THE STORY OF ART - 16TH EDITION

Phaidon Press

The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In My Ideal Bookshelf, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

The Story of ArtThe Story of Art Luxury Thomas Nelson Inc

A vivid portrait of two remarkable twentieth-century thinkers and their landmark collaboration on the use and abuse of caricature and propaganda in the modern world In 1934, Viennese art historian and psychoanalyst Ernst Kris invited his mentee E. H. Gombrich to collaborate on a project that had implications for psychology and neuroscience, and foreshadowed their contributions to the Allied war effort. Their subject: caricature and its use and abuse in propaganda. Their collaboration was a seminal early effort to integrate science, the humanities, and political awareness. In this fascinating biographical and intellectual study, Louis Rose explores the content of Kris and Gombrich's project and its legacy.

The Preference for the Primitive MIT Press

Professor Gombrich's last book and first narrative work in over 20 years.

Shadows Phaidon

This original book examines the range of meaning that has been attached to the male backside in Renaissance art and culture, the transformation of the base connotation of the image to high art, and the question of homoerotic impulses or implications of admiring male figures from behind.

The Short Story of Art Yale University Press

Instant New York Times bestseller The story of art as it's never been told before, from the Renaissance to the present day, with more than 300 works of art. How many women artists do you know? Who makes art history? Did women even work as artists before the twentieth century? And what is the Baroque anyway? Guided by Katy Hessel, art historian and founder of @thegreatwomenartists, discover the glittering paintings by Sofonisba Anguissola of the Renaissance, the radical work of Harriet Powers in the nineteenth-century United States and the artist who really invented the "readymade." Explore the Dutch Golden Age, the astonishing work of postwar artists in Latin America, and the women defining art in the 2020s. Have your sense of art history overturned and your eyes opened to many artforms often ignored or dismissed. From the Cornish coast to Manhattan, Nigeria to Japan, this is the history of art as it's never been told before.

Learning to Look Phaidon Press

An exemplary survey that reassesses the impact of the most important books to have shaped art history through the twentieth century Written by some of today's leading art historians and curators, this new collection provides an invaluable road map of the field by comparing and reexamining canonical works of art history. From Émile Mâle's magisterial study of thirteenth-century French art, first published in 1898, to Hans Belting's provocative *Likeness and Presence: A History of the Image before the Era of Art*, the book provides a concise and insightful overview of the history of art, told through its most enduring literature. Each of the essays looks at the impact of a single major book of art history, mapping the intellectual development of the writer under review, setting out the premises and argument of the book, considering its position within the broader field of art history, and analyzing its significance in the context of both its initial reception and its afterlife. An introduction by John-Paul Stonard explores how art history has been forged by outstanding contributions to scholarship, and by the dialogues and ruptures between them.

The Story of Contemporary Art Univ of California Press

Renowned not only as the best concise introduction to art history, but also as a classic of art historical literature, this book reflects the vast knowledge, insights, and expertise of one of this century's greatest art historians and thinkers. Extensively

illustrated, it treats the history of art -- both chronologically and geographically -- as a continuous unfolding story. Offers a vivid, enthusiastic, and interpretive narrative" written in direct, straightforward language -- with technical terms always explained when they are introduced. KEY TOPICS: " Focuses on the most significant works of Western art. Considers each work of art in its context: shows how art reflects the historical setting, the artist's intentions, and the values of that civilization, and how each artist built upon, or sometimes reacted against, the style of his/her predecessors. Contains chronological charts, maps, "and notes on art books. Illustrates all works that are discussed. Features a new design--with each illustration appearing on the same spread as the narrative that discusses it.

Stories of Art Phaidon Press Limited

Explores questions relating to the nature of representation in art. It asks how we recognize likeness in caricatures or portraits, for instance, and presents the conflicting arguments and opinions of an art historian, a psychologist and a philosopher.

