Graham Thorpe: Rising from the Ashes

Hachette UK

Andrew Strauss, one of the most successful and respected England cricket captains of the modern era, announced his retirement from professional cricket at the end of 2012. In *DRIVING AMBITION* he gives a candid account of the highs and lows of his remarkable career for Middlesex and England. An outstanding opening batsman and natural leader, Andrew Strauss captained his country in 50 of his 100 Tests. During his time in charge, England emerged from a turbulent and controversial period to become the world's top team. Fully updated to cover the past year in Andrew's life; the transition from player to pundit and the fortunes of English cricket. This is an honest and entertaining story of a quiet, modest but fiercely ambitious man who became a magnificent man-

manager, leading England to victory in the 2009 Ashes series and again in Australia the following year. Strauss is a fine raconteur and this revealing autobiography will appeal to all those who love cricket.

KP William Morrow
AutobiographySphere
My Life, and the Inside Story of the Greatest Ashes Series Simon and Schuster

"A quintessentially Australian tale, told in a straightforward, unpretentious style." The Age Rarely does a truly great player reveal as much of himself and his sport as Steve Waugh does in his long-awaited autobiography. Waugh opens up on his personal life in a way few would expect of a man known in cricket circles as "The Iceman". He provides revealing insights into life on and off the field; the controversies and scandals; and clashes with other players, the media and cricket administrators. He also offers honest and perceptive portraits of the people who have shared his adventure. *Out of My Comfort Zone* is a frank

study of a unique life in cricket - a journey into the heart and soul of not just the game but also one of its most respected players and finest leaders.

The Sunday Times

Bestseller Harper Collins

Graham Thorpe's achievements on the cricket field contrasted wildly with his personal problems, where drink and depression combined to send him spiralling off the rails. This is his brutally honest life story, including his dramatic retirement from Test cricket, and updated to include England's 2005 Ashes win, and his new coaching career.

The Second Half Sphere

From English cricket's embarrassing failure at the 2015 World Cup to their heart-stopping victory four years later, Nick Hoult and Steve James vividly describe the team's dramatic journey from abject disappointment to finally lifting the trophy.

Morgan's Men reveals how the team became the most aggressive limited-overs side in the world, led by their inspirational captain Eoin Morgan, whose vision and

determination to succeed captured the imagination of the nation. Houlton and James follow England's journey from Bangladesh to Barbados, from Melbourne to Manchester, to present the inside story of the team's rebirth. They tell us how players dealt with the Ben Stokes court case, the sacking of Alex Hales for a drugs ban, and reveal the innovative new strategies and tactics that helped them become the best in the world, culminating in a World Cup final that was arguably the greatest one-day match of all time.

 Hussain, Daily Mail 'The
 undisputed hero of
 English cricket' The Times
 Early evening on Sunday

14th July 2019. Lord's Cricket Ground in London. Something unprecedented had just happened: England had won the Cricket World Cup for the very first time since the tournament's inception in 1975. At the epicentre of England's historic triumph was Ben Stokes, the talismanic all-rounder with an insatiable appetite for The Big Occasion. He contributed a critical 84 runs off 98 balls when England batted, a seemingly nerveless innings of discipline and maturity. Thrillingly, it was enough to tie the scores at 241 runs each, so the match reverted to a Super Over - just six balls for each side to bat in the ultimate in sporting sudden-death. Stokes and Jos Buttler saw England to 15 runs off their over. When it was finally confirmed that Martin Guptill had been run out off the very last ball of New Zealand's Super Over with the scores level once again, England had astonishingly won on the boundary count-back, and the nation could finally breathe again. Early evening on Sunday 25th August 2019. A sun-drenched Headingley in Leeds. Having been bowled out for just 67 earlier in the Third Test,

