 For RtI
 Interventions I use six
 minute solutions with
 my kiddos. As a way
 for them to visually see
 how their fluency was
 improving I took the six
 minute solution fluency
 graph from the

workbook and made it poster size. They loved graphing their results and tracking progress with their group partners. This is not my original work, just the graph from the Six Minute Solution text that I made larger. Six Minute Solution Poster Graph by Adventures in Room 10 ...Six Minute Solution is a reading fluency program that may be used as a supplement to a school's core reading program or as an intervention. The goal is to help teachers provide students in grades K-9 with concentrated practice on phonetic elements, sight word vocabulary, and expository passage reading — in order to build overall reading fluency and boost achievement. Product Description I

created this graph for my students to use with the Six Minute Solution fluency program. Unlike the graph that comes with that system, this graph has a box for the students to record their WCPM. I also have a similar graph I use for my students to graph their weekly progress monitoring data.
