PARKER KARSYN

Owl Service Dell

The author reflects on his fifteen-year relationship with a tawny owl, an unlikely companionship marked by their incredulous neighbors, books, and unique care challenges.

Midnight in the Century Createspace Independent Publishing Platform Eight-year-old Zulviya, her sister and her cousin, her mother and her grandmother... they all belong to the loom. For generations the women of Zulviya's family have earned their living by weaving rugs by hand. The rugs are valuable and the women are proud of their beautiful handiwork. But the work is hard. It takes months to weave a rug; each one contains

hundreds of thousands of knots. Before one work day has passed, Zulviya will tie thousands of knots. As she sits at her work, Zulviya weaves not one but two patterns. The pattern on the loom will become a fine rug. She weaves a second pattern in her mind. There she sees the green of the Afghani hills, the bright blue of the nearby lake, and the vivid orange of the setting sun. And Zulviya takes comfort in the landscape in her mind. The Day of the Owl Simon and Schuster "Claire Oshetsky's novel is a marvel: its language a joy, its imagination dizzying." —Rumaan Alam, New York Times bestselling author of Leave the World Behind An exhilarating, provocative novel of motherhood in extremis Tiny is pregnant. Her husband is delighted. "You think this baby is going to be like you, but it's not like you at all," she warns him. "This baby is an owl-baby." When Chouette is born small and broken-winged, Tiny works around the clock to meet her daughter's needs. Left on her own to care for a child who seems more predatory bird

than baby, Tiny vows to raise Chouette to be her authentic self. Even in those times when Chouette's behaviors grow violent and strange, Tiny's loving commitment to her daughter is unwavering. When she discovers that her husband is on an obsessive and increasingly dangerous quest to find a "cure" for their daughter, Tiny must decide whether Chouette should be raised to fit in or to be herself—and learn what it truly means to be a mother. Arresting, darkly funny, and unsettling, Chouette is a brilliant exploration of ambition, sacrifice, perceptions of ability, and the ferocity of motherly love.

Wow! Said the Owl

New York Review of Books

A man is shot dead as he runs to catch the bus in the piazza of a small Sicilian town. Captain Bellodi, the detective on the case, is new to his job and determined to prove himself. Bellodi suspects the Mafia, and his suspicions grow when he finds himself up against an apparently unbreachable wall of silence. A surprise turn puts him on the track of a series of nasty crimes. But all the while Bellodi's investigation is being carefully monitored by a host of observers, near and far. They share a single concern: to keep the truth from coming out. This short, beautifully paced novel is a mesmerizing description of the Mafia at work.

Owl House: Witches Before Wizards

Kids Can Press Ltd

New York Times and USA Today

bestselling authors W. Michael Gear and Kathleen O'Neal Gear are famous for writing novels about prehistoric America that are fast-paced, steeped in cultural detail, and smart. In *People of the Owl* they combine their distinctive trademark of high action with a rich psychological drama. Four thousand years ago, in what centuries later will be the southern part of the United States, a boy is thrust into manhood long before he's ready. Young Salamander would much rather catch crickets and watch blue herons fish than dabble in the politics of his clan. But when his heroic brother is killed, Salamander becomes the leader of America's first city. He inherits his brother's two wives, who despise him, and is forced to marry his mortal enemy's daughter to forge an alliance for the trade goods his people desperately need. Cast adrift in a stark wilderness of political intrigue where assassins are everywhere, young Salamander has no choice but to become a man—and quickly. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Day of the Owl Viking Books for Young Readers

Sadly the Owl is a line-dancing Owl who loves to jump out of bed to shine his boots. One day he wakes up with a big dark cloud above his head. This is a tale about more than just sad days and we can't wait to see Sadly shine his boots again. The book is a mental health conversation starter that teaches children to have a voice, understand that they are not alone in their struggles, and how they can build resilience.

Fatale Disney Electronic Content

"Paul Bannick's new book *Owl: A Year in the Lives of North American Owls* integrates more than 200 new intimate and dramatic images, up-to-date science about owls, and firsthand experience based on tens of thousands of hours spent with owls on their territories in the wild. Readers will witness rare images as the owls move through each stage of their life: courtship, mating, and nesting in spring; feeding of young and fledging in summer; dispersal and gaining independence in fall; and finally, winter's migrations and competitions for food. The book shows how owls use the unique resources available to them in each habitat to overcome the challenges of each season. All 19 species of owls found in Canada and the United States are featured in the photos and narrative throughout the book, with special focus on the Northern Pygmy-Owl, Great Gray Owl, Burrowing Owl and the Snowy Owl."--

The Day Of The Owl The Wild Rose Press Inc

An ancient wizard gives Luz a map for a mythical quest. Although Eda and King warn her the map is a fake, Luz heads out on the quest alone. Will she prove that she is a Chosen One, or fall into an evil trap?