England were facing the prospect of failing to regain the Ashes. In their second innings England were still 73 runs short of victory with a solitary wicket remaining. Australia were near certainties to retain the Ashes there and then. Cue one of the most amazing innings ever witnessed as Ben Stokes thrashed the Australian bowlers to all corners of the ground, in the process scoring 135 not out, driving England to a barely-believable one-wicket victory, and keeping the series very much alive. The nation took another breath. On Fire is Ben Stokes' brand new book, and in it he tells the story of England's electrifying first ever Cricket World Cup triumph, as well as this summer's momentous Ashes Test series. It is the ultimate insider's account of the most nerve-shredding but riveting three-and-a-half months in English cricket history. *The road to the top* Hodder & Stoughton Jonathan Trott was England's rock during one of the most successful periods in the team's history - he scored a century on debut to clinch the Ashes in 2009, and cemented his position as their pivotal batsman up

to and beyond the team's ascendancy to the number 1 ranked test team in 2011. Yet shortly after reaching those heights, he started to crumble, and famously left the 2012-13 Ashes tour of Australia suffering from a stress related illness. His story is the story of Team England - it encompasses the life-cycle of a team that started out united by ambition, went on to achieve some of the greatest days in the team's history but then, bodies and minds broken, fell apart amid acrimony. Having seen all of this from the inside, Jonathan's autobiography takes readers to the heart of the England dressing room, and to the heart of what it is to be a professional sportsman. Not only does it provide a unique perspective on a remarkably successful period in English cricket and its subsequent reversal, it also offers a fascinating insight into the rewards and risks faced as a sportsman carrying the hope and expectation of a team and a nation. And it's a salutary tale of the dangers pressure can bring in any walk of life, and the perils of piling unrealistic expectations on

yourself.

THE INSIDE STORY OF ENGLAND'S RISE FROM CRICKET WORLD CUP HUMILIATION TO GLORY

Penguin Group Australia Which first-class cricket team contained two players who would later be murdered? Who was the Australian-born Test cricketer who became a cage fighter? Which former England all-rounder set a world record for eating the most peas with a cocktail stick? Which pair of brothers share the most century partnerships in Test match cricket, and who was the bowler who took Test wickets with consecutive balls, seven years apart? The answers to all these teasers can be found in this irresistible, addictive, and routinely astonishing collection of cricketing facts, feats, and figures. Opening the door on areas such as cricket and politics, cricket and music, cricket and films, royalty, and cuisine, the book transcends cricketing trivia. Outside Edge amounts to a wholly original compendium of the most unusual stories from across the whole breadth of the global game's rich history and

culture. Featuring a foreword by Australian Test legend Geoff Lawson. *Never Give Up Sphere* Ronnie Irani had an extraordinary career as a first class cricketer and is now a star broadcaster with talkSport. He grew up in Bolton and has his professional debut with Lancashire aged just 16. But frustrated at constantly playing in the 'stiffs', Ronnie took his courage in both hands and moved to Essex - even though he was only vaguely aware it was somewhere near the Dartford Tunnel. He became one of the county's all-time great players, went on to captain them to three trophies and became a legend with the fans. Ronnie is typically honest about his relationships in the game - good and bad; he relates how he used unconventional medical advice to overcome career threatening injuries; he takes you out to the crease and back in the dressing room; he gives you vivid insights into the humour and the heartache, the trials and the triumphs of being a top sports star. And time and time again he shows why he became a favourite with cricket supporters around the

world and why Frank Dick added: 'Telling Ronnie Irani that what he wants to achieve can't be done is like lighting a fuse.'

STARGAZING

Autobiography
Ever wondered what it's like playing Test Cricket? What really goes on tour and beyond the boundary rope? Here, for the first time, the world of a pro-cricketer is revealed, and the man pulling back the dressing room curtains is one of England's greatest ever cricketers: James 'Jimmy' Anderson. 565 Test Wickets and counting. Written with Felix White: musician, cricket enthusiast and Anderson's co-host on BBC Five Live's phenomenally popular podcast 'Tailenders', Jimmy invites us all into his world of cricket. Full of test-match sized stories and 20/20 anecdotes, this book contains everything you've dreamed of asking a top cricketer. And Jimmy provides the answers and insights into this world on and off the pitch. We tackle the big questions. And, importantly, the small ones; Do cricketers really watch Countdown instead of the Test whilst waiting to bat? What are those conversations in the slip cordon? And what

does he eat as a tailender?

