LUCKY LOSER

Cleis Press

Love has a way of derailing the best of plans. Wynter Thompson, divorced with a young child, struggles to balance the demands of her surgical residency with the responsibilities of motherhood -and between the two, discovers there is little time left for anything else. She manages to convince herself that she has everything she needs, because another chance at love is definitely not in her game plan. Pearce Rifkin is a woman with a plan, and it doesn't include a serious relationship. Chief Surgical Resident is just a stepping stone to her lifelong goal - chairmanship at one of the top ten medical centers. Determined to follow in her father's footsteps, even though she isn't the son he dreamed of, Pearce has no time for romance. Two women with nothing in common but a shared passion for surgery clash at every opportunity, especially when matters of the heart are suddenly

at stake.

Prescription for Love
Bloomsbury Publishing

Medic Ryon Drake has never been good at following protocol, so she doesn't think twice about rendering emergency care when a young girl's life is at stake--even if the girl is in the throes of Werfever and any sane mortal should know better. It isn't the bright shining pain of the bite or even the wrenching agonies of the fever that convinces her everything in her life has changed. It's the way she feels about the blonde with the silver-blue eyes leaning over her hospital bed when she finally wakes up. Sylvan, the Alpha of the Adirondack Timberlake Pack--the one woman Drake can't have. And the only one she wants. The first in the *Midnight Hunters* series. *Blood Hunt* Bold Strokes Books Inc
Homicide detective Tori Hunter was used to doing things her way. But even after having six different partners in seven years, Tori isn't prepared when she's forced to team up with the hot-tempered Samantha Kennedy. Samantha, on the other hand, is trying to juggle a new job, a demanding boyfriend, and now finds

herself with an even greater challenge—being partnered with the most difficult detective in the entire squad. After a brief terrorist scare disrupts their serial killer investigation, the two women find themselves growing closer. Samantha begins to question the relationship with her longtime boyfriend, and Tori, never one to allow anyone to get close, begins to feel her defenses slipping in Sam's presence. A serial killer and drug deals gone bad; the two detectives struggle with their feelings, trying to maintain their professional relationship while keeping their nearly flammable physical relationship in check. With *Hunter's Way*, Gerri Hill masterfully blends suspense and intrigue with her unique style of romance.

Zelda Fitzgerald Bold Strokes Books Inc
Zelda Fitzgerald, along with her husband F. Scott Fitzgerald, is remembered above all else as a personification of the style and glamour of the roaring twenties - an age of carefree affluence such as the world has not seen since. But along with the wealth and parties came a troubled mind, at a time

when a woman exploiting her freedom of expression was likely to attract accusations of insanity. After 1934 Zelda spent most of her life in a mental institution; outliving her husband by few years, she died in a fire as she was awaiting electroconvulsive therapy in a sanatorium. Zelda's story has often been told by detractors, who would cast her as a parasite in the marriage - most famously, Ernest Hemingway accused her of taking pleasure in blunting her husband's genius; when she wrote her autobiographical novel, Fitzgerald himself complained she had used his material. But was this fair, when Fitzgerald's novels were based on their life together? Sally Cline's biography, first published in 2003, makes use of letters, journals, and doctor's records to detail the development of their marriage, and to show the collusion between husband and doctors in a misdirected attempt to 'cure' Zelda's illness. Their prescription - no dancing, no painting, and above all, no writing - left her creative urges with no outlet, and was bound to make matters worse for a woman who thrived on the expression

of allure and wealth.

KEEPERS OF THE CAVE

Simon and Schuster
What do you do when your carefully planned life takes a wrong turn into hell? When Quinn Maguire, a dashing young trauma surgeon, unaccountably accepts a position as an ER physician, her new boss, Honor Blake, suspects that Quinn is hiding a dark secret. While the two declare an uneasy truce in an effort to work together, both struggle with mutual, and unexpected, attraction. Honor, however, has more than one reason to resist her growing feelings for the attractive newcomer—not the least of which is that her heart belongs to the woman whose wedding ring she wears. Amidst the chaos and drama of a busy emergency room, Quinn and Honor must contend not only with the fragile nature of life, but also with the mysteries of the heart and the irresistible forces of fate.

