BOONE AYERS

Mickey Mouse birthday book Millbrook Press TM
Everyone in the world has a birthday. But birthdays are not celebrated in the same way everywhere. Award-winning author Ruurs tells the unique stories of how 17 children from all around the globe celebrate a birthday, including how they each say

happy birthday in their native language. Full color.

Happy Birthday, Bunny! ☐☐☐☐

Go beyond your sun sign to find your place in the cosmos! Do you want to uncover your partner's secret desires and fantasies? Enhance your health, rev up your career, improve your mind? Develop a more intimate knowledge of your own personality . . . and a deeper understanding of those you love? Your character isn't influenced just by your sun sign. It is shaped by the natural rhythms at work on the precise day you were born. The Book of

Birthdays, written by acclaimed British astrologer Russell Grant, shows you how to use this exciting astrological breakthrough to achieve a more dynamic understanding of yourself, your mate, and your world. Are you a bright, energetic spring baby? A vividly colorful child of the fall? Were you born in the heat of summer or the waning light of winter? Unlike any other astrology book, The Book of Birthdays reveals how the season of your birth affects the huge collective of characteristics that makes you unique. Also learn: • How the exact time of the day you were born sets you

apart from others who share your sun sign • How the changing cycles of nature will influence all the seasons of your life • Insight into the quirks and tendencies that make you you! With individualized tips for robust mind and body health and inspirational personality profiles for every day, *The Book of Birthdays* is a must for every astrology buff—and a happy celebration of every birth date of the year!

And Other Stories Harper Collins

For more than four decades, Ursula K. Le Guin has enthralled readers with her imagination, clarity, and moral vision. The recipient of numerous literary prizes, including the National Book Award, the Kafka Award, and five Hugo and five Nebula Awards, this renowned writer has, in each story and novel, created a provocative, ever-evolving universe filled with diverse worlds and rich characters reminiscent of our earthly selves. Now, in *The Birthday of the World*, this gifted artist returns to these worlds in eight brilliant short works, including a never-before-published novella, each of which probes the essence of humanity. Here are stories that explore complex social interactions and troublesome issues of gender and sex; that define and defy notions of personal relationships and of society itself; that examine loyalty, survival, and introversion; that bring to light the vicissitudes of slavery and the meaning of transformation, religion, and history. The first six tales in this spectacular volume are set in the author's signature world of the Ekumen, "my pseudo-coherent universe with holes in the elbows," as Le Guin describes it -- a world made familiar in her award-winning novel *The Left Hand of Darkness*. The seventh, title story was hailed by *Publishers Weekly* as "remarkable . . . a standout." The final offering in the collection, *Paradises Lost*, is a mesmerizing novella of space exploration and the pursuit of happiness. In her foreword, Ursula K. Le Guin writes, "to create difference-to establish strangeness-then to let the fiery arc of human emotion leap and close the gap: this acrobatics of the imagination fascinates and satisfies me as no other." In *The Birthday of the World*, this gifted literary acrobat exhibits a dazzling array of skills that will fascinate and satisfy us all.

THE BIRTHDAY GIRL

Orca Book Publishers

This dazzling new novel from the Orange Prize-winning author of the international bestseller *We Need to Talk About Kevin* takes a

psychological and deeply human look at love and volition Does the course of life hinge on a single kiss? Whether the American expatriate Irena McGovern does or doesn't lean into a certain pair of lips in London will determine whether she stays with her smart, disciplined, intellectual American partner Lawrence, or runs off with Ramsey—a wild, exuberant British snooker star the couple has known for years. Employing a parallel-universe structure, Shriver follows Irena's life as it unfolds under the influence of two drastically different men. In a tour de force that, remarkably, has no villains, Shriver explores the implications, both large and small, of our choice of mate—a subject of timeless, universal fascination for both sexes.

"Simple text and colorful photographs describe birthday traditions in different countries"--Provided by publisher.

MEET BIRTHDAY Paw Prints

The Very Hungry Caterpillar celebrates birthdays, from presents and balloons to cake.

Celebrations for Everyone Sleeping Bear Press

#1 German bestseller "I have no idea how late it actually is. We flew off somewhere this morning, and my cell phone automatically turns off the clock if we're getting close to a new time zone by plane. Mile by mile, the bus pushes through the inner city. Budapest seems to be quite big. We are in the middle of rush hour traffic. As it is Friday, everyone wants to get out of the city very quickly. But nothing works quickly here at all." Flake, the legendary keyboardist for the German band Rammstein, takes readers on a journey of what it is to be a touring musician. The excitement, the boredom, the moments that will be remembered and those that are forgotten. It's *The World's Birthday Today* is a strange and moody book about life on the road.

The Post-Birthday World Encantos

Today is a special day: the birthday of the world, when God and all God's creatures celebrate the beauty of life. As God asks each dear creature in turn whether it has been the best that it can be, this simple affirmation of life and goodness applauds the contribution that each and every one of us— from the mightiest elephant to the smallest child— can make. The whimsical animals in Alison Jay's perfectly composed crackled paintings will make this a favorite book on the family shelf.

EARTH DAY BIRTHDAY

World of Eric Carle

The richest and fattest man in the world wishes for the biggest birthday cake in the world, and on his birthday discovers the joy of sharing.

