### NEAR DEATH

Head of Zeus Ltd

In the sensational and much-anticipated conclusion to the internationally bestselling Library of the Dead trilogy, Will Piper, a former FBI agent, is retired and living a life of leisure in Florida when a new Doomsday Killer emerges. Then Will's son, Phillip, disappears after receiving a mysterious email from the other side of the world. The high-stakes adventure that Will is pulled into spans centuries and continents and may at last reveal what the Library cannot about the future of humankind—if there is to be a future . . .

### The Supremacy of God in Preaching

Harper Collins

An ancient knowledge. A conspiracy of silence. A secret to kill for. On the seventh day of the seventh month, the seventh son of a seventh son is born to ominous prophecy on the Isle of Wight. Centuries

later, in 1947, Winston Churchill is called out of retirement to deal with an unprecedented archaeological discovery that threatens to derail postwar reconstruction. Soon afterwards, in Roswell, New Mexico, an alleged UFO sighting heralds the establishment of a secret military complex in Nevada—a base that comes to be known as Area 51. In present-day New York City, Will Piper is reluctantly forced to interrupt his dissolute spiral into retirement when his superiors at the FBI assign him to the high profile Doomsday serial-murder case. The victims have nothing in common, except for one detail—each of them received a postcard foretelling their date of death. But just when Piper finds a credible lead, he's taken off the case. Continuing the investigation on his own, he must outwit the ruthless team of covert operatives from Area 51 who are protecting the government's greatest secret. From a medieval monastery to a cutting-edge government laboratory, Library of the Dead spans centuries and continents to deliver a richly detailed, highly researched

and sharply written exploration of fate and free will.

*Secret of the Seventh Son* B&H Publishing Group

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

### Brothers, We Are Not Professionals

Harper Collins

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into

the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?

Coraline Simon and Schuster

Collects and analyzes seventy years of communist crimes that offer details on Kim Sung's Korea, Vietnam under "Uncle Ho," and Cuba under Castro.

### **A Novel About the History of Philosophy** Crossway

New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is "God's purposeful sovereignty." Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God's providence—from Genesis to Revelation—to discover the all-encompassing reality of God's purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God's mission in this world.

*The Fourth Prophecy* Moody Publishers  
"If you live gladly to make others glad in God, your life will be hard, your risks will be high, and your joy will be full." —from the Introduction  
*The American Dream* beckons people to spend their lives on trivial diversions, slipping through life caught up with seeking success, comfort, and pleasure above all else. But God designed people for far more than this. In this best-selling book, John Piper makes a passionate plea to the next generation to avoid the dangers of a wasted life, calling us to take risks and make sacrifices that matter for eternity—with a single, soul-satisfying passion for the glory of God that seeks to make much of him in every sphere of our lives.

*The Keepers of the Library* A&C Black  
A brilliant neuroscientist, obsessed with death since his own childhood near death experience, resorts to drastic measures to prove the existence of the afterlife. Milan, Italy today. It is the most serious crisis that the world has ever faced. Bewildered,

young and old, believers and atheists are asking all the same, distressing questions: What will they do now that the greatest dream of humanity has turned into a nightmare? What will happen when the countdown clock winds to zero? Boston, a few months before. It is the most complex investigation that Cyrus O'Malley has ever faced. The FBI special agent looks at photos of the victims for the umpteenth time and wonders why, after being strangled, the serial killer has drilled a tiny hole through their skull. For Cyrus, the case becomes an obsession. To solve it, he will be forced to give up everything he holds dear. England, 1988. It is the most overwhelming feeling that Alex Weller has ever had. In ecstasy, at the pivot point between life and death, the boy sees a river of light flowing in front of him and on the other side there is his father, joyfully urging him to join him. But Alex cannot move, and suddenly he is back at the site of the terrible car accident that has just killed his parents. Since that time, Alex has had only one goal: to understand and relive that experience. Even if he is forced to kill.

### **WILL PIPER #1**

Peryton Press

While searching the far reaches of the Amazon for a legendary Mayan city, covert government operative Danielle Laidlaw and her team, stalked by an unseen enemy and threatened by a violent indigenous tribe, soon realize that they are not seeking just an artifact, but a breakthrough discovery that could change the world. Original.

### **Three Tales of Coven Tree** Harper Collins

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

Rogue Wave Harper Collins

Book of Souls Harper Collins

### **CRIMES, TERROR, REPRESSION**

Baker Books

Andrew Piper grew up liking books and loving computers. While occasionally burying his nose in books, he was going to computer camp, programming his Radio

Shack TRS-80, and playing Pong. His eventual love of reading made him a historian of the book and a connoisseur of print, but as a card-carrying member of the first digital generation—and the father of two digital natives—he understands that we live in electronic times. *Book Was There* is Piper's surprising and always entertaining essay on reading in an e-reader world. Much ink has been spilled lamenting or championing the decline of printed books, but Piper shows that the rich history of reading itself offers unexpected clues to what lies in store for books, print or digital. From medieval manuscript books to today's playable media and interactive urban fictions, Piper explores the manifold ways that physical media have shaped how we read, while also observing his own children as they face the struggles and triumphs of learning to read. In doing so, he uncovers the intimate connections we develop with our reading materials—how we hold them, look at them, share them, play with them, and even where we read them—and shows how reading is interwoven with our experiences in life. Piper reveals that reading's many identities, past and present, on page and on screen, are the key to helping us understand the kind of reading we care about and how new technologies will—and will not—change old habits. Contending that our experience of reading belies naive generalizations about the future of books, *Book Was There* is an elegantly argued and thoroughly up-to-date tribute to the endurance of books in our ever-evolving digital world.

