Prayers of Forgiveness and Healing Morgan James Publishing

The rift between Protestants and Roman Catholics continues to separate Christians from one another and to diminish our witness in the world. Words such as "heretic," "apostate," "idolater," and "papist" have characterized much of the discussion over the last several centuries since the reformation. While changes in both groups over the last few decades have improved the tone of the discussion, much remains to be accomplished. Author Bob LaRochelle, as a former Roman Catholic and now a United Church of Christ minister, is well-equipped to guide us toward a more constructive relationship. Crossing the Street speaks to the heart of the Energion Publications mission statement by advocating a "mainstream ecumenical center" in which Roman Catholics and Protestants can come to a deeper appreciation and understanding of the gifts they bring to one another. It demonstrates ways in which these traditions have misunderstood one another and even themselves, and then proposes strategies for both ecumenical cooperation and self-understanding. This book is founded in a thorough understanding of both traditions and a commitment to ecumenical dialog and cooperation. It addresses both theory and practice. In a series of four chapters, it examines how we live in our own houses, the author's own story, and then the gifts that each group offers the other.

For churches and religious nonprofit operations, the business of business is not business - it is ministry. Still, such institutions have to make plans. Because skilled organization is needed to accomplish specific tasks, a leader must train and motivate workers in progress and effectiveness. This second edition of Church Administration helps pastors and church staff become effective and efficient leaders, managers, and administrators. Among the topics discussed are: Adminstration Documents, Organizing the Church, Administering Personnel Resources, Financial Resources, Physical Resources, and Administering Risk Management. Writing for students as well as those already in this line of work, author Robert H. Welch promises, "If you understand the tenants of general administration and the techniques of ministerial leadership your job will be made significantly easier."

The older teens in your parish want a youth ministry program that exposes them to relevant, real-world topics in an active, engaging way. Horizons is an innovative, comprehensive approach to religious education. Its foundation is teacher-led, creative learning strategies that give students ample opportunities for discussion, reflection--and fun! Designed for grades 9-12, Horizons utilizes

a module system so that you can combine courses and topics to meet the specific needs of your parish. Seven core courses set the stage for discussing central and foundational themes. Then choose from a wide selection of age-appropriate minicourses to round out your curriculum and craft summer courses, retreats, and youth-group activities. The Youth Ministry Strategies component features more than 65 creative youth activities to complement the Horizons curriculum. And on top of all that, Horizons includes outstanding training resources. You'll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere.

Many churches are unprepared to face the challenges inherent in family life today. Others, though, have developed innovative and exciting responses. In this book, case studies provide insights and strategies to help develop a practical theological perspective on family ministry. This new perspective represents a fresh and powerful witness to the place of families within contemporary communities of faith. The Family, Culture, and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical

assistance for the family's revitalization.

Highly entertaining and richly informative, Wisconsin Folklore offers the first comprehensive collection of writings about the surprisingly varied folklore of Wisconsin. Beginning with a historical introduction to Wisconsin's folklore and concluding with an up-to-date bibliography, this anthology offers more than fifty annotated and illustrated entries in five sections: "Terms and Talk," "Storytelling," "Music, Song, and Dance," "Beliefs and Customs," and "Material Traditions and Folklife." The various contributors, from 1884 to 1997, are anthropologists, ethnomusicologists, historians, journalists, museologists, ordinary citizens reminiscing, sociologists, students, writers of fiction, practitioners of folklore, and folklorists. Their interests cover an enormous range of topics: from Woodland Indian place names and German dialect expressions to Welsh nicknames and the jargon of apple-pickers, brewers, and farmers; from Ho-Chunk and Ojibwa mythological tricksters and Paul Bunyan legends to stories of Polish strongmen and Ole and Lena jokes; from Menominee dances and Norwegian fiddling and polka music to African-American gospel groups and Hmong musicians; from faith healers and wedding and funeral customs to seasonal ethnic festivities and tavern amusements; and from spearing decoys and needlework to church dinners, sacred shrines, and the traditional work practices of commercial fishers, tobacco growers, and pickle packers. For general readers, teachers, librarians, and scholars alike, Wisconsin Folklore exemplifies and illuminates Wisconsin's cultural traditions, and establishes the state's significant but long neglected contributions to American folklore.

How important is it to have a daily spiritual routine? The habit of reading and reflecting on God's Word daily can bring a much-needed respite from the grind of everyday life. "We sometimes experience seasons in our lives when our faith seems dormant," Junius Dotson wrote in the 2018 edition of *The Upper Room Disciplines*. "It's especially important to practice the daily discipline of scripture devotion in our seasons of winter," he remarked. "When we engage in daily spiritual formation, we deepen our roots . . . and grow our capacity to handle any season of life." Daily devotional reading is essential to our spiritual growth, and it helps keep our faith alive. *Disciplines* invites readers to spend unrushed time with God, reading a lectionary-based scripture passage, reflecting on the author's insights, and thinking about how to apply the truths from the readings to their daily life. This devotional book features 53 authors from diverse backgrounds, including some of the leading Christian thinkers of our time. Among the writers for 2021 are J. Dana Trent, James A. Harnish, Enuma Okoro, George Donigian, Beth A. Richardson, Kenneth H. Carter Jr., D. L. Mayfield, Stephane Brooks, Rachel Hackenberg, Rosalind Hughes, Memory Chikosi, Liz Magill, Charity Kiregyera, Joe Pennel, and Beth Taulman Miller.

