The acclaimed author of *Bad Girls*, *Good Women* delivers an epic and adventurous love story set against the stunning backdrop of Antarctica. Alice Peel is a geologist. She believes in observation, measurement, and proof. But now, as she stands alone on the deck of a rickety Chilean ship, everything that lies ahead is mysterious and unpredictable. Six weeks earlier, her life at Oxford had been reassuringly comfortable. But when her relationship suddenly fell to pieces, she accepted a job that would take her to the end of the earth, joining the Kandahar Research Station in Antarctica. When she arrives, Alice discovers an ice-blue world lit by a midnight sun. Nothing has prepared her for the beauty of it—or the claustrophobia of a tiny base shared with eight men and one other woman. The isolation wipes out everyone’s past, and tension crackles in the air. One fellow researcher, James Rooker, is especially secretive. Yet Alice cannot deny the bolt of recognition between them. But Antarctica is a place of danger as well as beauty, and Alice is about to make a discovery that could change her life forever . . . if she survives. “Illuminating yet quietly revealing, Thomas’s latest is elevated by its unique setting and its strong characterization.” —Publishers Weekly

Wise, earthy and intimate, these stories are moving parables of the human need to seek some sort of satisfaction, just as a wild star seeks a midnight sun.

The Night Circus Midnight Sun

Jack, the gritty narrator of this dark, gripping novel by Elwood Reid, is a journeyman carpenter in his late twenties whose travels have led him to Alaska. When his pink slip arrives at the end of summer, he allows himself to be talked into an unusual job. Along with his best friend, Burke, Jack accepts ten thousand dollars from a dying Fairbanks man to travel into the northern wilderness and rescue his daughter from a cult. It doesn't take long before their trip begins to go awry, and things only get worse once they reach the cult's camp, where they are received with a hostility that quickly turns violent. Jack soon realizes that Burke knows more than he lets on about their mission and he finds himself on his own, desperately seeking a way out of the camp. Taut, riveting, and complex, *Midnight Sun* is an arctic Deliverance, a literary thriller set deep in beautiful but dark and indifferent Alaskan woods.

Vintage Crime/Black Lizard

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big

Secret.

Midnight Sun Knopf Canada

From the #1 *New York Times* bestselling author of *Cockroaches*, a "forcefully written story of personal defeat, despair, and salvation" (*The New York Times Book Review*) about a man with one small problem—his former boss, Oslo's most notorious drug kingpin, wants him dead. "A fun read, with a likable protagonist and a brisk, page-turning pace." —*Los Angeles Times* Ulf was once the kingpin's fixer, but after betraying him, Ulf is now the one his former boss wants fixed. Hiding out at the end of the line in northern Norway, Ulf lives among the locals. A mother and son befriend him, and their companionship stirs something deep in him that he thought was long dead. As he awaits the inevitable arrival of his murderous pursuers, he questions if redemption is at all possible or if, as he's always believed, "hope is a real bastard." *Blanket Toss Under Midnight Sun* Minotaur Books

A revelatory portrait of eight Indigenous communities from across North America, shown through never-before-published archival photographs—a gorgeous extension of Paul Seesequasis's popular social media project. In 2015, writer and journalist Paul Seesequasis found himself grappling with the devastating findings of Canada's Truth and Reconciliation Commission report on the residential school system. He sought understanding and inspiration in the stories of his mother, herself a residential school survivor. Gradually, Paul realized that another, mostly untold history existed alongside the official one: that of how Indigenous peoples and communities had held together during even the most difficult times. He embarked on a social media project to collect archival photos capturing everyday life in First Nations, Metis and Inuit communities from the 1920s through the 1970s. As he scoured archives and libraries, Paul uncovered a trove of candid images and began to post these on social media, where they sparked an extraordinary reaction. Friends and relatives of the individuals in the photographs commented online, and through this dialogue, rich histories came to light for the first time. *Blanket Toss Under Midnight Sun* collects some of the most arresting images and stories from Paul's project. While many of the photographs live in public archives, most have never been shown to the people in the communities they represent. As such, *Blanket Toss* is not only an invaluable historical record, it is a meaningful act of reclamation, showing the ongoing resilience of Indigenous communities, past, present—and future.

Under the Midnight Sun (The Heart of Alaska Book #3) Houghton Mifflin Harcourt

A chilling new historical crime novel from the author of the international bestseller *Wolf Winter* An orphaned boy brought up to serve the state as a man. A rich young woman incapable of living by the conventions of society. Neither is prepared for the journey into the heat, mystery, violence and disorienting perpetual daylight of the far north. Sweden, 1856. The minister of justice has received a disturbing message. There's been a massacre on one of Lapland's mountains: a priest, a law enforcement officer and a local settler have been slaughtered by one of the indigenous Sami people. The murderer is in custody, but he refuses to talk. The minister dispatches his geologist son-in-law, Magnus, to investigate, as there is another reason to visit Blackåsen: it is a mountain with many secrets, a mountain whose rich mineral deposits have never been exploited. But Magnus does not journey alone. The minister's daughter, Lovisa, in disgrace, is sent with him. The two unlikely companions venture out of the sweltering city to the wild landscape of Sweden's far north under the strange, insomnia-inducing light of the midnight sun. There, the shocking truth they discover about the murders and what lies behind them will be matched only by what they discover about themselves. *The Midnight Sun* is a riveting story of the collision of worlds old and new, and cements Ekback's status as a master of Nordic noir.
