Race). Archaeologists are not the only anthropologists who have considered "race" in the human past. Archaeology and Race - Anthropology - Oxford Bibliographies Anthropology's entry into the academic dialog on memory has been relatively recent. It was only in the 1990s that anthropologists began making a unique and significant contribution to the field of memory studies ethnographically exploring the everyday lived experience of personal, collective, national, and global memory work as grounded, embodied and at times resistant practice. Memory - Anthropology - Oxford Bibliographies Introduction . Anthropology has expanded and changed radically by including within its purview the study of tourism. In spite of the ubiquitous nature of traveling in anthropology, tourism and travel became subjects worthy of discussion in anthropology relatively recently, in Europe in the 1930s and in the United States in the 1960s (see Introductory Works). Tourism - Anthropology - Oxford Bibliographies Introduction
