LIBERTY, SLAVERY, AND CONSPIRACY IN EIGHTEENTH-CENTURY MANHATTAN

McFarland

No political scandal in American history has had a greater impact on America's political consciousness than the rise and fall of the "Tweed Ring" in New York City between 1866 and 1871. In an age ripe with scandal both public and private, the spectacular corruption charged to "Boss" Tweed and his associates—estimates of their extortion range from \$20 million to \$200 million—became an enduring symbol of the dark side of democratic politics. The Tweed Ring contributed much more than cartoonist impressions; it helped to shape

a powerful theory of political reform. It was in truth one of the formative events of progressivism, that multifaceted doctrine that has evolved into the modern American creed. In this sense, the Tweed Ring was to produce not only deep misgivings about the existing regime, but an insight into how it should be reformed. Denis Tilden Lynch's biography of "Boss" Tweed was first published in 1927, in a time filled, like Tweed's, with sudden prosperity, daunting problems, and spectacular scandals. It is a straightforward, workmanlike study, untroubled by the conceits of modern historical scholarship, and close enough to its subject's generation to have some of the immediacy of journalism. Of all the books published about the Tweed affair, Lynch's study is the only one that is a genuine biography, in which the man himself is the focus. For this reason it conveys something of the texture of daily life in

New York in the nineteenth century, while bringing Tweed out from behind the shadows of Thomas Nast's leering cartoons, and presenting him, as much as is possible, as a man and not an icon. An interesting example of Americana, this volume will be of interest to historians of the period as well as those interested in American urban and political life.

The Last Man on Earth Club McFarland
New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty

programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919. *When Basketball Was Jewish* Kensington Books

In the past week, coyote shapeshifter Mercy Thompson has seen her friends kidnapped, killed, and assaulted - and things are about to get worse! A war between werewolves is erupting, and Mercy is caught smack in the middle! Can she unravel the secrets of the dark conspiracy that threatens them all in time to save her friends... and herself? Scores are settled and secrets revealed in the thrilling climax of Patricia Briggs' *Mercy Thompson: Moon Called*. Collecting issues

#5-8 of the series, along with an all-new, never-before-published 8-page bonus story, and a complete cover gallery.

With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks.

Boss Tweed Alyson Books

Charming underachiever Jamie Garner is living a sexy slacker's life in San Francisco during the dot-com boom--avoiding his stalled career as a radio producer, barely holding on to his relationship, but surrounded by fun-loving friends. And then Jamie gets the call he's always dreaded: Teddy, the father who never accepted him, has died. It's time for the prodigal son to come home to the subdivisions and

strip malls of suburban New Jersey to face the emotionally barren family he left behind years ago. Caught between the guilt he wants to shake and the grief he can't express, Jamie takes solace in a box of memorabilia he finds in the attic, marked "1960," the year his father spent in San Francisco but kept secret. Jamie is especially drawn to a moody, enigmatic photo of the stunning Dean Foster, his dad's closest friend, who headed west then mysteriously disappeared.

Determined to unlock the mystery of his father, Jamie seeks out the artists and poets, the free spirits and wild men mentioned in Teddy's letters to Dean. It's a journey that takes him deep into the subcultures of San Francisco, from the bohemian heyday of the Beat Generation through the Internet mania of his contemporary world, even as it unleashes something primal, hungry, and slightly dangerous in Jamie. As his search for the elusive Dean Foster turns ever more obsessive, undermining his friendships, his income, and his fidelity to his partner, Jamie is forced to decide what he is willing to risk in the pursuit of the truth.

"Engaging . . . the flow and intensity of the

writing make it difficult to put Soehnlein's book down . . . With remarkably stylish and witty prose, Soehnlein keeps the reading convincing and compelling, displaying a knack for giving just enough detail to put the reader right in the scene."--The San Francisco Chronicle

TWILIGHT GIRLS

Life should be good for James Hardy. His business is thriving, his brothers are settled, and he's desperately in love with his girlfriend, Mandy. Unfortunately, growing pains are straining his relationship, and when a misunderstanding overlaps with a catastrophic explosion at a charity event, Mandy's life is left hanging in the balance. The doctor says she'll recover, and James is ready to do what is necessary to make sure their lives stay intertwined. Her recovery is difficult, and long, and it's only compounded by a mixture of medication and misunderstandings, both of which spin things dangerously out of control. James is determined to get their relationship back on track, but the mystery of who targeted

her for elimination - and the dreams that subsequently plague him - have the oldest Hardy brother in a tailspin. James promises to keep Mandy safe, but the enemy targeting them is obsessed - and relentless. Between his sister, Ally's meddling, Mandy's doubts, and James' overwhelming worries, things are coming to a head. James is ready to offer a happily ever after, but he needs to solve a mystery and keep his beloved safe if he's going to get that chance. Will this couple get a chance to realize their dreams, or will an unseen force stop them before they get a chance to embrace their future? *Merck Report* Pickle Partners Publishing

A witty and addictively readable day-by-day literary companion. At once a love letter to literature and a charming guide to the books most worth reading, *A Reader's Book of Days* features bite-size accounts of events in the lives of great authors for every day of the year. Here is Marcel Proust starting *In Search of Lost Time* and Virginia Woolf scribbling in the margin of her own writing, "Is it nonsense, or is it brilliance?" Fictional events that take place within beloved books are also included: the birth of Harry Potter's enemy Draco

