consecutive quarter of profitability in 2015. Hendre is a transformation specialist and advises business executives and boards on reaching their full potential. Together, these experts identified six core shifts—some surprising—that will empower sales professionals and lead to success. The sales world will continue to undergo dramatic changes. New strategies and methods are essential, but they require the right mind-set. Shiftability lays the necessary mental groundwork sales professionals need in order to implement these changes in methodology and thrive in a new environment. Brent Adamson, author of *The Challenger Sale* and *The Challenger Customer*, reiterates the

importance of adaptability in the sales profession in his foreword.

Customer Success with Microsoft Dynamics Sure Step is a focused tutorial of Microsoft Dynamics solution envisioning and delivery, rather than a step-by-step guide into project management. It will equip you with the tactics required to plan, align, and orchestrate your solution selling activities, as well as help you to be efficient, proactive, goal driven, and flexible in your Microsoft Dynamics engagements. If you are involved in one or more of the roles stated below, then this book is for you: If you are a Project Manager, Engagement Manager, Solution Architect, or Consultant involved in delivering Microsoft Dynamics solutions, this book will teach you how you can improve the quality of your implementation with a consistent, repeatable process. If you are a Customer Project Manager, Subject Matter Expert, Key User, or End User involved in selecting the right business solution for your organization and delivering the Microsoft Dynamics solution, this book will help you

determine how the method facilitates the delivery of a solution that is aligned to your vision. If you are a Sales Executive, Services Sales Executive, Technical Sales Specialist, Pre-Sales Consultant, or Engagement Manager involved in the sales of Microsoft Dynamics solutions, this book will help you to understand how you can accelerate your sales cycle and bring it to a close. If you are the Customer Decision Maker, CxO, Buyer, or Project Manager who participates in the selection process for your business solution needs, this book will show you how to determine how this process can help your due diligence exercise and set the stage for a quality implementation of the solution. If you are a Change Management expert, this book will enable you to learn how you can help the customer manage organizational change during the business solution delivery process, and/or help solution providers adopt a process for selling and delivering solutions.

Buyer behavior has changed the marketplace, and sellers must adapt to survive. *The Collaborative Sale: Solution Selling in Today's Customer-Driven World* is the definitive guide to the new reality of sales. The roles of buyers, sellers, and technology have changed, and collaboration is now the key to success on all sides. *The Collaborative Sale* guides sales professionals toward alignment with buyers, by helping them overcome their problems and challenges, and creating value. From building a robust opportunity pipeline and predicting future revenues to mastering the nuances of buyer conversations, the book contains the

information sales professionals need to remain relevant in today's sales environment. Buyers have become more informed and more empowered. As a result, most sellers now enter the buying process at a much later stage than the traditional norm. The rise of information access has given buyers more control over their purchases than ever before, and sellers must adapt to survive. The Collaborative Sale provides a roadmap for adapting through sales collaboration, detailing the foundations, personae, and reality of the new marketplace. The book provides insight into the new buyer thought processes, the new sales personae required for dealing with the new buyers, and how to establish and implement a dynamic sales process. Topics include: Selling in times of economic uncertainty, broad information access, and new buyer behavior Why collaboration is so important to the new buyers The emergence of new sales personae - Micro-marketer, Visualizer, and Value Driver Buyer alignment, risk mitigation, and the myth of control Situational fluency, and the role of technology Focused sales enablement,

and buyer-aligned learning and development Implementation and establishment of a dynamic sales process The book describes the essential competencies for collaborative selling, and provides indispensable supplemental tools for implementation. Written by recognized authorities with insights into global markets, *The Collaborative Sale: Solution Selling in Today's Customer-Driven World* is the essential resource for today's sales professional.

Selling is getting tougher for one key reason. Many customers have invested in their procurement function in order to be smarter buyers of goods and services. Ever since the great recession, organizations of all sizes and types have learned to use procurement as a strategic profit lever. Unfortunately, many sales teams haven't figured out how to keep up with this new threat. Often the result is lost sales, margin erosion, and frustrated salespeople. It doesn't have to be this way. Based on direct experience working in procurement leadership for a Fortune 50 business, as well as teaching global procurement, working in key account management, and research, the author provides perspectives for how sales professionals can better understand the

modern procurement organization. Originally published as a short booklet in e-book format only, it has now been converted to print form based on many requests (about 65 pages in printed form). It is intended to compliment your existing sales and negotiation methodologies. Get beyond the procurement tactics you see to understand what drives procurement's behaviors. Learn how to spot emerging threats from procurement that could cost you the next deal. Find hidden sales opportunities by understanding procurement's goals. Exploit their fears and needs in your next negotiation. Gain confidence in using your value in selling to procurement. This is a field guide to empower sales professionals to better handle procurement to achieve sales success in an increasingly challenging environment.
