It is believed that love is the most magical feeling in the world. Yet, only a few lucky ones get to experience it in their lives. If the beginning of Ravin and Khushi's journey is anything to go by, their story is bound to be anything but conventional. However, if they have been lucky enough to find true love in each other, will they

have the strength to deal with the biggest challenge life throws their way? How was Ravin to know that what essentially started off as a joke among friends—the idea of creating a profile on a matrimonial site to find 'the one'—would end up changing his life completely? How did he end up falling for Khushi, someone he had not even met in person? Was she really the one? Read on to find out if Ravin is ready to take the big leap in this instalment of Ravinder Singh's *I Too Had a Love Story*.

Love—only a four letter word, yet it's so powerful that it can conquer anything in this world! We've all experienced the first flush of love and remember the lingering fragrance of it. For ages Love has remained one of the most cherished experiences that everyone wishes to live through at least once. Humanity, time and again, has coined many definitions to describe this beautiful emotion, but this small word is a feeling that can't simply be defined. Selected and edited by Ravinder Singh, this anthology—made up of the stories that touched Ravin's heart the most—will make you believe that someone, somewhere, is made for you.

When oil executive Kingsman Helms begs Janson to rescue his wife, Allegra, from Somali pirates, Janson and Kincaid seize the opportunity. At last they can derail American Synergy Corporation's scheme to subvert sovereign nations into wholly-owned subsidiaries.

*I Too Had a Love Story* Penguin Random House India Private Limited

An award-winning novel about the value of friendships in present-day Singapore—a “stirring debut...relatable yet unsettling [that] smartly captures earnest teenage myopathy through a tumultuous high school relationship” (Publishers Weekly, starred review). “I am Miss Frankenstein, I am the bottom of the bell curve.” So declares Szu, a teenager living in a dark, dank house on a Singapore cul-de-sac, at the beginning of this richly atmospheric

and endlessly surprising tale of non-belonging and isolation. Friendless and fatherless, Szu lives in the shadow of her mother Amisa, once a beautiful actress—who gained fame for her portrayal of a ghost—and now a hack medium performing séances with her sister in a rusty house. When Szu meets the privileged, acid-tongued Circe, an unlikely encounter develops into a fraught friendship that will haunt them both for decades to come. With remarkable emotional acuity, dark comedy, and in vivid prose, Sharlene Teo's *Ponti* traces the suffocating tangle the lives of four misfits, women who need each other as much as they need to find their own way. It is “at once a subtle critique of the pressures of living in a modern Asian metropolis; a record of the swiftness and ruthlessness with which Southeast Asia has changed over the last three decades; a portrait of the old juxtaposed with the new (and an accompanying dialogue between nostalgia and cynicism); an exploration of the relationship between women against the backdrop of social change; and, occasionally, a love story—all wrapped up in the guise of a teenage

coming-of-age novel...Teo is brilliant" (The Guardian).

*The Development of Its Laws and Constitution* Harper Collins

"Lavanya Gogoi is from the scenic hills of Shillong while Rajveer Saini belongs to the shahi city of Patiala. Worlds apart from one another, the two land up next to each other on a flight from Mumbai to Chandigarh. It's love at first flight, at least for one of them. For the other ... well, it's going to take more than a plane ride! And when love does finally happen, there are more obstacles to overcome. Rajveer has to stand up against his own if he and Lavanya are to be together."--Page 4 of cover.

*I Too Had a Love Story* Penguin Random House India Private Limited

'Just as heat is inherent in fire, so is our desire to become better.' Why are personal growth and life transformation so difficult? Does Creation wish that we fail? Of course not! The purpose behind the Universe's grand design is to make us succeed. Our own unawareness of the laws of the Universe creates the impediment. Just as physical phenomena are regulated by laws, there are spiritual

principles governing the journey of life as well. Knowledge of them helps us understand why success comes so easily to some but remains a struggle for others; why some are still putting on their shoes, while others have finished the race. The beauty is that, like the physical laws of nature, the divine principles governing happiness and fulfilment in life are also eternally valid. In this book, Swami Mukundananda explains the 7 divine laws in an easily graspable manner. With knowledge of the Vedic scriptures and witty anecdotes that everyone can relate to, this book will empower you to become the best version of yourself.