Malfoy, the blood-soaked prom in Stephen King's *Carrie*. *A Reader's Book of Days* is filled with memorable and surprising tales from the lives and works of Martin Amis, Jane Austen, James Baldwin, Roberto Bolano, the Brontë sisters, Junot Díaz, Philip K. Dick, Charles Dickens, Joan Didion, F. Scott Fitzgerald, John Keats, Hilary Mantel, Haruki Murakami, Flannery O'Connor, Orhan Pamuk, George Plimpton, Marilynne Robinson, W. G. Sebald, Dr. Seuss, Zadie Smith, Susan Sontag, Hunter S. Thompson, Leo Tolstoy, David Foster Wallace, and many more. The book also notes the days on which famous authors were born and died; it includes lists of recommended reading for every month of the year as well as snippets from book reviews as they appeared across literary history; and throughout there are wry illustrations by acclaimed artist Joanna Neborsky. Brimming with nearly 2,000 stories, *A Reader's Book of Days* will have readers of every stripe reaching for their favorite books and discovering new ones. *America's Hundred-Year Cigarette War, the Public Health, and the Unabashed Triumph of Philip Morris* Paul Hardy

Since the first baseball movie (*Little*

Sunset) in 1915, Hollywood has had an on-again, off-again affair with the sport, releasing more than 100 films through 2001. This is a filmography of those films. Each entry contains full cast and credits, a synopsis, and a critique of the movie. Behind-the-scenes and background information is included, and two sections cover baseball shorts and depictions of the game in non-baseball films. An extensive bibliography completes the work.

THE STORY OF A GRIM GENERATION

Berkley

The remarkable story behind the planning, development and marketing of Laurel and Hardy's ill-received final film, Atoll K, has been little explored. Details on the script development, cast, crew, locations, and even basic information on running times and release dates have been sketchy at best since the film's 1951 release. This work reconstructs the circumstances

surrounding this unusual international co-production (Atoll K was a French-Italian film with English-speaking stars). Through lost documents detailing the film's production and funding, previously unreleased behind-the-scenes photos, and a rare interview with French movie star Suzy Delair, the author explores the continuous changes to the film's script during its chaotic production and the final marketing of the film's many different versions (Atoll K was also released as Robinson Crusoe Land in the United Kingdom and as Utopia in the United States). Several appendices detail alternative sequences and cut scenes in various versions of the film and include French box-office reports from 1951 to 1952 as well as a complete filmography.

The long-awaited cookbook from an iconic New York restaurant, revealing never-before-published recipes Since its humble opening in 2005, Xi'an Famous Foods has expanded from one stall in Flushing to 14 locations in Manhattan, Brooklyn, and Queens. CEO Jason Wang divulges the untold story of how this empire came to be, alongside the never-before-published recipes that helped create this New York City icon. From heavenly ribbons of liang pi doused in a bright vinegar sauce to

filled with caramelized pork to cumin lamb over hand-pulled Biang Biang noodles, this cookbook helps home cooks make the dishes that fans of Xi'an Famous Foods line up for while also exploring the vibrant cuisine and culture of Xi'an. Transporting readers to the streets of Xi'an and the kitchens of New York's Chinatown, Xi'an Famous Foods is the cookbook that fans of Xi'an Famous Foods have been waiting for.

A Study of the Chaotic Making and Marketing of Atoll K Dynamite

A chronicle of an alleged eighteenth-century slave conspiracy to destroy New York City explores the social and political climate of the 1730s and 1740s and the implications of the conspiracy in terms of American politics and history.

The Cuisine of Western China, from New York's Favorite Noodle Shop McFarland Offers techniques and strategies for increasing income while cutting work time in half, and includes advice for leading a more fulfilling life.

Emily Post Betty Crocker

A Truly Extraordinary Tournament One of the most remarkable and famous chess tournaments ever took place in New York

City in March and April 1924. It had a narrative that is still striking today: Three world champions undisputed world champions, mind you fulfilling their destiny. The stunning performance of the 55-year-old former world champion Emanuel Lasker. The seemingly invincible reigning Jos  Capablanca suffering his first loss in eight years. And all 110 tournament games deeply annotated by future world champion Alexander Alekhine. The tournament book that Alekhine produced became the stuff of legend. He provides real analysis, and with words, not just moves. He imbues the book with personality, on the one hand ruthlessly objective, even with his own mistakes, on the other, candidly subjective. This is a modern 21st Century Edition of Alekhine's classic, using figurine algebraic notation, adding many more diagrams, but preserving the original, masterful text and annotations, including Alekhine's fascinating overview of the opening theory at that time.

Assembly Macmillan

Since the first baseball movie (Little Sunset) was released in 1915, Hollywood has had an on-again, off-again affair with

the sport. The resulting relationship has produced a wide array of films, some good (Field of Dreams, Pride of the Yankees), some obscure (Roogie's Bump, Hot Curves) and some flops (The Slugger's Wife, The Babe Ruth Story). This is a detailed look at the 81 baseball films released from 1915 through 1991. Each entry includes full cast and production credits, year of release, production company, a synopsis, and a critique of the movie. Behind-the-scenes and background information is included. A separate section examines baseball short subjects and baseball in nonbaseball films. An extensive bibliography completes the work.

Six people are gathered for a therapy group deep in the countryside. Six people who share a unique and terrible trauma: each one is the last survivor of an apocalypse. Each of them was rescued from a parallel universe where humanity was wiped out. They've survived nuclear

war, machine uprisings, mass suicide, the reanimated dead, and more. They've been given sanctuary on the homeworld of the Interversal Union and placed with Dr. Asha Singh, a therapist who works with survivors of doomed worlds. To help them, she'll have to figure out what they've been through, what they've suffered, and the secrets they're hiding. She can't cure them of being the last man or woman on Earth. But she can help them learn to live with the horrors they survived. 'This one won't leave you with the warm and fuzzies, but it will leave you thinking, and for me that's the mark of great science fiction.' - Sift Book Reviews
