In recent years, the representation of alternative sexuality in the horror film and television has "outed" itself from the shadows from which it once lurked, via the embrace of an outrageously queer horror aesthetic where homosexuality is often unequivocally referenced. In this book, Darren Elliott-Smith departs from the analysis of the monster as a symbol of heterosexual anxiety and fear, and

moves to focus instead on queer fears and anxieties within gay male subcultures. Furthermore, he examines the works of significant queer horror film, television producers, and directors to reveal gay men's anxieties about: acceptance and assimilation into Western culture, the perpetuation of self-loathing and gay shame, and further anxieties associations shameful femininity. This book focuses mainly on representations of masculinity, and gay male spectatorship in queer horror films and television post-2000. In titling this sub-genre "queer horror," Elliott-Smith designates horror that is crafted by male directors/producers who self-identify as gay, bi, queer, or transgendered and whose work features homoerotic, or explicitly homosexual, narratives with "out" gay characters. In terms of case studies, this book considers a variety of genres and forms from: video art horror; independently

distributed exploitation films (A Far Cry from Home, Rowe Kelly, 2012); queer Gothic soap operas (Dante's Cove, 2005-7); satirical horror comedies (such as The Gay Bed and Breakfast of Terror (Thompson, 2008); low-budget slashers (Hellbent, Etheredge-Outzs, 2007); and contemporary representations of gay zombies in film and television from the pornographic LA Zombie (Bruce LaBruce, 2010)) to the melodramatic In the Flesh (BBC Three 2013-15). Moving from the margins to the mainstream, via the application of psychoanalytic theory, critical and cultural interpretation, interviews with key directors and close readings of classic, cult and modern horror, this book will be invaluable to students and researchers of gender and sexuality in horror film and television.

ONE OF THE NEW YORK TIMES BOOK REVIEW'S 10 BEST BOOKS OF THE YEAR NAMED ONE OF THE 50 BEST MEMOIRS OF THE PAST 50 YEARS BY THE NEW YORK TIMES SELECTED AS A BEST BOOK OF THE YEAR BY: The Washington Post * Elle * NPR * New York Magazine * Boston Globe * Nylon * Slate * The Cut * The New Yorker * Chicago Tribune WINNER OF THE THURBER PRIZE FOR AMERICAN HUMOR "Affectionate and very funny . . . wonderfully grounded and authentic. This book proves Lockwood to be a formidably gifted writer who can do pretty much anything she pleases." - The New York Times Book Review From Booker Prize finalist Patricia Lockwood, author of the novel No One Is Talking About This, a vivid, heartbreakingly funny memoir about balancing identity with family and tradition. Father Greg Lockwood is unlike any Catholic priest you have ever met—a man who lounges in boxer shorts, loves action movies, and whose constant jamming on the guitar reverberates "like a whole band dying in a plane crash in 1972." His daughter is an irreverent poet who long ago left the Church's country. When an unexpected crisis leads her and her husband to move back into her parents' rectory, their two worlds collide. In Priestdaddy, Lockwood interweaves emblematic moments from her childhood and adolescence—from an ill-fated family hunting trip and an abortion clinic sit-in where her father was arrested to her involvement in a cultlike Catholic youth group—with scenes that chronicle the eight-month adventure she and her husband had in her parents' household after a decade of living on their own. Lockwood details her education of a seminarian who is also living at the rectory, tries to explain Catholicism to her husband, who is mystified by its bloodthirstiness and arcane laws, and encounters a mysterious substance on a hotel bed with her mother. Lockwood pivots from the raunchy to the sublime, from the comic to the deeply serious, exploring issues of belief, belonging, and personhood. Priestdaddy is an entertaining, unforgettable portrait of a deeply odd religious upbringing, and how one balances a hard-won identity with the weight of family and tradition.

Life, the Universe and Everything The unhappy inhabitants of planet Krikkit are sick of looking at the night sky—so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. So Long, and Thanks for All the Fish Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story "Young Zaphod Plays It Safe" "With droll wit, a keen eye for detail and heavy doses of insight . . . Adams makes us laugh until we cry."—San Diego Union-Tribune "Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain."—The Atlantic *Alice Isn't Dead* HarperCollins

