**Singarevva and the Palace** Katha  
Each of the playwrights in this collection takes a folktale and turns it into a contemporary experimental play, intervening in the traditional material and reshaping conventions from an urban

perspective. Although the folk and rural element remain embedded in the body of the narratives, it is interesting to note the shifts and intersections which occur in the process of rendering folklore as a present-day performative text. Jokumaraswami by leading Kannada playwright and poet Chandrasekhar Kambar is a vibrant, earthy play which creatively reworks the folk myth of a phallic god of fertility into a powerfully contemporary anti-feudal

message. Pebet is a folktale about a mother bird fighting to protect her children from a predatory cat politicized by H. Kanhailal, who transforms this familiar story into a struggle against the political and cultural colonization of Manipur. Charandas Chor by veteran playwright/director Habib Tanvir, performed by Naya Theatre s Chattisgarhi folk artists, is a contemporary Indian classic depicting the irrepressible folk hero

and honest thief , Charandas, a Robin Hood figure who charms his way into everyone s heart.

**The Right to Rule (Kōyama) ; And, The Domain of the Sun (Sūryasthāna)** Har-Anand Publications

Chandrasekhar Kambar is a leading poet, novelist, folklorist and dramatist writing in Kannada. I belong geographically to a village, and sociologically to what was considered to be an oppressed, uneducated class. I am, therefore, a folk person simply because I honestly cannot be anything else. His plays rework his folk heritage from a contemporary perspective, blending folk performance forms, myths, legends, and ritual beliefs. The result is a colourful tapestry of music, dance, song, farce and narration which nevertheless delivers hardhitting blows at the feudal social system which still exists in rural India today. The three plays in this volume illustrate the broad range of Kambar s playwriting. The Shadow of the Tiger is a symbolic and philosophic work concerned with illusion and reality, and contesting forms of truth. Tukra s Dream centers on a poor villager who survives precariously on the very edges of rural society. In Alibaba

and the Forty Thieves, the wellknown tale becomes an enjoyable spoof as well as a comment on greed. Celebrated as a poet in his home state of Karnataka, Kambar s work is imbued with a poetic sensibility, laced with earthy humour.

This Book Is A Pioneering And Timely Intervention In The Critical Scene Today. It Poses A Challenge To The Dominant, Market-Driven, Globalising, And Totalising Intellectual And Cultural Trends Of Our Times Which Threaten To Marginalize And Subdue Our Native Ways Of Life. The Fifteen Essays Included Here Introduce And Define The Concept, Analyse Its Classical, Medieval, And Colonial Background, Trace Its Evolution Into The Contemporary Critical Field, Debate Its Strengths And Weaknesses, And, Finally, Attempt To Put It Into Practice By Applying It To Contemporary Literary Works. The Work Is An Attempt To Show That There Are Alternative Possibilities Of Facing Up To Our Present Cultural Crises.

India has a rich literary assemblage produced by its many different regional traditions, religious faiths, ethnic subcultures and linguistic groups. The

published literature of the 20th century is a particularly interesting subject and is the focus of this book, as it represents the provocative conjuncture of the transitions of Indian modernity. This reference book surveys the major regional literatures of contemporary India in the context of the country's diversity and heterogeneity. Chapters are devoted to particular regions, and the arrangement of the work invites comparisons of literary traditions. Chapters provide extensive bibliographies of primary works, thus documenting the creative achievement of numerous contemporary Indian authors. Some chapters cite secondary works as well, and the volume concludes with a list of general works providing further information. An introductory essay overviews theoretical concerns, ideological and aesthetic considerations, developments in various genres, and the history of publishing in regional literatures. The introduction provides a context for approaching the chapters that follow, each of which is devoted to the literature of a particular region. Each chapter begins with a concise introductory section. The body of each chapter is structured according to social

and historical events, literary forms, or broad descriptive or analytic trends, depending on the particular subject matter. Each chapter then closes with an extensive bibliography of primary works, thus documenting the rich literary tradition of the region. Some chapters also cite secondary sources as an aid to the reader. The final chapters of the book address special topics, such as sub-cultural literatures, or the interplay between literature and film. A list of additional sources of general information concludes the volume.

Post-Colonial Drama is the first full-length study to address the ways in which performance has been instrumental in resisting the continuing effects of imperialism. It brings to bear the latest theoretical approaches from post-colonial and performance studies to a range of plays from Australia, Africa, Canada, New Zealand, the Caribbean and other former colonial regions. Some of the major topics discussed in Post-Colonial Drama include:  
\* the interactions of post-colonial and

performance theories \* the post-colonial re-stagings of language and history \* the specific enactments of ritual and carnival \* the theatrical citations of the post-colonial body Post-Colonial Drama combines a rich intersection of theoretical approaches with close attention to a wide range of performance texts.

