The shortest route to mastering verb conjugations One of the greatest challenges in learning a language is mastering verb

conjugations. The books in the unique Language Verb Drill series make it easier than ever for learners to meet that challenge. Drilling, whether it's for learning a musical instrument, a sport, or a language, is an essential part of a sound education because repeated, concentrated practice makes specialized skills become second nature. Unlike most verb books, which tend to concentrate on tables of conjugations, the books in the Language Verb Drills series allow students to focus exclusively on building mastery of verbs without being distracted by other elements of grammar. Combining the features of a workbook and reference manual, they clearly and systematically explain how a verb system works while providing numerous drills for practice. These revised editions of the popular study guides now include a final review section to reinforce the reader's ability to automatically select the correct verb form.

¡Hola! Hello! Did you understand this first Spanish word? Yes, you did! Why? Because it was presented to you using a new

technique that is making learning languages easier than ever – the Bilingual Reading. We created this book using this technique so that you can learn Spanish in a fast and fun way and whenever you want. How does this work? It is simple: Bilingual Reading works by reading two versions of the same book or text at once. One version will be on the language you want to learn (in this case we will help you to learn Spanish) and the other version will be in your native language or some other language you are comfortable with – here we will use English. Using this method, you will quickly start discovering the meaning of the words in Spanish and accumulating vocabulary that will soon allow you to read texts that are more complex without having to spend hours and hours looking for every word meaning on a dictionary and trying hard to memorize it. In order to make it easier for you to learn Spanish in a fun way, we gathered in a word a very special group of 12 Spanish short stories. These 12 Spanish short stories for beginners were written using straightforward grammar that is comprehensible for beginners and that will help you rapidly gain more Spanish vocabulary and comprehension. Using Spanish English parallel text, this book will increase your bilingual reading comprehension skills and maximize the time you invest in reading. The book is organized as a Spanish learning book: you can start by reading each paragraph of each story in the two languages (in Spanish English parallel text), then move to read the full story in each language, rereading to consolidate the Spanish fundamentals whenever is necessary. This way you will feel the progress of Spanish language learning when moving from story to story and see your Spanish vocabulary grow as your bilingual reading comprehension increases - allows you to learn

Spanish easily and more than that, you can learn Spanish in a fast and fun way. You can even dedicate it a few moments every day so you can even learn Spanish in 10 minutes a day if you want! Let's Start? The Volume 2 is also available! Get it also to learn even more words in Spanish, with 10 new short stories! *Proofreading, Revising & Editing Skills Success in 20 Minutes a Day* Mobile Library
