SAY YOU LOVE HER: AN LA LOVE STORY

Gabbie S.\Duran

The first book in Lauren Oliver's New York Times bestselling trilogy about forbidden love, revolution, and the power to choose. In an alternate United States, love has been declared a dangerous disease, and the

government forces everyone who reaches eighteen to have a procedure called the Cure. Living with her aunt, uncle, and cousins in Portland, Maine, Lena Haloway is very much looking forward to being cured and living a safe, predictable life. She watched love destroy her mother and isn't about to make the same mistake. But with ninety-five days left until her treatment, Lena meets enigmatic Alex, a boy from the Wilds who lives under the government's radar. What

will happen if they do the unthinkable and fall in love?

1st Place Gold Award in the 2015 Feathered Quill Book Program for Science Fiction/Fantasy! Finalist in the 2014 Book Pipeline Contest! Travel to the future - it will only cost you everyone you love. Attacked and injected with a drug which slows his metabolism to a fraction of normal, Martin James becomes an unwilling time traveler

who hurtles through the years. His children grow up, his wife grows older, and his only hope is finding the people who injected him in the first place- not an easy task when one day for Martin lasts four years. And while Martin James strives to find a cure before everyone he loves is gone, others are uncertain if his journey can be stopped at all. W. Lawrence weaves a dystopian future filled with the best and worst of humanity, highlights the blessings and curses of

technology, and pushes the limits of faith and hopelessness. Above all, Syncing Forward is a tale of one man's love for his family, and their devotion to saving him from being lost forever. Aquarian CreateSpace
WHEN IT COMES TO LOVE,
SOMETIMES IT TAKES THE
HEAD YEARS TO
DISCOVER WHAT THE
HEART HAS ALWAYS
KNOWN When Forbes
Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew

what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her

happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he

had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they

begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

Now a Netflix Feature Film! "A heart-pounding page-turner with an outstanding cast of characters, a deliciously creepy setting, and an absolutely merciless body count." -Courtney Summers, New York Times bestselling author of Sadie and The Project A New York Times bestseller It's been almost a year since Makani Young came to live with her grandmother and she's still adjusting to her new

life in rural Nebraska. Then, one by one, students at her high school begin to die in a series of gruesome murders, each with increasing and grotesque flair. As the body count rises and the terror grows closer, can Makani survive the killer's twisted plan?

AFTER THE FALL

Harper Collins
Tori Brown is recovering from the embittered breakup of her engagement and seeks solace in the depths of Herefordshire. Living

alone, she adapts to the close and friendly village life, where her personal life is not questioned, thus distancing herself from any prospective relationships. With the calming influence that her horse Carlos gives her, she is soon riding the bridle paths and woodland and beginning to enjoy her life once again. Sudden events take a hold and Tori is thrown, not only from Carlos, but into the beginnings of a new life that is to change everything. Someone else comes into her life, not

what she quite expected but certainly what she wanted. Johan Andersen, a local Norwegian forester, captures Tori's heart and from that point on life is not the same again... just better, beyond her wildest dreams.

TAINTED ENERGY

After being rescued moments before Earth is destroyed, Sam and his daughter Emma are shipped away to planet Syri, where they now reside in a dome with

thousands of other human survivors. Complete with welcome mats, mailboxes, and breakfast cereal, the dome is a suburban paradise made to emulate Earth in every way... But something feels wrong. Why did the aliens save them? How did they know about Earth's fate? And exactly what are they hiding?The mystery intensifies as Emma forms an unexplainable bond with one of the Syrions; a bond that quickly has Emma sliding deeper into a dangerous attraction. As Sam and Emma search for

answers on their own, Emma wonders if she can trust her heart while Sam questions how he'll be able to protect his family from the very aliens humanity depends on for survival. the DOME is part 1 of a 3 part series. This book has a cliffhanger ending.