The Biography of a Rebel

HarperCollins
Michael Vaughan tells the full, compelling story of a remarkable career - from his early days at Yorkshire, to his emergence as a world-class batsman; from the successful partnership with Duncan Fletcher that culminated in the raising of the urn at The Oval in 2005, to the recurring injuries that ultimately forced his retirement. With the insight that helped him bring the best out of personalities as different as Freddie Flintoff, Kevin Pietersen and Steve Harmison, the winner of a record 26 Tests as England captain shares his views on the state of cricket today and gives a frank assessment of fellow players, coaches and administrators. He concludes with praise for the achievements of the 2009 Ashes-winning England team. Entertaining, forthright and surprisingly candid, *Time to Declare* is essential reading for all cricket lovers - the definitive account of the career of one of the modern game's most influential characters. [Ponting: At the Close of Play](#) Random House

The extraordinary new autobiography from adventurer Bear Grylls. In *Never Give Up*, global adventurer and TV presenter Bear Grylls chronicles his life and career since stepping onto screen, taking readers along with him on his most famous adventures, sharing personal stories from his favourite expeditions, and capturing his hairiest survival challenges. The follow up to the internationally bestselling *Mud, Sweat and Tears*, in this new autobiography Bear takes readers behind the scenes on infamous 'Man vs. Wild' shoots and provides an insight into what it's really like to go 'Running Wild' with guests including President Obama, Roger Federer and Julia Roberts. Along the way, Bear explores the valuable lessons he's learned in the wild, opens up about his most personal challenges and achievements, and celebrates the true value of adventure and the enduring importance of courage, kindness and resilience.

[Michael Vaughan: Time to Declare - My Autobiography](#) Sphere
The number 1 bestseller in paperback. One of the greatest cricketers of all

time, Ricky Ponting boasts more records than any other player in Australian history including the most wins as a player and a captain, as well as being Australia's highest run-scorer in test and ODI cricket. From childhood prodigy to the highs and lows of an extraordinary international career, *At the Close of Play* is the remarkable autobiography of one of the game's greats. But beyond the triumphs and scandals, records and retirement, this is the story of a life lived in cricket and of a life shaped by extraordinary talent and the people who believed in that talent.

Cook in his fascinating
and remarkably honest
autobiography 'He is
England's greatest ever

batsman . . . a hugely enjoyable book' Daily Mail, SPORTS BOOKS OF THE YEAR _____
Watch. The. Ball. It's just you. Standing at the crease. Waiting. The bowler is running. His arm swinging. The ball - 155 grams of cork, string and leather - is hurled at you. At 90 mph it travels 22 yards in under half a second. You can barely see it and you've got to be swinging your bat before it's halfway towards you. Because you are in its path . . . Alastair Cook, one of England's most decorated players and highest test run scorer, knows what it is like to be your best under pressure. Yet at 33 he called time on his England career. Come with him as he relives the fraught hours on the pitch, the desperate lows and astonishing highs, the paralysing anxiety that can send the best back home and the extraordinary battle of wills with yourself, the opposing players and even those supposedly on your own side. This is cricket as you've never seen it. The view from the inside . . . LONGLISTED FOR THE TELEGRAPH SPORTS BOOK OF THE YEAR AUTOBIOGRAPHY AWARD _____

'Fascinating, timely. Delves into the psychological challenges of the game' Guardian
'Bracingly honest' Times
Outside Edge Simon and Schuster
Matthew Hayden was one of the most commanding batsmen the game has ever seen - and one of its great enigmas. A religious man and a ruthless on-field sledger. A brutal enforcer, and a soft-hearted family man. Australian record-holder for highest score in Tests and One Day Internationals, who was at times troubled by self-doubt and doubters. In *Standing My Ground* Hayden confronts these contradictions head-on. He talks frankly about the forces that shaped his journey from fringe international to a giant of the game, and takes us on a privileged tour inside the sporting machine that dominated all comers in a golden age of Australian cricket. This isn't a predictable ball-by-ball account of a stellar career. Instead, Hayden delivers a characteristically direct assessment of the matches and the people that mattered most. He opens up on umpires, the media, superstitions, teammates and

opponents with disarming honesty and humour. The country boy from Kingaroy rose to greatness in the cricket world. Here is the superstar batsman, the surfer, fisherman and chef in a book as bold and powerful as the man himself.

