The first step to master fashion illustration is to learn to draw the human body and with this book you will learn the basics of how to draw the human figure. Anatomical proportions, postures and movements of the body, best angles, these are a few of the concepts included in this volume. As a second step you will also find the ways to render volumes, details, pleats etc. More than 350 clear illustrations will teach you the basic methods to step into the fashion world.

The Psychology of Clothing McGraw-Hill Companies

"A sword untried is a sword untested," says one raven to another as they set out to witness the fate of the finest farm in Garmland and its owner, Barbarian Lord. When he is cheated out of his lands and banished, Barbarian Lord begins a quest for allies and for justice, encountering monsters, ghouls, gods, and mediocre poets along the way. Combining the rich traditions of the Vikings and Nordic lore with sword-and-sorcery-and slyly understated humor- this graphic novel introduces an original hero with classic flair, brought to life in Matt Smith's beautifully drawn, detailed, and action-filled black-and-white illustrations.

It's time to go back to the barrio with the Homies! The pop culture phenomenon that took the 1990s by storm returns with brand-new hijinks co-plotted by the creator of Homies himself, David Gonzales. In Barrio Quién Sabé, the entire community is one big familia, laughter and good times are the perfect cure for reality, and the Homies love their lowriders like they love their ladies: painted, sexy, curvy, and dressed to kill. Follow the colorful, oddball characters in four wild adventures: the wedding of Gata to would-be bachelor-for-life Hollywood, a charity match of rival luchadores to save the neighborhood community center, the haunting of the Mexican legend La Llorona, and the arrival of an illegal alien... of the extraterrestrial kind! Welcome to East Los Angeles, esé! Reviews: "Written with heart and authenticity... worth the price of admission for the art alone." - Outright Geekery "Heart, comedy... that will please any reader. 98% Nerd Score!" - PopNerdTV

THE LITTLE PRINCE

Anova Books

In this new addition to the Pattern Magic series from Japan, Tomoko Nakamichi teaches you how to sculpt with fabric, creating beautiful shapes, waves and accents. Next, she looks at creating dynamic movement in garments, using ruffles, shirring and precise, sharply pleated lines. All the measurements and scaling information you need to start pattern making is included. As throughout the series, all the patterns are based on a basic block, supplied in the book. Thorough step-by-step instructions and diagrams will ensure that your own patterns translate beautifully

to your choice of garment, while photographs of the finished garments will inspire you to create your own designs.

Fashion Drawing is a comprehensive, practical guide to fashion drawing for students. The author covers men, women and children, starting with how to draw the fashion figure and continuing with garments and garment details, before teaching the reader how to render various types of fabric. Contemporary in its approach and offering step-by-step guidance, the book emphasizes drawing as an integral function of the garment design process. Students learn how to manipulate various garment details with consideration for scale, construction and colour as well as keeping in mind the profile of the potential customer. Illustrated throughout with a wide range of images from illustrators and designers working in today's market, *Fashion Drawing* provides both the inspiration and the instruction necessary to allow students to develop their own illustration style.