A Novel Bella Books

When a trauma surgeon and a filmmaker become reluctant allies on the battleground between life and death, passion strikes without warning. Saxon Sinclair, the broodingly secretive Chief of Trauma

at a busy Manhattan hospital, is less than pleased to learn that her new resident is going to be the subject of a documentary film. The arrival of Jude Castle, a fiery independent filmmaker, soon sets sparks flying as the two driven women clash both personally and professionally. Both have secrets they have spent a lifetime guarding, and both have chosen careers over love. Desire and destiny clash in this blazing romance.

PASSION'S BRIGHT FURY

Bold Strokes Books Inc
Dr. Ali Torveau knows just how fragile life can be-- she sees death and tragedy every day in the trauma unit. Battling the dark forces of fate is her life's work and she doesn't want or need anything else, certainly nothing as transient as love. Plenty of women try to change her mind, but she never has any trouble saying no. Not until the day firefighter Beau Cross shows up in her ER and sets Ali's carefully ordered world aflame.

Zoey Cohen spent a lifetime learning to hide disappointment and loss behind a mask of unshakeable calm and control, even when her longtime friend-with-benefits lover moves on

for true love. Declan Black returns to Philadelphia Medical Center after an accident costs her the life she'd built and her career. She's resolved to protect herself from ever being vulnerable to past mistakes by rebuilding her life around her new role as an ER attending, and that life does not include love. Zoey will never accept second place in matters of the heart, even when her rival is a career, and Dec has nothing left to give of herself or her heart. Sometimes change is a force more powerful than will. A PMC Hospital Romance

Above All, Honor Bold Strokes Books Inc

This early work by Radclyffe Hall was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'Miss Ogilvy Finds Herself' is a novel about a woman who struggles to find her identity after the conclusion of the First World War. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much

lighter social comedy *The Forge* (1924), which made the best-seller list of *John O'London's Weekly*. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Her Voice in Paradise
Fated Love

Some people work to pay the bills or send the kids to school or afford playtime. Ex-Army medic physician-assistant Glenn Archer works, as much as she possibly can, to atone for all the lost lives on her conscience. No matter how many patients she helps save at the Rivers Community Hospital, it will never be enough, but it helps her look at herself in the mirror in the morning. Mariana Mateo needs to make a new life, one without the daily reminders of all she's lost and far away from the suffocating sympathies of her well-meaning family, and moving to a place as different as possible from the bustling LA she grew up in seems like a good idea. A cousin she hasn't seen in twenty years is the only person who knows her in the tiny upstate New York farming

community, and that's just the way she wants it. When working side by side with Glenn Archer in the ER makes Mari remember what desire feels like, Mari determines to ignore the feelings, which isn't all that difficult since Glenn is as unapproachable as the beautiful but remote mountains. A Rivers Community Novel"

CROSSROADS

Bold Strokes Books Inc The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an obscenity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own

sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

ROMANTIC INTERLUDES 1: DISCOVERY

Bold Strokes Books Inc From the New York Times bestselling author of Pearl Harbor and Oscar-nominated writer of Braveheart comes an epic historical page-turner: the gripping, unforgettable story of a patriot's secret mission in Russia to save America from certain defeat on the eve of the Revolutionary War. A brilliant soldier and passionate patriot, Virginia cavalryman Kieran Selkirk is summoned to a clandestine meeting in the winter of 1774. There he finds none other than Benjamin Franklin, who reveals that the British have asked Catherine the Great, the ruthless and mysterious ruler of Russia, to provide twenty thousand of her soldiers to help stamp out the revolution brewing in America. Such a force, fresh from brutal warfare with the Turks, would crush all hope of

American independence. Selkirk's assignment is straightforward -- and astounding. He is to travel to Russia disguised as a British mercenary, offer his services to the Tsarina in putting down a Cossack rebellion that threatens her throne, and convince her not to join the British in their war with America. To succeed, he must cross savage terrain, battle starving wolves, avoid secret assassins, fight marauding Cossacks, and contend with a court of seductive young women. In a narrative full of passion and peril, of battles on horseback and wars within the human soul, Selkirk's mission meets with thrilling surprises, including a romantic face-off with the legendary Catherine herself. Told with the hand of a master storyteller, Love and Honor is perhaps Wallace's most ambitious project yet, taking readers back to the eighteenth century in a patriotic novel brimming with romance and heroism on the grandest scale. Exotically transporting yet deeply American, Love and Honor captures the fight for good over evil, integrity and compassion over cruelty, and true love over all.