BROADSIDE

Pan Macmillan

Described by the media as 'the David Beckham of cricket', Kevin has become the poster boy for English cricket. But he is also in possession of a prodigious talent - fearless, bold and with unflappable nerves. His unique batting style has produced hundreds of runs and many outstanding innings, culminating in his extraordinary triumph at the 2005 Ashes. Yet with the highs, come the lows, and he gives his version of events during the 2006/07 Ashes when England were defeated by Australia. Crossing the Boundary recounts Kevin's remarkable journey so far - from growing up in his native South Africa and the opposition he faced from the national cricket board; his move to England and burgeoning career at Hampshire to winning a

place on the England team. It provides a rare insight into the mind of an international cricketer, on and off the pitch.

Reflecting his youthful charisma and his bullish confidence, this is a sporting memoir like no other. Full of personal anecdotes and insight from numerous sporting legends such as Shane Warne, Ian Botham, and Nasser Hussain, this is the riveting story of one of the most significant cricketers of our time.

Morgan's Men Random House

Do They Play Cricket in Ireland? is the inside story of a rollercoaster ride that took the Boys in Green from rank amateurs to playing Test matches, and dismissing England for 85. Every stage of the journey is charted by a writer who was at the heart of the action: instrumental in Ed Joyce joining Middlesex and the tactician who helped Ireland win their first global tournament. Read about stunning victories over Pakistan, England and the West Indies, Eoin Morgan's debut at Eton, an annoying redhead's spiky spats with Brian Lara, Kevin Pietersen and the Namibian farming community, the fastest century in World Cup

history, a cricket-loving former IRA commander and a six-hitting sheep strangler. As friend and confidant to many of the players and coaches who took Ireland to the top table of world cricket, David Townsend is uniquely placed to tell this remarkable story. Written in diary format, in a chatty, humorous style, the book is part travelogue as it follows the team through more than 20 countries and across five continents.

KP: The Autobiography

Kings Road Publishing

Born in South Africa in 1980 to an Afrikaner father and English mother, he made his first-class cricket debut at the age of 17. In 1999, while playing with KwaZulu Natal, he impressed former England captain Nasser Hussain and the following year signed for Nottinghamshire where he had a stunning debut season. He moved to Shane Warne's Hampshire in 2004 and went onto make his international debut the same year, soon becoming a cornerstone of the England side, and playing a key role in the thrilling victory in the 2005 Ashes. His England career looked in jeopardy however after his short, and extremely

controversial, stint as England captain in 2008 ended in his sacking. But Pietersen, never one to be kept down for long, cemented his comeback with a series of wonderful performances that led to being named the Player of the Tournament in England's 2010 World Twenty20 win. Having left Hampshire for Surrey, Pietersen's career had another strange twist in the summer of 2012 when, amid a dismal home series against South Africa, he first retired from one-day internationals and was then dropped from the side for allegedly texting the opposition derogatory comments about his own team-mates. Kevin

Pietersen is a renowned cricketing renegade and one of the greatest, and most controversial, cricketers of his generation. Finally back in the England fold, and fresh off a match-winning 186 in India, Pietersen looks in control once gain. But, with him, controversy is never more than a switch-hit away.

THE CORRIDOR OF CERTAINTY

Hachette UK
Literary ombudsman John Crace never met an important book he didn't like to deconstruct. From Salman Rushdie to John Grisham, Crace retells the big books in just 500 biting satirical words, pointing his pen at the

clunky plots, stylistic tics and pretensions to Big Ideas, as he turns publishers' golden dream books into dross. In the grand tradition of Tom Lehrer and Stan Freberg, Crace takes the books that produce the most media hype and retells each story in its author's inimitable style. Philip Roth, Don DeLillo, Margaret Drabble, Paul Auster, Alice Sebold, John Updike, Tom Wolfe, Ruth Rendell, A.S. Byatt, John LeCarre, Michael Crichton and Ian McEwan all emerge delightfully scathed in this book that makes it easy to talk knowingly about books you've never bothered to read or, for that matter, should have.