'...It looks like the rhythm of Shivapura life is upset. Even the seasons don't keep time. The river looks wasted. The waves no longer run with a youthful vigour. The rocks under water are like bones jutting out of an old face.' In Shivapura, the villagers worship their gods and nature, and cultivate the crops that their forebears have been growing since time immemorial. Sweet water flows in the Chalimele river, the trees bear delicious

fruit, and the cattle and other animals are part of the household. But Baramegowda, the landowner and headman, replaces traditional crops with sugarcane, a cash crop, and encourages the excessive use of chemical pesticides, amassing great wealth. He also enlists the aid of a foreign institution to build a private English-medium school and college on land where the village pond, Mallimadu, is. And life in Shivapura changes inexplicably--its waters turn to poison and its fruits and vegetables become tasteless. Deformed births among cattle and humans are reported and farmers, unable to repay their loans, commit suicide. When Chambasa, Baramegowda's estranged nephew, and Namahshivaya, the village priest, discover that the foreign institution has been dumping chemical waste into Mallimadu, they inform Baramegowda, and faced with the destruction his greed has wrought, he appeals to them to save the village. But events take a different course after Chambasa's wife is raped by men connected to the institution, and he is arrested for killing the rapists. And it will be years before Shivapura can heal itself. In his new novel, Jnanpith-award winner

Chandrasekhar Kambar weaves a mesmerizing tapestry of myth, history and legend to reveal the plight of farmers in the age of industry and capital. An epic narrative by one of the biggest names in Kannada literature, originally published in Kannada as Shivana Dangura, Shiva's Drum is a memorable fable of our times. Encyclopaedia of Indian Theatre Oxford University Press  
In Chandrasekhar Kambar's timeless classic *The Bringer of Rain: Rishyashringya*, a village afflicted with a deadly famine eagerly awaits the arrival of the chieftain's son, whose homecoming promises the return of rain. As the death toll rises, age-old secrets are unravelled and mythical forces step out of hiding. Will the sky relent? Power and bloodshed run hand in hand in Kambar's latest, *Mahmoud Gawan*. Set in the fifteenth-century Bahamani Sultanate, it follows Gawan's rise to fame during a time of intense civil strife when empires routinely rose and fell. Alluring and sublime, *Two Plays* is a must-read for anyone hoping to dip their toes into the rich waters of Kannada folklore and theatre.

Theatres of India, edited by Professor Ananda Lal, is a comprehensive and accessible guide to theatre in India. The volume surveys both rural and urban modes of Indian theatre across its history of over 2000 years. The first section brings together entries that discuss theatres of India's linguistic regions. The second section includes entries on specific forms and genres, as well as on topics such as street theatre, music, and Tagore's dramatic oeuvre. The book avoids both the Western scholarship's obsession with traditional Asian forms of performance, as well as Indian city-based theatre workers' view that traditional forms do not even qualify as 'theatre'. 'Theatre' in this

volume is defined as any form that contains theatre's fundamental element, acting. Importantly, the entries are accompanied by photographs of performances that allow us to view the 'visual-ness' of India's performance forms. In keeping with the highest standards of international reference publishing, Ananda Lal has compiled and edited material from several contributors so that each entry allows us to tap individual documentation and knowledge. Also included in this pioneering, authoritative, and collective resource are short bibliographies for every entry on the regional theatres. Theatres of India will be useful for general readers, theatre professionals, as well as students and researchers of theatre and performance studies.

The Gothic has come a long way from the romantic quest for the imaginary. The gothic has proved to be an extremely enduring genre that has manifested itself in various forms in the cultural, literary, political, ecological and historical aspects of human existence. This anthology takes up various aspects of the Gothic ranging from ghost stories in literature and films to folklore and mythology to cultural horror, to showcase how Gothic is part of an omnipresent power structure that shapes the socio-cultural and psychological metanarrative that governs human ontology.

Postcolonial writing originating from Africa, Asia, and South America in the mid-twentieth century has constantly examined, negotiated with, and reacted to the overarching experience of colonial subjugation. Postcolonial Literature: An Introduction, with its seven thematically organized chapters, lucidly elucidates complex concepts and formulations of postcolonial literature and theory and critically analyses their various dimensions with relevant examples from contemporary postcolonial writing. The

book would also appeal to the general reader aiming to gain a thorough understanding of the fundamental themes and discourses of postcolonial literature.

These lively, humorous plays use witty, tongue-in-cheek comedy to communicate social ideas and messages with a contemporary relevance. In *Beyond the Land of Hattamala*, *Kena* and *Becha*, two

likeable thieves, jump into a river to escape being caught and get washed up on the shores of a never-never land where buying and selling are alien concepts since everyone works unitedly and everything belongs to the entire community, to be used and consumed as needed. Several hilarious misadventures follow as the pair adjusts to the situation. In *Scandal* in

*Fairyland* a street-smart newspaper boy vends the *Daily Fairy Green* which carries fresh news of the heroic prince Thunderbolt who is a champion at beheading ogres which threaten kingdoms. As the action unfolds we discover wheels within wheels, double-dealing and behind-the-scenes fixing. It all however ends happily in true fairytale fashion.