Multnomah Books

"This is a time when the fragile form of this world is felt. The seemingly solid foundations are shaking. The question we should be asking is, Do we have a Rock under our feet? A Rock that cannot be shaken—ever?" —John Piper  
On January 11, 2020, a novel coronavirus (COVID-19) reportedly claimed its first victim in the Hubei province of China. By March 11, 2020, the World Health Organization had declared a global pandemic. In the midst of this fear and uncertainty, it is natural to wonder what God is doing. In *Coronavirus and Christ*, John Piper invites readers around the world to stand on the solid Rock, who is Jesus Christ, in whom our souls can be sustained by the sovereign God who ordains, governs, and reigns over all things to accomplish his wise and good purposes for those who trust in him. What is God doing through the coronavirus? Piper offers six biblical answers to that question, showing us that God is at work in this moment in history.

## THE AMAZING MAURICE AND HIS EDUCATED RODENTS

FaithWords

Southern traditions, history, and hope come together in author Piper Huguley's heartfelt romance from Hallmark Publishing. Althea Dailey has succeeded beyond her wildest dreams: she's about to make partner at her prestigious law firm in New York. So why doesn't she feel more excited about it? When she has to travel South for a case, she pays a long-overdue visit back home to Milford, Georgia. To her surprise, a white man she's never met has befriended her grandmother. Jack Darwent wasn't interested in the definition of success dictated by Southern high society. His passion for cooking led him to his current project: a documentary and cookbook about authentic Southern food. Althea's grandmother is famous for her cooking at Milford College, a historically Black institution. But Althea suspects Jack of trying to steal her grandmother's recipes. Despite Althea and Jack's first impressions of one another, they discover they have more in common than they'd guessed...and even as they learn about one another's pasts, they both see glimmers of a better future. This Southern small-town romance includes a free Hallmark original recipe for Grandma's Biscuits and Gravy.

## THE RATS OF HAMELIN

Harvard University Press

This is the book you've been waiting for! Picking up where bestselling *90 Minutes in Heaven* left off, Don Piper reveals for the first time the sacred, intimate details of the people who met him at the gates of heaven and the profound impact they had on his faith on earth. In this incredible follow-up to his eight-million-copy bestseller, *90 Minutes in Heaven*, Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven, and offers powerful insights about the way for us to live our lives on earth. Don Piper's unforgettable account of a horrific car accident that took his life, and what happened next has riveted more than eight million readers. Something happened as he shared his story in the

years since. Not only did Piper realize he had more to tell, he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates. "I have never left a speaking engagement without people wanting to know more," he said in *THE PEOPLE I MET IN HEAVEN*, Piper takes readers deeper into his experience, which includes never-before-told encounters with the people who met him when he arrived in heaven—those who helped him on his journey that led to the entrance to God's heavenly home. Even more, Piper recounts the majesty of heaven and the glorious reunion that awaits us there. He offers practical insights, inspiration, and a challenging call that while we're on earth we need to obey Jesus' command to "go and make disciples of all nations."

**The Wish Giver** Harper Collins

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

*Greyhound* Crossway

When Sebastien Rane's mother can't be bothered to take care of him, she sends him to his grandmother's across the country on a Greyhound bus.

## A PIPER'S TALE

HarperCollins

"In that scented, touch-filled Pipeworld, where notes speak clear as words, where connections are thick and countless, I felt the chaining up and circling together of other traces in my head. And as the Pipe amplified all sounds and souls, including mine, I heard my mind echoing: the mission is dead- No rat-kill, no reward, no liberation. No home, no Hofmanns, no Klara- It was all an illusion." *The Rats of Hamelin* blends history and fantasy to reshape the hazy legend of the pied piper. After six years as a piper's apprentice,

Hannes sets out on the mission that will make him a master in the guild. His orders seem simple enough: rid Hamelin of a plague of rats and use the reward money for a charitable cause. Simple indeed, until he discovers that the real rats of Hamelin aren't the ones scurrying underfoot. Unsure who to count among his friends—the mayor's beautiful daughter, generous businessman, a precocious little girl? Hannes struggles against deadly enemies and thoughtless allies. Every step he takes comes down to a deceptively simple choice: when to show mercy and when to bring justice. Readers will be thrilled with this first novel by Adam and Keith McCune. This father-son team bring a wealth of linguistic and literary knowledge to bear on their retelling of the famous Pied Piper fairy tale. The story naturally lends itself to reflection on the themes of law and mercy, as well as the sometimes-complex nature of the relationship between fathers and sons.

*A Peculiar Glory* Simon and Schuster  
Carnegie Medal Winner \* New York Public Library Books for the Teen Age \* VOYA Best Science Fiction, Fantasy, and Horror \* ALA Best Fiction for Young Adults \* Book Sense Pick  
*The Amazing Maurice* runs the perfect Pied Piper scam. This streetwise alley cat knows the value of cold, hard cash and can talk his way into and out of anything. But when Maurice and his cohorts decide to con the town of Bad Blinitz, it will take more than fast talking to survive the danger that awaits. For this is a town where food is scarce and rats are hated, where cellars are lined with deadly traps, and where a terrifying evil lurks beneath the hunger-stricken streets.... Set in Terry Pratchett's beloved Discworld, this masterfully crafted, gripping read is both compelling and funny. When one of the world's most acclaimed fantasy writers turns a classic fairy tale on its head, no one will ever look at the Pied Piper—or rats—the same way again!

*People I Met at the Gates of Heaven* Amazonencore

When seventh-grader Piper's father is hired by Chumley Prep, a school where every student seems to be the best at everything, she gets the chance to compete for the prestigious Excelsior Award.