Love and Honor Bold Strokes Books Inc
Dr. Hollis Monroe specializes in short-term relationships, typically eight months or less. As an obstetrician dealing with high-risk pregnancies, she spends all her time and energy in caring for women at a nice, comfortable professional distance until she delivers their babies and can walk away. They're happy, she's satisfied, and no one gets hurt. The perfect relationship. Pregnant mother-to-be Annie Colfax is alone and barely making ends meet—she didn't plan on starting a family by herself, but she's determined to succeed. All she had to do is survive. Neither woman wants a relationship, but fate brings them together at a crossroads that will change their lives forever.

Love on the Night Shift

Simon and Schuster
No risk is too high. No adventure too daunting. Emery Lawson reinvents herself after another near-death experience prompts a thorough reevaluation of her priorities. Empowered to live a life of no regrets, she casts aside all that is familiar to face her fears and chase her dreams. But as she heads for the wilds of

Alaska, romance is definitely not on her agenda, because she's convinced she's incapable of falling in love. Pasha Dunn has learned to expect the unexpected in her job with an adventure outfitter in the remote Alaskan interior. Adaptability is essential in such a savage and unforgiving landscape. But she's woefully unprepared when her infallible intuition tells her that client Emery Lawson is the soul mate she's been waiting for all her life. Emery is clearly determined to remain unattached, and her high-risk vagabond lifestyle is too far outside Pasha's comfort zone. All that they think they want and know will be challenged when they are thrust into a nightmare of survival and endurance high above the Arctic Circle. *Passionate Rivals* Bold Strokes Books Inc

THE MIDNIGHT HUNT

Bold Strokes Books Inc
Secret Service Agent Oakes Weaver is in the midst of the biggest assignment of her career—leading the advance team for President Andrew Powell's impending trip to Philadelphia where everyone expects he will be nominated to run for a second term. The last thing she needs is a tragedy among the president's inner circle that might not be an accident, or the sudden recruitment of Ari Rostof, a woman who might be a

lot more than she seems. But Oakes doesn't get a say in policy. She only has to secure the president's safety—at all costs. First Daughter Blair Powell and her spouse, Cameron Roberts, are among the reelection campaign members accompanying President Andrew Powell to Philadelphia. While the president may be protected by his Secret Service agents, those close to him are literally in the kill zone, and his adversaries will stop at nothing to further their cause—even mass murder.

Take three friends, add two ex-lovers and several new ones, then mix with more secrets than any of them know—and the result is a recipe for explosive rivalries and incendiary romance. Attorney Liz Ramsey thought she had everything—a devoted partner, a challenging job, and plans for a family in the making. Unfortunately, her life takes a turn, and she ends up alone and in the kind of trouble she never dreamed of. Then she bumps into—literally— young surgeon Reilly Danvers, and life gets

even more complicated. Liz's two best friends offer all the support she needs, but they have secrets of their own. Candace Lory, a high-powered commodities trader and swinging playgirl, meets her match when she hooks up with corporate attorney, Parker Jones. Brenda Beal, the only member of the group who hasn't slept with every available woman, prefers to fantasize about a perfect lover, especially if she's obedient and willing to do anything Bren orders. A surprise birthday outing and a dashing, dark-eyed submissive transform Bren's fantasies into reality and her dark secrets into delicious pleasures.

Snowbound

Northwestern University Press
Dr. Bennett Anderson accepts a short-term contract at a rural medical center to fill the gap year before taking the high-profile job she'd put on hold while chasing a dream that had slipped away. In a deep-rooted community where everyone seems to know everyone else, Ben is an oddity—a stranger just passing through with no plans to build any ties.

Courtney Valentine is looking for a woman exactly like Ben—smart, sexy, and not in the market for anything serious. All she has to do is convince Ben that sex-without-strings is the perfect pathway to pleasure. What could be better?

Trauma Alert Bold Strokes Books Inc

The policewoman got shot and she's bleeding everywhere. Get someone here in one hour or I'm going to put her out of her misery. An ultimatum that forever changes the lives of police officer Sam Lucas and Dr. Kate Myles. When heavy snowfall isolates the small English village of Birchenlow, a violent robbery shatters the community. Taken as a hostage and stranded with the increasingly desperate criminals, Sam is seriously injured during an ill-fated escape attempt. Already struggling to save the lives of the villagers caught up in the raid, Kate volunteers to walk straight into the lion's den. Cut off from help, with only each other to rely on, Sam and Kate must find a way to fight the odds and stay alive if the growing attraction between them is to survive.
