INTERMEDIATE ACCOUNTING

Pearson
 Managerial Accounting, 3rd Edition by Charles and Elizabeth Davis offers a modern, practical approach to teaching and learning managerial accounting based on a unique integration of concepts, practice, and business context within distinct and flexible learning units. Praised for its decision-making framework, Managerial Accounting, 3rd Edition, provides students with a better understanding of decisions made by organizations through the inclusion of a Continuing CaseStory, which puts business decisions into context and allows students to see the relevance of managerial accounting to their future careers.

FINANCIAL AND MANAGERIAL ACCOUNTING

Vikas Publishing House
 Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how

it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

A TEXTBOOK OF COST AND MANAGEMENT ACCOUNTING, 10TH EDITION

Emerald Group Publishing
 A Textbook of Cost and Management Accounting provides the students with thorough grounding in cost concepts, cost behaviour and methods, and techniques of cost and management accounting with an understanding of the uses and limitations of cost and financial data for managerial operations. The text of the subject matter

has been presented in a student-friendly, simple and intelligible manner. Every discussion involving conceptual complexity is immediately illustrated by a numerical example. In addition, the book contains a liberal sprinkling of charts and diagrams so as to make the subject easily understandable and highlight its finer points. The subject matter has been organized on 'first things first' basis for its logical presentation that sustains interest. The approach of the book is examination oriented. Thus, a good number of problems and solutions have been included in its chapters. Theoretical and numerical questions have been mostly selected from various examinations. Objective type questions have been given to serve as self test by students. This is an ideal book for self study. New to this edition • All chapters thoroughly revised • Latest information on Cost Accounting Standards (CAS) issued by the Institute of Cost Accountants of India (ICAI) • Chapter on 'Miscellaneous Topics' made more contemporary by including some new sub-topics, and thus re-named 'Advanced Cost Management Techniques' • Revision and augmentation of practical problems Focused Operations Management for

Health Services Organizations Pearson Focused Operations Management for Health Services Organizations offers managers and staff the practical knowledge and tools they need to accomplish much more within existing resources. This text identifies common bottlenecks and constraints and focuses on the critical issues and processes faced by managers in the health care field. The book provides tools to significantly improve organizational operations as well as enhance quality and customer satisfaction without increasing the use of physical, human, and financial resources.

Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a

procedure, but why it's applied.