THE BIRTHDAY BOOK

Schwartz & Wade

What exactly is goodness? Where is it found in the literary imagination? Toni Morrison, one of American letters' greatest voices, pondered these perplexing questions in her celebrated Ingersoll Lecture, delivered at Harvard University in 2012 and published now for the first time. Perhaps because it is overshadowed by the more easily defined evil, goodness often escapes our attention. Recalling many literary examples, from Ahab to Coetzee's Michael K, Morrison seeks the essence of goodness and ponders its significant place in her writing. She considers the concept in relation to unforgettable characters from her own works of fiction and arrives at conclusions that are both eloquent and edifying. In a lively interview conducted for this book, Morrison further elaborates on her lecture's ideas, discussing goodness not only in literature but in society and history—particularly black history, which has responded to centuries of brutality with profound creativity. Morrison's essay is followed by a series of responses by scholars in the fields of religion, ethics, history, and literature to her thoughts on goodness and evil, mercy and love, racism and self-destruction, language and liberation, together with close examination of literary and theoretical expressions from her works. Each of these contributions, written by a scholar of religion, considers the legacy of slavery and how it continues to shape our memories, our complicities, our outcries, our lives, our communities, our literature, and our faith. In addition, the contributors engage the religious orientation in Morrison's novels so that readers who encounter her many memorable characters such as Sula, *Beloved*, or *Frank Money* will learn and appreciate how Morrison's notions of goodness and mercy also reflect her understanding of the sacred and the human spirit.

A Cantonese/English Bilingual Rhyming Story Book (with Traditional Chinese and Jyutping) Kids Can Press Ltd

Find out what your birthday says about you and what your friends' birthdays say about them in this utterly compelling gift ebook. What makes me me? Who am I most compatible with? How will my future turn out? Shelley von Strunckel is an expert at answering all these questions and more for her celebrity clients and in her newspaper columns. Use your birthday to identify key personality traits and entertain friends and family by revealing theirs. Harnessing the power of astrology in an entertaining and informative way, you'll learn about the dates, numbers, colors, and even foods with which each person is most compatible. With descriptions of every birth day of the year, *The Birthday Book* is written in an easy-to-understand style, beautifully illustrated, and includes information. It is an at-a-glance reference guide to astrology, numerology, and tarot that will entertain you, your friends and family for years to come.

The Birthday Surprise (Readaloud) Penguin

This poetry collection by the Hugo and Nebula Award-winning author presents selections from across fifty years of verse—plus more than seventy new poems. Though internationally celebrated for her imaginative fiction, Ursula K. Le Guin started out as a poet, and since 1959 has never ceased to publish poems. *Finding My Elegy* distills her life's work in verse, offering a selection of the best from her six earlier volumes of poetry as well as powerful new poems written in the first decade of the twenty-first century. The fruit of over a half century of writing, the seventy selected and seventy-seven new poems consider war and creativity, motherhood and the natural world, and glint with humor and vivid beauty. These moving works of art are a reckoning with a whole life. "She never loses touch with her reverence for the immense what is." —Margaret Atwood

Format: 8" x 7" novelty book with a unique magnetic closure and an accordion fold so the book can be opened completely, laid flat, or made to stand so children can surround themselves with the story. Interactive lift-the-flap features. Reversible with the original Spanish song on one side and an English adaptation on the other. Beautiful art with brightly colored characters from the Emmy-nominated series. "Good books not only teach your child about different cultures and their traditions, they are also a great way to help your child pick up new vocabulary and information about different regions around the world. *Canticos...* is a great

place to start" - Motherly "Susie Jaramillo created a media company with an educational, cross-cultural, and intergenerational mission." - School Library Journal "¿Qué hacer cuando los niños no quieren dormir? La colección bilingüe *Canticos de Susie Jaramillo* reúne tiernas canciones de cuna de nuestra infancia." - People en Español Children can also watch our bilingual videos on the *Canticos* channel! Beloved by kids, parents and educators, *Canticos* is the #1 bilingual preschool brand.

BIRTHDAY TRADITIONS AROUND THE WORLD

Xist Publishing

On Grace's birthday she got a big surprise. Her mother and father gave her a card with a string tied onto it. They told her to follow the string to find her birthday present. Can you guess where she went? What do you think she found at the end of the string?

Bilingual Nursery Rhymes Penguin

A collection of essays on life and literature, from one of the most iconic authors and astute critics in contemporary letters. *Words Are My Matter* is essential reading: a collection of talks, essays, and criticism by Ursula K. Le Guin, a literary legend and unparalleled voice of our social conscience. Here she investigates the depth and breadth of contemporary fiction—and, through the lens of literature, gives us a way of exploring the world around us. In "Freedom," Le Guin notes: "Hard times are coming, when we'll be wanting the voices of writers who can see alternatives to how we live now ... to other ways of being, and even imagine real grounds for hope. We'll need writers who can remember freedom—poets, visionaries—realists of a larger reality." Le Guin was one of those authors and in *Words Are My Matter* she gives us just that: a vision of a better reality, fueled by the power and might and hope of language and literature.

Words Are My Matter Penguin

'Her most important book since ALWAYS COMING HOME and her most satisfactory collection since her first, the brilliant THE WIND'S TWELVE QUARTERS. A formidable and rewarding work, a prime candidate for best SF collection of the year. An essential book.' LOCUS Six of the eight pieces are set in Le Guin's classic Hainish cycle. The title story, 'The Birthday of the World', stands alone and the final piece, 'Paradises Lost', is a new short novel original to the collection, a major addition to the generation starship subgenre of science fiction.
