"The remarkable story of Giacomo Casanova (1725-1798), an impoverished abandoned boy who became the notorious libertine, famous writer, and correspondent with figures such as Voltaire, Louis XV, and Catherine the Great in decadent 18th-century Europe."--Provided by publisher.

**Honey for a Teen's Heart** Routledge

Draws on the wisdom of the Shakespeare to provide comfort, empathy, encouragement, and practical suggestions for dealing with the vast complexities of everyday life--identity, relationships, family, loss, love, death, and other universal concepts.

**The Rich Man's Blackmailed Mistress** My Joy Enterprises Shakespeare and the Bible are titans of English-speaking culture: their images are endlessly cited and recycled, and their language permeates everything from our public ceremonies to our private jokes. In *Words of Power*, Jem Bloomfield explores the cultural reverberations of these two collections of books, and how each era finds new meanings as they encounter works such as *Hamlet* or the *Gospel of Mark*. Beginning with a shrewd examination of how we have codified and standardised their canons, deciding which books and which words are included in the official collections and which are excluded, Bloomfield charts the ways in which every generation grapples with these enigmatic and complex texts. He explores the way they are read and performed in public, the institutions that use their names to legitimise their own activities, and how the texts are quoted by politicians, lords and rappers. *Words of Power* throws modern ideas about Shakespeare and the Bible into sharp relief by contrasting them with those of our ancestors, showing how our engagements with these texts reveal as much about ourselves as their actual meanings.

Why do accomplished writers (and grown-ups) like Ron Carlson, Rick Bass, and Michael Chabon (to name but a few of those represented here) still obsess over their baseball days? What is it about this green game of suspense that not only moves us but can also move us to flights of lyrical writing? In *Scoring from Second: Writers on Baseball* some of the literary lights of our day answer these questions with essays, reminiscences, and meditations on the sport that is America's game but also a deeply personal experience for player, observer, and fan alike. Here writers as different as Andre Dubus and Leslie Epstein, Chabon and Floyd Skloot, Michael Martone and William Least Heat-Moon reflect on the game they grew up with, the players who thrilled them, and the lessons that baseball holds for us all. From the one-season wonder to the long-haul heroes to the hall of fame, the game that has framed so many American summers-and lives-comes to quirky, instructive, and always entertaining life in these pages. Philip F. Deaver is the author of *How Men Pray* and *Silent Retreats* and winner of the Flannery O'Connor Award for Short

Fiction. He is writer-in-residence and associate professor of English at Rollins College in Winter Park, Florida. Lee K. Abbott is the author of seven collections of short stories, including *Wet Places at Noon* and *All Things, All at Once: New & Selected Stories*. He is a professor of English at The Ohio State University in Columbus. Contributors: Jocelyn Bartkevicius, Rick Bass, Larry Blakely, Earl S. **TRUE CONFESSION--OR FALSE?** Investigator (and former nun) Christine Bennett is appalled when a young woman claims to be the natural daughter of Sister Joseph, beloved Superior at St. Stephen's and Chris's dearest friend. But after the girl is murdered, all the evidence leads the police to believe she was telling the truth--and that Sister Joseph is the prime suspect. Can evidence ever lie? Chris prays that it can. But as she frantically searches for the link between the anonymous woman who gave away her newborn two decades ago and a brutal murder this Mother's Day, it seems only a miracle can save Sister Joseph from a life behind bars.

Sparky Christina and her saintly adopted sister Pam couldn't be more different. Raised in New York, they are sent to boarding school in England where they meet the similarly mismatched friends Jago and Peter. The four embark on a dazzling series of pairings and partings, outrageous coincidences, and eleventh-hour entrances. Their camaraderie is interrupted one disastrous Halloween when schoolboy revelry turns horribly wrong. Three years on, as Christina analyzes the wit, cruelty, and crossed genders of Shakespearean comedy, the cast of her own life reunites and the curtain falls on some gloriously unexpected partnerships. "Why did it take me so long to discover the singular joys of Barbara Trapido's novels? Why, for so many years, had I missed these witty, soulful, heartbreaking, expansive, brilliant tales? I have become a literary evangelist on her behalf. On account of my badgering, all my friends now love her, too. I won't rest until everyone in America has read (and fallen in love with) this fabulous author." --Elizabeth Gilbert

"Spiritual Blackmail" is a timely story in the wake of the 50th anniversary of Vatican II and the recent dual canonization of Pope John XXIII and Pope John Paul II. While the changes brought about by Vatican II were welcomed by many Catholics, they caused a great deal of consternation for others, including Sherri's parents. Their well-meaning choice to escape from what they believed was the "corruption" of their beloved Church and to join a renegade traditionalist group and its charismatic, abusive leader had significant, long-term effects on Sherri - effects that she continues to deal with as a Catholic in the 21st Century. "Spiritual Blackmail" testifies to the triumph of the human spirit in the face of spiritual turmoil, but also to the powerful truth that it is possible to find the good and a reason for gratitude even amid seeming abandonment and betrayal by those most trusted.