Hangen traces the careers of three of the most successful Protestant radio evangelists--Paul Rader, Aimee Semple McPherson, and Charles Fuller--and examines the strategies they used to bring their messages to listeners across the nation, transforming American radio evangelism from an on-air novelty in the 1920s into a profitable and wide-reaching industry by the 1950s.

Ritual and Belief: Readings in the Anthropology of Religion is a collection of 41 readings in religion, magic, and witchcraft. The choice of readings is eclectic: no single anthropological approach or theoretical perspective dominates the text. Theoretical significance, scholarly eminence of the author, and inherent interest provide the principal criteria, and each reading complements its companion chapters, which are pedagogically coherent rather than ad hoc assemblages. Included

among the theoretical perspectives are structural-functionalism, structuralism, Malinowskian functionalism, cultural materialism, and cultural evolutionism; also included are the synchronic and diachronic approaches. The book offers a mixture of classic readings and more recent contributions, and the 'world religions' are included along with examples from the religions of traditionally non-literate cultures. As diverse a range of religious traditions as possible has been embraced, from various ethnic groups, traditions, and places.

How I Lost it and My Journey Back Zondervan/Youth Specialties

Revised anniversary edition: When St. Benedict formed his first small community of monks at Monte Cassino on the hilltop, Italy--and much of Europe--was ravaged by war. The Roman Empire was breaking apart, and politics, cultural life, and even the Church, were all in disarray. In the midst of these tumultuous times, Benedict offered his followers a "little rule," a guide about the size of a checkbook, that showed his monks the way to peace as they learned to prefer Christ above all things. Though it was written nearly 1500 years ago, the Rule of Benedict still offers the practical tools for living a Christ-centered today. Here in St. Benedict's Toolbox, readers will find a primer on how to use these tools in their own tumultuous lives. Each chapter examines one aspect of the Rule, from ways of praying to ways of embracing humility, and offers suggestions for prayer, reflection, journaling, and action. As they learn to use Benedict's tools, readers will discover the power--and the timeliness--of this ancient way of life.

Prayers of Forgiveness and Healing was developed to fulfill various prayer needs of youth and adult groups. The techniques used were refined by listening to the feedback for the groups and including their suggestions. The text may be used as ready made 'lesson plans' with scripts that will guide the leader with little experience, step by step through the prayer experience.

This book traces the author's journey of ascension through the seven levels of initiation, through the process of anchoring and activating his fifty chakras, expanding to a 99-percent light quotient, then on to anchoring and fully activating all twelve bodies, which include the five higher bodies. Exactly how this is done is shared, and in-depth information is given on the workings of the inner-plane ashram under the guidance of Djwhal Khul, Lord Maitreya and Lord Melchizedek. You are invited to journey with him as he unfolds the process of his initiations, beginning at the sixth, moving through the equivalent of the tenth initiation and into the beginning of the eleventh. Written as a personal log, this book shares, in an open and candid manner, dreams, meditations, conversations with the masters, spiritual background, thoughts and reflections and actual ascension experiences.

NOT WITHOUT GOD

Creeds, candles, silence, and ancient spiritual practices are gaining understanding and popularity among young people. Youth are realizing that there are treasures in tradition. *As Morning Breaks and Evening Sets* is a tool for unearthing, dusting off, and tapping into these treasures. *As Morning Breaks and Evening Sets* provides an introduction to the biblical form of prayer known as the Liturgy of the Hours--a rich and time-tested way for Christians to pray with the whole community of faith and out of the source of its hope, the inspired Scriptures. This type of prayer immerses believers in the poetic word of God found in the psalms, scriptural canticles, and scriptural readings. *As Morning Breaks and Evening Sets* contains fifteen prayer experiences designed to put the hearts and minds of adolescents in touch with the sacred. This is a book of simple yet profound prayer experiences that speak to the everyday experiences of young people. In this book young people experience the venerable practice of using the Scriptures to offer praise, thanksgiving, and intercession.

A Story of Survival Zondervan/Youth Specialties

Contrary to the oft-repeated truism, there are churches in America where Sunday is not the "most segregated day of the week," as Sheryl Kujawa-Holbrook convincingly demonstrates in her compelling exploration of congregations tackling racial justice issues. Yet the truism continues to haunt many congregations, and Kujawa-Holbrook reveals, through story and thoughtful analysis, what it means to create and live out multiracial community. Focusing on six congregations from different denominations, geographical regions, and settings, the author shows us the joys and struggles in their intentional pursuits of a more diverse and just community. The stories in *A House of Prayer for All Peoples* will inspire leaders to explore their congregation's history, study their community's demographics, and, most of all, search their souls for ways they can develop and celebrate the diversity in their midst. The book is capped by an extensive annotated resource list for readers who want to explore the topic further.
