"Staying Found gives you all the information you'll need to be an expert orienteer. Learn to use a compass, find True North, read and use maps, and mark your trail, all invaluable knowledge for the day hiker or trail backpack... Staying Found: The Complete Map and Compass Handbook ...User Review - Flag as inappropriate This is a great book for developing practical map and compass reading skills. I had looked at a number of other books before buying Staying Found, and the reason I find it better is that I don't get hung up on tiny details that don't matter to me. I am not going to circumnavigate the planet any time soon so I don't need to plot a course across the Pacific Ocean. Staying Found: The Complete Map and Compass Handbook ...Now that you have oriented your map, compass and GPS you have completed an important first step in land navigation and are ready to head out. Blake Miller has made a career out of staying found and knowing where he is at all times. His formal navigation training began when he joined the U.S.

Navy in 1973. Staying Found: Orient your map before heading out into the ... Staying Found gives you all the information you'll need to be an expert orienteer. Learn to use a compass, find True North, read and use maps, and mark your trail, all invaluable knowledge for the day hiker or trail backpacker...