Now celebrating the 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! "Douglas Adams is a terrific satirist."—The Washington Post Book World Facing annihilation at the hands of the warlike Vogons? Time for a cup of tea! Join the cosmically displaced Arthur Dent and his uncommon comrades in arms in their desperate search for a place to eat, as they hurtle across space powered by pure improbability. Among Arthur's motley shipmates are Ford Prefect, a longtime friend and expert contributor to The Hitchhiker's Guide to the Galaxy; Zaphod Beeblebrox, the three-armed, two-headed ex-president of the galaxy; Tricia McMillan, a fellow Earth refugee who's gone native (her name is Trillian now); and Marvin, the moody android. Their destination? The ultimate hot spot for an evening of apocalyptic entertainment and fine dining, where the food speaks for itself (literally). Will they make it? The answer: hard to say. But bear in mind that The Hitchhiker's Guide deleted the term "Future Perfect" from its pages, since it was discovered not to be! "What's such fun is how amusing the galaxy looks through Adams's sardonically silly eyes."—Detroit Free Press

My Classy Life and Other Musings HarperCollins

A haunting, provocative novel, *You Feel It Just Below the Ribs* is a fictional autobiography in an alternate twentieth century that chronicles one woman's unusual life, including the price she pays to survive and the cost her choices hold for the society she is trying to save. Born at the end of the old world, Miriam grows up during The Great Reckoning, a sprawling, decades-long war that nearly decimates humanity and strips her of friends and family. Devastated by grief and loneliness, she emotionally exiles herself, avoiding relationships or allegiances, and throws herself into her work—disengagement that serves her when the war finally ends, and The New Society arises. To ensure a lasting peace, The New Society forbids anything that may cause tribal loyalties, including traditional families. Suddenly, everyone must live as Miriam has chosen to—disconnected and unattached. A researcher at heart, Miriam becomes involved in implementing this detachment process. She does not know it is the beginning of a darkly sinister program that will transform this

new world and the lives of everyone in it. Eventually, the harmful effects of her research become too much for Miriam, and she devises a secret plan to destroy the system from within, endangering her own life. But is her “confession” honest—or is it a fabrication riddled with lies meant to conceal the truth? A jarring and uncanny tale of loss, trauma, and the power of human connection and deception, *You Feel It Just Below the Ribs* is a portrait of a disturbing alternate world eerily within reach, and an examination of the difficult choices we must make to survive in it.

With well over one-hundred episodes, the podcast *Welcome to Night Vale* has spawned several international live tours, two novels set in the *Night Vale* universe, and an extensive volume of fan fiction and commentary. However, despite its immense popularity, *Welcome to Night Vale* has received almost no academic scrutiny. This edited collection of scholarly essays—the very first of its kind on a podcast—attempts to redress this lack of attention to *Night Vale* by bringing together an international group of scholars from different disciplines to consider the program's form, themes, politics, and fanbase. After a thorough introduction by the volume's editor, Jeffrey Andrew Weinstock, the eight contributors not only offer close analysis of *Night Vale*, but use the program as the impetus for broader explorations of new media, gender, the constitution of identity, the construction of place, and the human relationship to meaning and the non-human.

You Feel It Just Below the Ribs Lucas Books

A shockingly candid and raw autobiography from legendary anchorman, jazz flutist, and host of The Ron Burgundy Podcast, Ron Burgundy. From his humble beginnings in a desolate Iowa coal mining town, his years at Our Lady Queen of Chewbacca High School to his odds-defying climb to the dizzying heights of becoming America's most trusted and beloved television News Anchor, Ron Burgundy pulls no punches in Let Me Off at the Top! In his very own words Burgundy reveals his most private thoughts, his triumphs and his disappointments. His life reads like an adventure story

complete with knock-down fights, beautiful women and double-fisted excitement on every page. He has hunted jackalopes with Bobby Kennedy and Peter Lawford, had more than his share of his amorous exploits, and formed the greatest on-air team in the history of televised news. Along the way, he hobnobbed with people you wish you knew and some you honestly wish you didn't—celebrities, presidents, presidents' wives, celebrities' wives, dogs, and, of course Veronica Corningstone, the love of his life. Walter Cronkite, Barbra Streisand, Katie Couric, the list goes on. Who didn't Mr. Burgundy, or "Ron" as he is known to his friends, rub elbows with in the course of his colorful and often criminal life? This may well be the most thrilling book ever written, by a man of great physical, moral and spiritual strength and not surprisingly a great literary talent as well. This book deserves a real shot at a Pulitzer Prize. In fact if it doesn't win one then we will finally have proof that the Pulitzer is rigged. Ron Burgundy has taken the time to write a book. We owe it to him, as honest Americans, to read it.
