DRAKE CLARE

Guitar World Presents Van Halen Cherry Lane Music Company
Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

VIRTUAL MANAGERS

Edinburgh University Press
Dear Black Girls is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls

are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all special--that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are.

I Am 9 and Magical Longman Scientific and Technical
Apostle Eckhardt has searched the word diligently to find powerful promises that you can speak for the next decade. These decrees and confessions will help launch you into the next decade. There are more than 400 decrees. Your words are powerful, and it is important to speak in faith. Your words will help frame your future and bring great success. The scriptures

are filled with promises and truths that should be embraced and released through your mouth.

TWELVE YEARS A SLAVE, ILLUSTRATED EDITION

University of Illinois Press

There is possibly no guitar player of the modern era more influential than Eddie Van Halen. Now, from the pages of "Guitar World Magazine" comes this outstanding collection of interviews and insights. Whether you are a fan or a professional musician, you'll be entertained and educated by this comprehensive, in-depth collection.

Unchained Mind Johns Hopkins University Press

The pioneer of "literary anthropology," Wolfgang Iser presents a wide-ranging and comprehensive exploration of this new field in an attempt to explain the human need for the "particular form of make-believe" known as literature. Ranging from the Renaissance pastoral to Coleridge to Sartre and Beckett, *The Fictive and the Imaginary* is a distinguished work of scholarship from one of Europe's most respected and influential critics.

Cambridge International AS & A Level Further Mathematics supports students following the 9231 syllabus. This single coursebook comprehensively covers all four modules of the syllabus and helps support students in their studies and develops their mathematical skills. Authored by experienced teachers of Further Mathematics, the coursebook provides detailed explanations and clear worked examples with practice exercises

and exam-style questions. Answers are at the back of the book.

My Neighbour's Shoes, Or, Feeling for Others Harper Collins

To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.sion.

Dear Black Girls Other Press, LLC

An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the *Catapult* column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief

over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Aging Options (East King County) St. Martin's Press

The updated version of McIver's bestselling biography explores the aftermath of Metallica's comeback in the wake of 2008's *Death Magnetic*. The band entering the Rock And Hall Of Fame, toured as the leading member of the Big Four Of Thrash alongside Slayer, Megadeth and Anthrax Establishing their own

Orion festival Embarking on side projects aplenty (Lars Ulrich as an actor, Kirk Hammett as a horror buff) and recorded what is possibly the most despised record in heavy metal history, a collaboration with Lou Reed titled Lulu. Here McIver reveals a refreshing new spin on the Lulu album, re-evaluating its contents in the light of Reed's death in 2013.

THE FICTIVE AND THE IMAGINARY

Hassell Street Press

Ranging widely across countries and centuries, National Thought in Europe critically analyzes the growth of nationalism from its beginnings in medieval ethnic prejudice to the romantic era's belief in a national soul. A fertile pan-European exchange of ideas, often rooted in literature, led to a notion of a nation's cultural individuality that transformed the map of Europe. By looking deeply at the cultural contexts of nationalism, Joep Leerssen not only helps readers understand the continent's past, but he also provides a surprising perspective on contemporary European identity politics.

Death magnetic [guitar, vocal] Wise Publications

Each day in the United States, 10,000 people become eligible to retire. For these individuals, and the thousands of others already retired, retirement issues loom large. Though visions of retirement for most start out as a joyous anticipation of being engaged in activities we did not have time for when working, re-engaging with friends and family, visiting new and exotic places and the like, these visions can be short-lived for many unprepared retirees. The primary reason? An episode with illness (such as a stroke, heart attack, cancer, or a diagnosis of

Alzheimers, Parkinsons) can leave the whole family in chaos and render the ill person a huge burden on loved ones. Unplanned illness can lead to many undesirable outcomes, including: A forced and unwelcome move to an institutional care setting; Loss of assets to cover the high cost of care not covered by Medicare and other health insurance; and, A significant burden being placed on loved ones of the ill person. This reality is quite visible to aging Americans who harbor significant anxieties over these issues. For most, this will be the time when we will realize that Medicare does NOT cover long-term care needs in any meaningful fashion. All this leads to the fact that a bout with illness can quickly render traditional retirement planning ineffective in addressing the most critical retirement concerns aging Americans harbor; however, the good news is with proper planning these concerns can be addressed. So what is proper planning? It is coordinated and comprehensive planning around healthcare, housing, financial, and legal issues. It is planning that can help you: Avoid institutional care if that is at all possible; Locate the most appropriate housing alternative if aging at home is not possible Protect your assets not only from probate costs and estate taxes, but from uncovered long-term care and medical costs as well; and, Not become a burden on your loved ones in case of incapacity. The AgingOptions Guide is a primer on these issues and how to develop a plan to have a better retirement than might be possible.

ECONOMIC PERSUASIONS

Omnibus Press

Kidnapped and sold into slavery in the American South, freeman

Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.