Repairman Jack is back! An anonymous mercenary, with no last name and no social security number, Jack has thrilled a veritable army of readers ever since his bestselling debut in *The Tomb*. Jack can fix any problem, supernatural or otherwise, for a price. Now, in his latest gripping adventure, he takes on two cases at once. The first involves a nun being blackmailed by someone who has photos of her she doesn't want made public. What's in those photos, she won't say, but with her meager savings just about exhausted, she hires Jack to help her. The second seems straightforward enough, as an elderly woman hires Jack to find her missing son. But to locate his quarry, Jack must infiltrate the inner reaches of the Dormentalist Church, a secretive, globe-spanning cult whose members include some of the biggest and most powerful names in entertainment, sports, and politics. Ruthless in its pursuit of critics and enemies, the Church hides a sinister agenda known only to its ruling elite. But Jack can be ruthless, too, going to darker lengths than ever before as he crisscrosses the two fix-it jobs to settle the deadliest of scores! This collection of 14 critical essays examines short comedic tales from the 13th and 14th centuries, commonly known as the medieval French fabliaux. Each essay focuses on a different aspect of common fabliaux humor, as illustrated by a scholarly analysis of one or several original texts. Topics covered include the frequent use of bacon as humorous symbolism (in *Barat et Haimet*, *Aloul*, and *Le Sacristain II*), the use of comedic rhyme (in *Le Prestre comporte* and *Le Prestre et le chevalier*), and the common "virgin miracle" tale (in *La Nonete*). Throughout the work, contributors attempt to provide a serious analysis of the fabliaux without losing sight of the tales' original comedic content and appeal.

**The Crown** McFarland

If you've ever fallen in love with the wrong person, been held back by your insecurities, endured the pressures of family, dealt with the loss of a loved one, or fought to overcome obsessive

behaviours in yourself or in others, then you've participated in the folly of life. In other words, you've undertaken a role in the high drama - and comedy - of a Shakespeare play. Covering such universal subjects as identity, the battle of the sexes, family relationships, love, loss and death, Maguire shows how the dilemmas illustrated in the bard's classic tragedies, comedies and histories can help readers explore their own emotions and judgements. Together, Maguire and Shakespeare offer suggestions, comfort, empathy, and encouragement as they set out a timeless principle for living. To read Shakespeare is to understand what it means to be human. To read "Where There's a Will There's a Way" is to better understand how to deal with it. *A Novel!* Big Earth Publishing

*Impossible Desire and the Limits of Knowledge in Renaissance Poetry* examines the limits of embodiment, knowledge, and representation at a disregarded nexus: the erotic carpe diem poem in early modern England. These macabre seductions offer no compliments or promises, but instead focus on the lovers' anticipated decline, and—quite stunningly given the Reformation context—humanity's relegation not to a Christian afterlife but to a Marvellian 'desert of vast Eternity.' In this way, a poetic trope whose classical form was an expression of pragmatic Epicureanism became, during the religious upheaval of the Reformation, an unlikely but effective vehicle for articulating religious doubt. Its ambitions were thus largely philosophical, and came to incorporate investigations into the nature of matter, time, and poetic representation. Renaissance seduction poets invited their auditors to participate in a dangerous intellectual game, one whose primary interest was expanding the limits of knowledge. The book theorizes how Renaissance lyric's own fragile relationship to materiality and time, and its self-conscious relationship to making, positioned it to grapple with these 'impossible' metaphysical and representational problems. Although attentive to poetics, the book also challenges the commonplace view that the erotic invitation is exclusively a lyrical mode. Carpe diem's revival in post-Reformation Europe portends its radicalization, as debates between man and maid are dramatized in disputes between abstractions like chastity and material facts like death. Offered here is thus a theoretical reconsideration of the generic parameters and aspirations of the carpe diem trope, wherein questions about embodiment and knowledge are also investigations into the potentialities of literary form.

The historical interplay of Hinduism as an ancient Indian religion and Christianity as a religion associated (in India, at least) with foreign power and colonialism, continues to animate Hindu-Christian relations today. On the one hand, *The Routledge Handbook of Hindu-Christian Relations* describes a rich history of amicable, productive, even sometimes syncretic Hindu-Christian encounters. On the other, this handbook equally attends to historical and contemporary moments of tension, conflict, and violence between Hindus and Christians. Comprising thirty-nine chapters by a team of international contributors, this handbook is divided into seven parts: Theoretical and methodological considerations Historical interactions Contemporary exchanges Sites of bodily and material interactions Significant figures Comparative theologies Responses The handbook explores: how the study of Hindu-Christian relations has been and ought to be done, the history of Hindu-Christian relations through key interactions, ethnographic reflections on current dynamics of Hindu-Christian exchange, important key thinkers, and topics in comparative theology, ultimately providing a framework for further debates in the area. *The Routledge Handbook of Hindu-Christian Relations* is essential reading for students and researchers in Hindu-Christian studies, Hindu traditions, Asian religions, and studies in Christianity. This handbook will also be very useful for those in related fields, such as anthropology, political science, theology, and history.
