Underwater Crime Scenes - Coroner
Talk™ Processing Underwater Crime
Scenes Public Underwater crime scenes
present a unique set of obstacles not
present in dry land situations. Many
agencies do not have the personnel to
conduct adequate underwater
investigations. These scene must be

worked as dry land scenes in areas of
scene control, evidence integrity and
collection, chain of custody, and
management. Underwater Crime Scenes -
Coroner Talk™ We encourage dive units
across the globe to seek out professional
qualified public safety dive instructors
who have knowledge and expertise in
understanding and processing the
underwater crime scene. In conclusion,
both topside and underwater crime
scene investigations require and deserve

the same attention to detail. Surface vs Subsurface Crime Scene Investigation - SDI ...As with crime scenes on land, underwater investigations need to be conducted with the utmost consideration for protocol and evidence ... Things can get mighty murky underwater. (Photo: Public Domain) What It's Like to Be an Underwater Crime Scene ... Mack S.
