*Financial and Managerial Accounting.* Financial Accounting  
 Financial Accounting  
 Written by Jan Williams.  
 This soft-cover booklet is filled with columnar paper for each problem and comprehensive problem in the textbook. Checkpoints are included to ensure students that they are on the right track.

## LOOSE-LEAF VERSION FINANCIAL & MANAGERIAL ACCOUNTING

McGraw-Hill/Irwin  
 While many texts characterize themselves as having either a “user”

approach or a “preparer” approach, Williams, Financial Accounting, is written for faculty who want to strike a balance between these approaches. Business majors will find relevance in the “Management Strategy,” “Your Turn” and “Case in Point” boxes throughout the chapters while accounting majors will receive a firm grounding in accounting basics that will properly prepare them for their intermediate accounting course. Perhaps the most important new feature is the online companion, My Mentor. This text-specific online resource uses video clips, animated graphics and Excel templates to demonstrate accounting concepts, expressing accounting visually. This solves a problem that many introductory students have in accounting: It

allows them to link concepts and numbers together in a interactive rather than print environment.

## The Basis for Business Decisions McGraw-Hill/Irwin

This soft-cover booklet is filled with columnar paper for each Problem in the textbook. Students encounter Checkpoints throughout the working papers to ensure they are on the right track

## International Student Edition. Cengage Learning

Working Papers provide students with formatted templates to aid them in doing homework assignments.

**Loose Leaf for Financial Accounting**  
 McGraw-Hill Companies  
 With the fourteenth edition of Financial and Managerial Accounting: The Basis for Business Decisions, the Williams

author team carries on the tradition of being a solid foundation for students learning basic accounting concepts. Through the revision, the authors have further refined the financial accounting topics, while slightly expanding the managerial accounting material to provide even more balanced coverage. Hallmarks of the text--including the solid Accounting Cycle Presentation, relevant pedagogy, and high quality, end-of-chapter material--have all been updated and enhanced through the revision. A new design enhances the graphical elements of the text, while the integration of several boxed elements provides a more streamlined approach to chapter topics.

Study Guide, Volume 1, Chapters 1-15 to accompany Financial Accounting 14e, and Financial & Managerial Accounting 15e McGraw-Hill/Irwin

Grounded firmly in real-world practice, *Forensic Accounting* provides the most comprehensive view of fraud investigation on the market. Where other books focus almost entirely on auditing and financial reporting, Hopwood includes a vast

range of civil and criminal accounting fraud and related activities, from false business valuations and employer fraud to information security and counter-terrorism. The author team's experience in fraud investigation lends the book a real-world perspective unmatched by any other textbook.

Financial Accounting  
Financial Accounting  
Financial & Managerial Accounting  
McGraw-Hill Education

**A RECORD OF THE ACHIEVEMENTS OF HER PEOPLE IN THE MAKING OF COMMONWEALTHS AND THE FOUNDING OF A NATION**

McGraw-Hill/Irwin  
Students can measure their progress through a wealth of self-test material (with solutions) and a summary of chapter key points.  
*Working Papers, Volume 1, Chapters 1-14 to accompany Financial*

*Accounting 13e, and Financial & Managerial Accounting 14e* McGraw-Hill/Irwin

This new edition unites the text's long-running standard of excellence with a thorough revision reflecting contemporary concepts and issues in accounting. The managerial accounting section has been expanded, making this book appropriate for the 50/50 split accounting principles courses. The hallmarks of this text continue to be an exceptional balance between the preparer and user points of view, error-free text and supplements, and clear writing style. This is a reflection of the authors and their eminent dedication to the furtherance of accounting education.

**The Basis for Business Decisions** McGraw-Hill/Irwin  
Financial and Managerial Accounting: The Basis for Business Decisions continues to offer a solid foundation for students who are learning basic accounting concepts. Known for giving equal weight to financial and managerial topics, the authors emphasize the need for a strong foundation in both

aspects of accounting. Hallmarks of the text - including the solid Accounting Cycle Presentation, managerial decision making, relevant pedagogy, and high quality, end-of-chapter material—have been updated throughout the book.

### **A STRATEGIC APPROACH**

McGraw-Hill/Irwin Explore the foundations of business law as well as the application of legal concepts to everyday life. **LAW FOR BUSINESS AND PERSONAL USE, 19E**, combines strong content and interactive technology with consistent, proven instruction to maintain student interest and support active learning. Coverage includes contracts, criminal law, environmental law, family law, and consumer protection. With more than 1,000 cases, **LAW FOR BUSINESS AND PERSONAL USE, 19E**, offers plenty of opportunities for case analysis and research. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **THE BASIS FOR BUSINESS DECISIONS**

McGraw-Hill/Irwin Financial and Managerial Accounting: The Basis for Business Decisions continues to offer a solid foundation for students who are learning basic accounting concepts. Known for giving equal weight to financial and managerial topics, the authors emphasize the need for a strong foundation in both aspects of accounting. Hallmarks of the text - including the solid Accounting Cycle Presentation, managerial decision making, relevant pedagogy, and high quality, end-of-chapter material—have been updated throughout the book.

Financial and Managerial Accounting Irwin Professional Pub Written by Jan Williams. For each chapter, students can measure their progress through a wealth of self-test material (with solutions) and a summary of each chapter's key points.

### **FINANCIAL ACCOUNTING**

McGraw-Hill/Irwin The Study Guide enables the students to measure their progress by

immediate feedback. It contains a summary of the highlights of each chapter, objective question and short exercises. The solutions are included at the end of each chapter.

*Financial & Managerial Accounting* McGraw-Hill Education

Blending theory with real-life applications, the 8th Edition of **LAW AND ETHICS IN THE BUSINESS ENVIRONMENT** presents up-to-the-minute issues in business ethics, along with the latest in case law for an exciting and thought-provoking text. Rather than shying away from controversial topics, the text encourages lively classroom debate on everything from privacy and workers' rights to diversity and stereotyping. Its insightful cases, end-of-chapter questions, historical quotes, and chapter projects sharpen your critical thinking skills, while a wealth of interactive assignments like role plays, mock trials, roundtables, and negotiations prepare you for the ethical and legal dilemmas of the business world. Important Notice: Media content referenced within the product description or the product text may not be available

in the ebook version.

**Ready Notes** McGraw-Hill/Irwin

With the sixteenth edition of Financial and Managerial Accounting: The Basis for Business Decisions, the Williams author team continues to be a solid foundation for students who are learning basic accounting concepts. In this revision, the authors have added to and refined the coverage of International Financial Reporting Standards (IFRS), particularly in Chapter 15 (“Global Business and Accounting”). Hallmarks of the text—including the solid Accounting Cycle Presentation, relevant pedagogy, and high quality, end-of-chapter material—have been updated throughout the book.