People of the Owl Grove/Atlantic, Inc.

Chronicles the author's rescue of an abandoned barn owlet, from her efforts to resuscitate and raise the young owl through their nineteen years together, during which the author made key discoveries about owl behavior.

CONTESTO

Arbordale Publishing

In Italian cultural and political discussions, "the problem of the South" occurs as frequently as it does in America, though with quite a different meaning. Inevitably, such discussions must include Sicily, the island that gave to the languages of the world the two words which form the American title of Leonardo Sciascia's novella, along with that nearly untranslatable word *omertà*. The Italian South (and, especially, Sicily) means crime

and violence and the corruption of public justice by a secret organization which cannot even be proved to exist -- since the code of *omertà* (which means, literally, "connivance") binds even the innocent to what Signor Sciascia calls "the conspiracy of silence." Americans were familiar with the impact of Sicily upon our own crime and justice long before last fall's news stories on the Cosa Nostra -- but when this little book appeared in Italy, it created a public sensation, even though the author's afterword describes the care with which he tried to conform

The Day of the Owl HarperCollins

The Owl Book is a fascinating compendium of all things owl, featuring details of the life cycle and the differences between the many species. There is also a section exploring owls in myth and legends from around the world and their place in art and literature. This compact guide to a much-loved creature is rigorously researched and photo-illustrated throughout.

The Owl Killers New York Review of Books

PhD student Ardyth Nightshade has renounced men and pursues her twentieth-century career with single-minded focus. When fate whisks her to medieval England, she meets her match in a man whose passions mirror her own. Can she sacrifice ambition for a love she never sought? Hugh, Lord Seacrest confounds all who know him. He refuses to marry without a meeting of minds and hearts, and no lady has even approached his ideal...until Ardyth. But she's an odd one, with unique skills, shocking habits, and total conviction she needs no man. She also harbors secrets, and in the midst of rumors, plots, and murder, trust is fragile. A woman outside of her time. A man ahead of his. They must take a leap of faith to forge a bond that will shape history.

Waiting for the Owl's Call Harper Collins

Warm Hearts Day is approaching and Eva has been making lots of fun gifts and treats for her friends, but as the big party at the Old Oak Tree nears, she realizes that she has neglected to make any gifts for her family.

The Owl Always Hunts at Night New York Review of Books

In book #5, it's almost Warm Hearts Day! Everyone is busy making gifts for

their loved ones. Eva LOVES crafting, so she creates all sorts of fun gifts and treats for her friends. She is excited to give out her homemade gifts at the big party at the Old Oak Tree. But then Eva realizes she forgot to make gifts for her family! Will she be able to make the gifts in time?

Candlewick Press (MA)

A New York Review Books Original

Whether you call her a coldhearted grifter or the soul of modern capitalism, there's no question that Aimée is a killer and a more than professional one. Now she's set her eyes on a backwater burg—where, while posing as an innocent (albeit drop-dead gorgeous) newcomer to town, she means to sniff out old grudges and engineer new opportunities, deftly playing different people and different interests against each other the better, as always, to make a killing. But then something snaps: the master manipulator falls prey to a pure and wayward passion. Aimée has become the avenging angel of her own nihilism, exacting the destruction of a whole society of destroyers. An unholy original, Jean-Patrick Manchette transformed the modern detective novel

into a weapon of gleeful satire and anarchic fun. In *Fatale* he mixes equal measures of farce, mayhem, and madness to prepare a rare literary cocktail that packs a devastating punch.

On a winter's night under a full moon, a father and daughter trek into the woods to see the Great Horned Owl.

The Day of the Owl ; Equal Danger The Day of the Owl

After a courtship voyage of a year and a

day, the owl and the pussycat finally buy a ring from Piggy and are blissfully married, in this illustrated version of Lear's nonsense poem.

[A Novel of Prehistoric North America](#)
Macmillan

Putting a twist on the bedtime book, this story is sure to comfort any child with a curiosity about the night. This lap board book edition is ideal for families and tots to read together. Full color.

Chouette Chronicle Books

District Attorney Varga is shot dead. Then Judge Sanza is killed. Then Judge Azar. Are these random murders, or part of a conspiracy? Inspector Rogas thinks he might know, but as soon as he makes progress he is transferred and encouraged to pin the crimes on the Left. And yet how committed are the cynical, fashionable, comfortable revolutionaries to revolution—or anything? Who is doing what to whom? *Equal Danger* is set in an imaginary country, one that seems all too real. It is the most extreme—and gripping—depiction of the politics of paranoia by Leonardo Sciascia, master of the metaphysical detective novel.
