The story before the story... What happened before *A Family Affair* began? Bestselling author Mary Campisi answers this question in her new Park Bench series. These short stories make the perfect park-bench read, and are named

after her signature park bench covers. In *A Family Affair Shorts: Love, Book Three*, Charles is determined to let duty prevail over desire and breaks off his relationship with Miriam. But he soon realizes his real life is with Miriam, even if it is only four days a month. When he confesses this truth, she shares a truth of her own; she's pregnant. Together, they will form a new family, one that while not conforming to society's standards, is nonetheless filled with love and commitment. Note: These stories are intended for those who've read *A Family Affair, Book One* in the *Truth in Lies* series, and provide an in-depth look into the lives of the characters readers love to

love—even a few they love to hate. Don't miss these compelling collections! Park Bench Stories highlights many of the conflicts and motivations that drive human behavior. Whether their lives are brushed by crime, kindness, curiosity, or the mundane, the people portrayed react in ways that are often unforeseen. The

diverse characters are set in localities ranging from the grand to the seedy. Skillful storytelling and the author's keen observation of human nature combine to create an entertaining and insightful collection of sixteen short stories. Meet a woman who stumbles into a dangerous financial coverup; a gentle man who suffers from the weight of privilege; a sheriff who returns to his small hometown to escape the police dramas of Dallas; singles who seem to have been drawn to a Manhattan condo building; and a loner who takes his first step into criminal behavior. These are just a few of the interesting individuals and situations found within this enjoyable

volume. Kathleen Venezia resides with her husband in Carmel, Indiana. She is the author of Longview, a book of poetry.

The collection in the words of the author: "There are never just one or two sides to any story, but dozens. This book is the culmination of thousands of conversations with folks who took the time to tell me their sides. I took a lot of notes and have revised, revisited, and robbed this manuscript over the last 20 years."

 Every person has a
 story. Michael Domino
 is passionate about the
 stories of people from
 all walks of life, and
 there's no place like
 New York City for
 encountering an
 endless variety of
 stories to chronicle. In
 its twenty mostly
 factual short stories

captures the essence of life in one of the world's greatest cities. Even though he has lived there nearly all his life, Domino remains constantly amazed at what New York and its people have to offer-and his wonderment shines through in his stories. They offer a refreshing take on the urban experience, where a simple "How's it going?" can open the door to unknown surprises and a little compassion goes a long way toward forging unique friendships out of a sea of strangers. Whether it's a barstool, bus stop, park bench, or any number of places he might wander across while walking the streets of his beloved city, Domino's willingness to engage

with people is always rewarded in some way or another. In the hands of this skilled storyteller, these encounters will touch your heart and soothe your soul.

The Park Bench Picador

On Christmas Eve one man will find out that he still has something left to give-even after losing everything. Christmas Eve is a book of hope by new author Robert Benz that tells the story of a homeless man whose life differs greatly from those among whom he lives. But his life will intersect with the lives of the wealthy on this Christmas Eve, as he takes a journey and discovers that anyone can change. A homeless man and those he lives among lead very different lives, but their lives will

intersect on this Christmas Eve. Join this man as he takes a journey to discover that anyone can change and do great things, especially when they turn to God. This heart-warming tale will remind us all of the true meaning of Christmas, as well as teach us that the greatest gifts are those we give of ourselves. View all these interactions between the members of this city as a homeless man views another Christmas Eve from a park bench. Author Robert Bentz has been teaching science as well as coaching track since he graduated from Bowling Green State University. Although this will be his first book, he has enjoyed writing poetry since his days in high

school in Tiffin, Ohio. He continues to write out of his home in Marysville, Ohio, where he currently lives with his wife, daughter, and twin sons.

The stories in this book are the result of daydreams the author experiences as he rests upon his favorite park bench. His imagination takes him on great adventures that fill the frequent boring void of the elderly who have moved on to enjoy a slower pace.

"Suddenly, I woke up in the middle of the night to find my mother lying on the floor in the living room, surrounded by a puddle of blood. She had been shot? Dad had disappeared and the world seemed a blank except for me calling, "Mom! Mom!" Her body, not moving at all. I called her name over and over until the tears blocked my vision. That image, seared into my brain after all this time, still has the same effect on me today as it did back then. Even after years

of drug abuse and homelessness, that image? would never be erased from my mind. Things were different after that? I was different." Anthony Brown's dramatic life story has led him to many dark and often dangerous places. Addicted to drugs and alcohol since he was very young, *From Park Bench to Park Avenue*, details his incredible journey from disfunction and homelessness to recovery and triumph- pursuing his ultimate passion of giving hope and help to those still imprisoned by destructive behaviors and substance abuse. All of the proceeds from *From Park Bench to Park Avenue* will be used to transform a historic home into Brown Manor - a place

of recovery, where individuals can begin a new journey, alcohol and drug free; a place that offers a hand up, not a hand out.
