[A Worm That Can Really, Really Get Under Your Skin - NPR.org](#) The Woman With A Worm "The Woman with a Worm in her Head" is a clearly and elegantly written account of Dr Nagami's career as an infectious diseases specialist. Her stories of treatments and outcomes are as gripping and full of incident as good detective fiction (though infused with more humanity). The Woman with a Worm in Her Head: And Other True Stories ... In The Woman with a Worm in Her Head, Dr. Pamela Nagami reveals-through real-life cases-the sobering facts about some of the world's most horrific diseases: the warning signs, the consequences,

treatments, and most compellingly, what it feels like to make medical and ethical decisions that can mean the difference between life and death. The Woman with a Worm in Her Head: And Other True Stories ... "The Woman with a Worm in Her Head brings us the excitement of the fight against infections, the human drama that surrounds their impact, and helps us understand how to avoid them. The reader will be swept up in the detective story behind finding the culprits and the human story that surrounds each case. The Woman with a Worm in Her Head | Pamela Nagami M.D ...