The DOME Penguin Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and

reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

UNSpoken MEMORIES

Scholastic Inc.
 Imagine having a love that is so deep, addictive, connected, and heavily embedded into your entire being that it haunts your every move. Four years later, after falling addictively in love with Promise "Savage" Morris

and having her world tossed upside down, Hazel is forced to pick up the pieces and move on with her life in hopes of raising their daughter, Adah, in a perfect life. But every move Hazel makes, she feels the addictive love of Promise trailing behind her. After taking an unexpected downward turn in his empire of the drug business and serving four years in prison, Promise devises a plan to turn his life around for good, but most importantly, pick up where he left off with

Hazel and rekindle their old flame all while reclaiming his name in the streets. What happens when arch enemies show their face, ulterior motives surface, secrets and lies are revealed, and loyalty is tested? Can the addictive love of Promise and Hazel survive another round or will their love become far too tainted to endure?

Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible

adult." For now, he's got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot---sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to

visit him. When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.

The Creepers Saga

She awoke with no memory of who she was, but one clue will lead her to him... Abigail Adams had it all, she's a gorgeous supermodel, has

a wealthy fiance, and a career on the rise. But that quickly changes when she wakes up in the hospital not remembering anything. The only memories she does have are not her own, but of a total stranger. When Abigail discovers that her fiance has been cheating on her, she leaves him and runs to the arms of the one man she is hoping will give her the answers she seeks. Matt Garcia is used to playing the field, keeping his heart guarded, but then Abigail Adams unexpectedly

shows up at his door hoping he will be the answer she is looking for. Will he finally learn to take a break from his no strings attached lifestyle and show her that she doesn't need her past, but the future he is willing to offer her? With every unspoken memory she regains, will she learn to open up her heart to a total stranger, or will she keep it guarded like he does? The centerpiece of this rare collection, "The Beckoning Fair One," is widely regarded as a classic of the horror genre. At first blush, it's a conventional haunted house story involving an unsuccessful writer, who moves into an empty house in hope that isolation will help his failing creativity. His sensitivity and imagination are enhanced by his seclusion, but his art, his only friend, and his sanity are all destroyed in the process. . .

A Biography Cartwheel Books
From Lauren Oliver, New York Times bestselling author of the *Delirium* trilogy, comes a collection of three outstanding standalone teen novels. *Before I Fall*: With this stunning debut novel, Lauren Oliver emerged as one of today's foremost authors of young adult fiction. After she dies in a car crash, Samantha relives the day of her death seven times, trying desperately to change the outcome, until she discovers that the way to

save herself might be to save someone else. Named to numerous state reading lists, this novel was also recognized as a Best Book of the Year by The Daily Beast, NPR, and Publishers Weekly, among others. *Panic*: In this contemporary teen novel, a group of teens enters a high-stakes game with the hope of winning a chance at a better life. This is an extraordinary story of fear, friendship, courage, and hope that Kirkus Reviews says "will have readers up until the wee hours," E. Lockhart,

author of *We Were Liars*, calls this novel "a thrill a minute." *Vanishing Girls*: Lauren Oliver's latest novel delivers a gripping story about two sisters inexorably altered by a terrible accident. Dara and Nick used to be inseparable, but that was before the accident that left Dara's beautiful face scarred and the two sisters totally estranged. When Dara vanishes on her birthday, Nick thinks Dara is just playing around. But another girl has vanished, too, and Nick becomes increasingly

convinced that the two disappearances are linked.

EIGHT DAYS IN OCTOBER

Before I Fall Newbery Honor author Rodman Philbrick sends readers rushing down a raging river on a life-or-death adventure when a

white water rafting trip goes terribly wrong! Daniel Redmayne is fast asleep on the first night of a white water rafting trip, when he's awoken by screams. The dam has failed. The river is surging, and their camp will be under water in a matter of moments. As the shrieking roar of the river rushes closer, the kids scramble to higher ground. They make it; their counselors do not. Now they're on their own, with barely any food or supplies, in the middle of the Montana

wilderness. Do Daniel and his four classmates have what it takes to stay alive until they can get rescued? Alone in the wild, they forge powerful

bonds -- but develop dangerous disagreements. If nature doesn't break them, they might just destroy each other. This gripping

survival story from the Newbery Honor author of Wildfire is filled with adrenaline-pumping adventure and moments of true bravery.
