ADVANCE STUDY IN THE HISTORY OF MODERN INDIA (VOLUME-3: 1920-1947)

IAS EXAM PORTAL

Studying firms and entrepreneurs over three centuries, this book unravels the historical roots of the impressive business growth witnessed in contemporary India.

An Intellectual History for India Disha Publications

This new edition of Burton Stein's classic A History of India builds on the success of the original to provide an updated narrative of the development of Indian society, culture, and politics from 7000 BC to the present. New edition of Burton Stein's classic text provides a narrative from 7000 BC up to the twenty-first century Includes updated and extended coverage of the modern period, with a new chapter covering the death of Nehru in 1964 to the present Expands coverage of India's internal political and economic development, and its wider diplomatic role in the region Features a new introduction, updated glossary and further reading sections, and numerous figures, photographs and fully revised maps Part of The Blackwell History of the World Series

The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past, for every curious person in every part of the world. It will comprise some two dozen volumes, of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time. The volumes are narrative in form, giving balanced attention to social and cultural history (in the broadest sense) as well as to institutional development and political change. Each provides a systematic account of a very large subject, but they are also both imaginative and interpretative. The Series is intended to be accessible to the widest possible readership, and the accessibility of its volumes is matched by the style of presentation and production.

The New Cambridge Modern History: Volume 2, The Reformation, 1520-1559 Cambridge University Press

In a second edition of their successful Concise History of Modern India, Barbara Metcalf and Thomas Metcalf explore India's modern history afresh and update the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. From the days of the Mughals, through the

British Empire, and into Independence, the country has been transformed by its institutional structures. It is these institutions which have helped bring about the social, cultural and economic changes that have taken place over the last half century and paved the way for the modern success story. Despite these advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the nature of the Indian nation.

Atlantis Rising Magazine Issue 20 - TEMPLAR TREASURE IN AMERICA? download PDF Cambridge University Press

Written in an easy-to-understand language, this informative and well-written textbook provides an interpretive and comprehensive account of the history of modern India from 1707 to the present day. Organised into 44 chapters in two parts, the textbook commences with a discussion on the decline and disintegration of the Mughal Empire and walks us through the advent of Europeans and the phases of British imperialism. It also provides a detailed discussion on the important aspects of Indian National Movement introducing contributions of prominent leaders of the Movement. It is fortified with questions at the end of each chapter to help students prepare for the examinations. Besides the students of History and Law, this textbook would also be of immense value to the aspirants of various competitive examinations, especially IAS, PCS and NET

A MILITARY HISTORY OF INDIA SINCE 1972

Cambridge University Press

This book provides an interpretive and comprehensive account of the history of India between the eighteenth and twentieth centuries, a crucial epoch characterized by colonialism, nationalism and the emergence of the independent Indian Union. It explores significant historiographical debates concerning the period while highlighting important new issues, especially those of gender, ecology, caste, and labour. The work combines an analysis of colonial and independent India in order to underscore ideologies, policies, and processes that shaped the colonial state and continue to mould the Indian nation.

From Plassey to Partition is an eminently readable account of the emergence of India as a nation. It covers about two hundred years of political and socio-economic turbulence. Of particular interest to the contemporary reader will be sections such as Early Nationalism: Discontent and Dissension, Many Voices of a Nation and Freedom with Partition. On the one hand, it converses with students of Indian history and on the other, it engages general and curious readers. Few books on this crucial period of history have captured the rhythms of India's polyphonic nationalism as From Plassey to Partition.

'Cultural History Of Modern India Edited By Dilip M. Menon Definitely Qualifies For Interesting Reading&The Different Approach Attempted Through The Book Indubitably Is A Fresh Endeavour For A Multidisciplinary Approach With Sociologists, Art Historians And Music Theorists Working Within A Historical Paradigm.' The Statesman, 9 December 2006 The History Of Modern India Has Been Narrated Largely In Terms Of The Nationalist Movement, Personalities And What Has Been Seen As The 'High' Politics Of The State. Recent Shifts In History Writing Have Tried To Bring In Subordinated Histories Of Regions And Of Groups. We Are Moving Towards A Wider Understanding Of Politics, History And Of The Ordinary People Who Make History. This Collection Tries To Push The Emerging Paradigm Further By Moving Away From Conventional Notions Of The History Of The Nation And Indeed Of The Political. The Six Essays In This Collection Present Original And Pioneering Forays In The Study Of Cricket, Oral History, Gender Studies, Film, Popular Culture And Indian Classical Music. Whether Looking At Issues Of Caste On The Seemingly Level Playing Field Of Cricket In Early Twentieth Century India; Or How A Nineteenth Century Housewife Comes To Pen The First Autobiography By An Indian Woman; Calendar Art Reflecting Deeper Notions Of Religion And Community; Or How An Idea Of Pure Classical Music Faces The Challenge Of Technology, These Essays Show How Ideas Of Self, Community And Art Are Formed Within A Larger Politics. Moreover, Culture Far From Being A Refuge From The Political Is Also The Space Within Which Politics Comes To Be Worked Out.

