YouTube"With flying colours" is a popular idiom of the English language that is used to describe how well someone has completed a task. For example, a common use of the phrase is to refer to someone having passed a test or other examination "with flying colors," i.e. passed the test easily or with an exceptionally high score. The phrase originated in the Age of Discovery, when ships would return to port with their flags either raised or lowered to signify that the ship had either been successful or defWith flying colours - WikipediaFlying Colors appeared as a new surprise supergroup in 2013 with the pop-infused self-titled album. The band's members, Mike Portnoy, Neal Morse, Steve Morse, Dave LaRue, and Casey McPherson, certainly do not need any introductions and their pedigrees going into their debut album immediately set the expectations high.Flying Colors - True Colors (Album Review) - The Prog ReportWith flying colours - Wikipedia Flying Colors True Colors