Art and Illusion Phaidon

Winner of the Illustrated Book of the Year award in 1994, *The Art Book* has been an outstanding success and has become a well-known landmark in the art book world. Now published in over 20 different languages and in mini, midi, and hardback formats, it has received rave reviews from numerous newspapers and magazines and has made many appearances on the bestseller lists. Complemented by *The 20th Century Art Book* and *The American Art Book*, its unique approach brings art alive. An A-Z guide to 500 great painters and sculptors from medieval to modern times, it debunks art-historical classifications by throwing together brilliant examples of all periods, schools, visions and techniques. Each artist is represented by a full-page colour plate of a definitive work, accompanied by explanatory and illuminating information on the image and its creator. Glossaries of artistic movements and technical terms are included, making this a valuable work of reference as well as a feast for the eyes. By breaking with traditional classifications, *The Art Book* represents a fresh and original approach to art: an unparalleled visual sourcebook and a celebration of our rich and multi-faceted culture.

Topics of Our Time Univ of California Press

Experience the uplifting power of art on this breathtaking visual tour of 2,500 paintings and sculptures created by more than 700 artists from Michelangelo to Damien Hirst. This beautiful book brings you the very best of world art from cave paintings to Neexpressionism. Enjoy iconic must-see works, such as Leonardo da Vinci's *Last Supper* and Monet's *Waterlilies* and discover less familiar artists and genres from all parts of the globe. *Art That Changed the World* covers the full sweep of world art, including the Ming era in China, and Japanese, Hindu, and Indigenous Australian art. It analyses recurring themes such as love and religion, explaining key genres from Romanesque to Conceptual art. *Art That Changed the World* explores each artist's key works and vision, showing details of their technique, such as Leonardo's use of light and shade. It tells the story of avant-garde works like Manet's *Le Dejeuner sur l'herbe* (*Lunch on the Grass*), which scandalized society, and traces how one genre informed another - showing how the Impressionists were inspired by

Gustave Courbet, for example, and how Van Gogh was influenced by Japanese prints. Lavishly illustrated throughout, look no further for your essential guide to the pantheon of world art.

ART THAT CHANGED THE WORLD

The Story of Art

"The Story of Art, one of the most famous and popular books on art ever written, has been a world bestseller for over four decades. Attracted by the simplicity and clarity of his writing, readers of all ages and backgrounds have found in Professor Gombrich a true master, and one who combines knowledge and wisdom with a unique gift for communicating his deep love of the subject. For the first time in many years the book has been completely redesigned. The illustrations, now in color throughout, have all been improved and reoriginated, and include six fold-outs. The text has been revised and updated where appropriate, and a number of significant new artists have been incorporated. The bibliographies have been expanded and updated, and the maps and charts redrawn. The Story of Art has always been admired for two key qualities: it is a pleasure to read and a pleasure to handle. In these respects the new edition is true to its

much-loved predecessors: the text runs as smoothly as ever and the improved illustrations are always on the page where the reader needs them. In its new edition, this classic work continues its triumphant progress tirelessly for yet another generation, to remain the title of first choice for any newcomer to art or the connoisseur."

"This learned and heavy volume should be placed on the shelves of every art historical library."—E. H. Gombrich, *New York Review of Books* "This is an engaged and passionate work by a writer with powerful convictions about art, images, aesthetics, the art establishment, and especially the discipline of art history. It is animated by an extraordinary erudition."—Arthur C. Danto, *The Art Bulletin* "Freedberg's ethnographic and historical range is simply stunning. . . . The Power of Images is an extraordinary critical achievement, exhilarating in its polemic against aesthetic orthodoxy, endlessly fascinating in its details. . . . This is a powerful, disturbing book."—T. J. Jackson Lears, *Wilson Quarterly* "Freedberg helps us to see that one cannot do justice to the images of art unless one recognizes in them the entire range of human responses, from the lowly impulses prevailing in popular imagery to their refinement in the great visions of the

ages."—Rudolf Arnheim, *Times Literary Supplement*
