### **MARSHALL ANTON**

[A Guide for Teachers and Trainers](#) Cambridge University Press Grammar Troublespots, 3rd edition, provides an excellent aid for ESL writing students at the high intermediate level and above. It helps them identify and correct the typical errors that they are likely to make as they attempt to write, with the emphasis in this new edition on errors made in writing formal academic discourse. The book has 21 units. Each one examines an area of grammar, such as verb tense choice, article usage and modals, and then pinpoints the most troublesome grammar points within that area. Each unit provides a straightforward description of the grammar point, supported by plentiful clear examples, grammar charts and tables. The two-color new edition will be easier to use, with exercises such as error identification, error correction and sentence construction tasks consistently following each grammar point. Each unit ends with a writing assignment and a flowchart to help students diagnose their writing problems and edit their writing.

### **OBJECTIVE KEY FOR SCHOOLS PRACTICE TEST BOOKLET WITH ANSWERS WITH AUDIO CD**

Foundation Books This comprehensive foundation textbook is expressly designed for students embarking on a Russian language programme. Accompanied by 5 hours of audio materials, it develops the four key language skills - reading, writing, speaking and listening - and provides all the material required to

reach intermediate level either at secondary school or during the first year of university. Highly interactive and activity-based, the course puts students firmly at the centre of the learning process, developing their autonomy as learners. It provides: thorough grounding in the grammar and structures of contemporary Russian; wide-ranging tasks and exercises for both classroom use and self study; informative texts selected to foster cultural awareness; topics including family life, education, history, geography, work and leisure; clear, attractive layout with lively illustrations to reinforce learning ; extensive reference features including a section on basic concepts of grammar; teachers' guidelines to enhance practical application in the classroom; and an on-line answer key.

### **CAMBRIDGE LATIN COURSE BOOK I WORKSHEET MASTERS**

Cambridge University Press This American English edition of English Grammar in Use can be used both as a classroom text and as a grammar reference for students. Each unit deals with a particular grammar point (or points), providing clear explanations and examples on the left-hand page, with exercises to check understanding on the facing right-hand page. The book covers many of the problems intermediate students of American English encounter, including tense usage, modals, conditionals, the subjunctive and prepositions. A separate answer key is available for self-study, individual work in the language laboratory and as an easy reference for teachers. [A Toolkit for Content and Language Teachers](#) Cambridge University Press face2face Second edition is the flexible, easy-to-teach, 6-level course (A1 to C1) for busy teachers who want to get their adult and young adult learners to communicate with confidence. face2face Second edition is informed by Cambridge English Corpus and the English Vocabulary Profile, meaning students learn the language they really need at each CEFR level. The Advanced

Workbook with Key is ideal for self-study, offering additional consolidation activities and a Reading and Writing Portfolio for extra skills practice. A list of 'Can do' statements helps students to track their own progress in reading and writing and the pull-out answer key gives added flexibility.

Cambridge University Press The Study Books are designed to be used in conjunction with the core books of the Cambridge Latin Course.
