BIOETHICS IN A CULTURAL CONTEXT--PHILOSOPHY, RELIGION, HISTORY, POLITICS presents a unique, philosophical approach to modern bioethics.

Rather than simply setting up debates about contemporary issues, this book helps students understand that many of today's bioethical controversies are tied to profound underlying questions fundamental as: When does life begin and end? What is a human being or person? What is life's purpose?

What is the ideal society? The text is comprehensive and accessible, featuring a wide range of content that is crisply presented and clearly explained.

A multitude of interesting examples and cases provides ample opportunity for discussion, debate, and research. Important Notice: Media content

ISLAMIC FINANCE : A PRACTICAL GUIDE

Harper Collins

Known as the Blue Book this fourth edition continues with the endorsement from the Association of Cost Engineers. The guide is designed to be an aid for student engineers in the design activities undertaken during their course and help young engineers in industry to compile their own set of cost

data. With much of the material in the third edition retained, the major changes are: new cost data; up-dated cost index information (which has been

donated by industrialists); and short-cut estimating techniques up-dated.

Guide to Capital Cost Estimating Hawthorne Books

"In Yemen in 1920 ... Adela Damari's parents desperately seek a future husband for their young daughter. After passage of the Orphan's Decree, any

unbetrothed Jewish child left orphaned will be instantly adopted by the local Muslim community. With her parents' health failing, and no spousal

prospects in sight, Adela's situation looks dire until her uncle arrives from a faraway city, bringing with him a cousin and aunt who introduce Adela to

the powerful rituals of henna tattooing"--Amazon.com.

A Companion to Greek Democracy and the Roman Republic offers a comparative approach to examining ancient Greek and Roman participatory

communities. Explores various aspects of participatory communities through pairs of chapters—one Greek, one Roman—to highlight comparisons

between cultures Examines the types of relationships that sustained participatory communities, the challenges they faced, and how they responded

Sheds new light on participatory contexts using diverse methodological approaches Brings an international array of scholars into dialogue with each

Love and Terror on the Howling Plains of Nowhere The Life and Death of Adolf Hitler

He kidnapped me. He was charming, powerful, intoxicating. Accepting his advances might be the last mistake I'd ever make. He was a dangerous

man, and the fact that he made me feel alive couldn't hide that I danced with death. I made my choice, and he made his. Now I'm trapped in his

basement, completely at his mercy. Day after day he toys with me for his own amusement. Pleasure and pain, pain and pleasure. The two are so

linked now that I can barely tell them apart and I'm beginning to crave both. Worse, I'm beginning to crave him. Author's note: This is the fourth book

in the Vittorio Crime Family series, but it is a full-length, standalone romance and can be enjoyed without reading the other books!

A Companion to Greek Democracy and the Roman Republic

The author recounts his six-year investigation of a local college professor's death while providing an examination of his small, isolated town, his rocky

marriage to a Mexican woman, and his ostensibly autistic son.

THE LIFE AND DEATH OF ADOLF HITLER

A girl thought to be a boy steals her sister's skirt, while a boy thought to be a girl refuses to wear a cornflower blue dress. One boy's love of a soldier

leads to the death of a stranger. The present takes a bittersweet journey into the past when a man revisits the summer school where he had "an

accidental romance." And a forgotten mother writes a poignant letter to the teenage daughter she hasn't seen for fourteen years. Poised between the

past and the future are the stories of now. In nontraditional narratives, short stories, and brief graphics, tales of anticipation and regret, eagerness

and confusion present distinctively modern views of love, sexuality, and gender identification. Together, they reflect the vibrant possibilities available for young people learning to love others—and themselves—in today's multifaceted and quickly changing world.
