POCKET ROUGH GUIDE LISBON (TRAVEL GUIDE EBOOK)

Penguin

You cannot come to Lisbon without exploring Alfama - the city's oldest district. You will enjoy simply getting lost on its labyrinthine streets and alleys with architecture ranging from late medieval to 19th Century buildings. The area is old and slightly run down, although renovation efforts have been undertaken in the past two decades. There is a wealth of small historical and cultural landmarks and pleasant restaurants, cafés and Fado clubs can be found all over the place.

Highlights include the Castle of São Jorge, Santa Luzia scenic view point, and the medieval Lisbon Cathedral ("Sé de Lisboa"). Take a walk in the lush gardens of the Calouste Gulbenkian Foundation, one of Europe's most respected cultural institutions. Check out the Gulbenkian Museum (which is also an architectural landmark in itself) and its classical art collection; the newer Gulbenkian Modern Art Museum and the concert hall with a continuously ongoing programme of classical, jazz and world music. During the summer, concerts are held in the Gulbenkian gardens' open-air theatre. Enjoy this travel guide as you venture through Lisbon!

Lisbon Travel Guide, Portugal. Tourism Affordable prices and an alluring combination of sunny skies, glorious architecture, deep-rooted traditions, and thoroughly modern flair have made Lisbon into a top destination for travelers. Record numbers of cruise ships are now docking at the revamped port, and Lisbon has gained a reputation as one of the best spots on the continent for live music. from rock to jazz and classical. with many events held in the city's numerous leafy green spaces. Famously built on seven hills, Lisbon's terra-cotta-roofed homes, turreted castles and cathedrals, and gleaming white basilicas appear to tumble down the cobbled slopes towards the glimmering River Tagus, as visitors traverse the city on antique, rattling streetcars, modern tuk tuks, and Segways. Lisbon has embraced change without casting aside its much-loved heritage. Colorful murals on every corner make it one of the best cities in Europe to see street art, while white sheets flap from the windows of the tightly packed hillside homes of Moorish Alfama. Boutique hotels sit beside hole-in-the-wall bars where locals sip ginjinha and strong espresso as they nibble on the world's most irresistible custard tarts. The mournful sound of fado music still draws huge crowds of locals and visitors, even as hip bars and clubs move into formerly run-down areas of town. UNESCO World Heritage Sites sit

proudly in the postcard-perfect suburb of Belém, the site from which Vasco da Gama and his fellow explorers set out during the much-celebrated Age of Discovery. Counting some of Europe's finest galleries, museums and cultural centers, and a vast aquarium among its indoor attractions, Lisbon has plenty to offer, even under rainy skies. An increasingly sophisticated dining scene is building on a growing appreciation for Portuguese food, with its abundant fresh fish, fruit and vegetables, and the astonishingly affordable wines that seem to accompany every meal. The relatively compact size of the city means it is possible to pack a lot into a short break, and visitors with the luxury of a longer stay can find fairy-tale mountain towns, rolling wine country, dolphin-filled bays, and long, white-sand beaches within less than an hour's reach. Despite the rising costs that have accompanied the tourism boom, prices for most goods and services are still lower than most other European countries. You can still find affordable places to eat and stay, and with distances between major sights fairly small, taxis are astonishingly cheap. All this means that Lisbon is not only a treasure chest of historical monuments, but also a place where you won't use up all your own hard-earned treasure.

Lisbon, the capital city of Portugal, is located on seven hills near the Tejo River. In spite of the hilly terrain, the city can be easily explored on foot. Lisbon has a good transportation system, which includes hill elevators known as "funiculars." The longest bridge in Europe and some of the world's oldest neighborhoods are also located here. Lisbon is also one of the cheapest major cities in Europe.