CULTURAL HISTORY OF MODERN INDIA

New Saraswati House India Pvt Ltd

Here is the concluding volume of Sir Anthony Kenny's monumental four-volume history of philosophy, the first major single-author narrative history to appear for several decades. Here Kenny tells the fascinating story of the development of philosophy in the modern world, from the early nineteenth century to the end of the millennium. Alongside extraordinary scientific advances, cultural changes, and political upheavals, the last two centuries have seen some of the most intriguing and original developments in philosophical thinking, which have transformed our understanding of ourselves and our world. In the first part of the book, Kenny offers a lively narrative introducing the major thinkers in their historical context. Among those we meet are the great figures of continental European philosophy, from Schopenhauer, Kierkegaard, and Nietzsche to Heidegger, Sartre, and Derrida; the Pragmatists such as C.S. Pierce and William James; Marx, Darwin, and Freud, the non-philosophers; and Wittgenstein and Russell,

friends and colleagues who set the agenda for analytic philosophy in the twentieth century. Kenny then proceeds to guide the reader lucidly through the nine main areas of philosophical work in the period, offering a serious engagement with ideas and arguments about logic, language, epistemology, metaphysics, ethics, aesthetics, politics, and the existence of God.

The Economy Compendium for IAS Prelims General Studies CSAT Paper 1, UPSC & State PSC 2nd Edition Red Turtle

Which were the first cities of India and how were they discovered? What was it like living in Mughal times? How did the British, who had come to trade in India, end up ruling the country? How has India changed after Independence? Delve into India's past to discover the answers to these questions and many more in this comprehensive history of our nation. Journey through time to visit the baths and palaces of the first cities of Harappa, the stupas of Ashoka and the flamboyant courts of the great Mughals, rich in art, culture and architecture. Learn how the revolution of 1857 really started and march alongside Gandhi on his quest for an India free from British rule. Plus, discover more about each period through fun and easy 'To do' activities. Told in simple, lucid prose and interspersed with beautiful illustrations, A Children's History of India makes learning history a fun and engaging experience for readers of all ages.

A Military History of India since 1972 is a definitive work of military history that gives the Indian military its rightful place as a key contributor to Indian democracy. Arjun Subramaniam offers an engaging narrative that combines superb storytelling with the academic rigor of deep research and analysis. It is a comprehensive account of India's resolute, responsible, and restrained use of force as an instrument of statecraft and how the military has played an essential role in securing the country's democratic tradition along with its rise as an economic and demographic power. This book is also about how the Indian nation-state and its armed forces have coped with the changing contours of modern conflict in the decades since 1972. These include the 2016 "surgical" or cross-border strikes by the Indian Army's Special Forces across the line of control with Pakistan, the face-off with the Chinese at Doklam in 2017 and in Ladakh in 2020, the preemptive punitive strikes by the Indian Air Force against terrorist camps in Pakistan in 2019, and the large-scale aerial engagement between the Indian Air Force and the Pakistan Air Force the following day. These conflicts also include the long-running insurgencies in the northeast, terrorism and proxy war in Jammu and Kashmir, separatist violence in Punjab, and the Indian Peacekeeping Force's intervention in Sri Lanka. The author also includes a chapter on the development of India's nuclear capabilities. Arjun Subramaniam enlivens the narrative with a practitioner's insights amplified by interviews and conversations with almost a hundred serving and retired officers, including former chiefs from all three armed forces, for an in-depth exploration of land, air, and naval operations. The structure of the book offers readers a choice of either embarking on a comprehensive and chronological examination of war and conflict in contemporary India or a selective reading based on specific time lines or campaigns.

A CULTURAL HISTORY OF INDIA

Lotus Press

This is the second, amended and enlarged edition of a familiar standard work, first published in 1958. Like its predecessor, it describes the open conflicts of the Reformation from Luther's first challenge to the uneasy peace of the 1560s. Reforming movements in all the principal countries are discussed against

the background of constitutional development and the political struggles of the ruling dynasties. Europe's relations with the outside world are given due prominence. The second edition incorporates the results of some thirty years of further research and fills some of the gaps, especially in the history of central Europe, which beset the first edition. All chapters that remain from 1958 have been revised, some very substantially, while other contributions are wholly new. The only other volume of The New Cambridge History planned to appear in a second edition is Volume I: The Renaissance scheduled for 1991.

Forager-Traders in South and Southeast Asia Cambridge University Press

The Book Has Been Thoroughly Revised By Incorporating Fresh Materials In The Light Of Recent Researches On The Subject. Apart From Meeting The Requirements Of The Students For Plus Two Level Or Higher Secondary, The Book Will Be Helpful To The Candidates Appearing In Competitive Examination Of Both Central And State Civil Services, Including Indian Administrative And Allied Services. Historical Research During The Last Four Decades Has Led To New Insights Into The Study Of Modern Indian History. The Book Incorporates The Major Developments In Historical Research Since Independence. Besides Dealing With The Political Convulsions In India, The Book Furnishes The Socio-Economic Problems With Impoverishment Of The Country, The Cultural And Religious Revival In India, A Brief Survey Of Constitutional Developments, The Genesis And Growth Of Indian Nationalism And An Outline Of Freedom Struggle From Its Inception To The Attainment Of Independence.
